ITEM 3.01. NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED LISTING RULE OR STANDARD; TRANSFER OF LISTING.

On November 30, 2005, the staff of The American Stock Exchange ("AMEX") notified Emerson Radio Corp. ("Emerson") that it is not in compliance with the audit committee composition requirements set forth in Section 121(B)(2) of the Amex

Edgar Filing: EMERSON RADIO CORP - Form 8-K

Company Guide (the "Company Guide") due to Emerson's failure to maintain an audit committee of at least three directors, each of whom satisfies the independence standards specified in Section 121A and Rule 10A-3 under the Securities and Exchange Act of 1934. As a result of the untimely death of Robert H. Brown, Jr., a former director and audit committee member of Emerson, in August 2005, Emerson's Audit Committee consists of only two directors, each of whom satisfies the audit committee independence standards.

The AMEX notice requires that Emerson take prompt corrective action to resolve its audit committee deficiency and regain compliance with AMEX requirements by March 1, 2006. Emerson intends to promptly take all necessary actions to regain compliance with the AMEX requirements by the March 1, 2006 deadline. Emerson's common stock continues to trade on AMEX.

The AMEX staff has determined not to apply the continued listing evaluation and follow-up procedures specified in Section 1009 of the Company Guide. Failure to resolve the continued listing deficiency described above within the specified time frame, or subsequent failure to comply with any other continued listing requirements will result in the staff of AMEX assessing Emerson's continued listing eligibility, including, as applicable, the application of the continued listing evaluation and follow-up procedures specified in Section 1009 of the Company Guide, and/or the initiation of delisting proceedings.

On December 5, 2005, Emerson issued a press release disclosing the receipt of the AMEX notice, a copy of which is attached hereto as Exhibit 99.1.
