Item 7.01 Regulation FD Disclosure.

The following information is being furnished under Item 7.01, "Regulation FD Disclosure." This information shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that Section, or incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

The Company has been informed by its Chairman and Chief Executive Officer, Richard A. Bachmann, that on March 20, 2008 a commercial bank sold 144,200 shares of Company common stock owned by Mr. Bachmann which the bank held as security for a loan. The shares were sold by the bank as a result of a decline in the Company's stock price which resulted in a default under the terms of the loan. Mr. Bachmann informed the Company that later that day, the loan and related collateral were transferred to an account at a brokerage affiliate of the bank. The remaining loan is collateralized by a variety of equity securities, including approximately 1.2 million Company shares. Mr. Bachmann further advised the Company that he intends to reinvest an amount equal to the after-tax proceeds of such sale in shares of Company common stock to be purchased in the open market, commencing in six months.
