FORM 8-K

Item 1.01. Entry into a Material Definitive Agreement.

On April 6, 2011 (“Effective Date”), Liquidmetal Technologies, Inc., a Delaware corporation (“Liquidmetal”), entered into a Settlement and Equity Interest Purchase Agreement with SAGA S.p.a., a company incorporated under the laws of Italy (“SAGA”), which supersedes the March 19, 2011 preliminary Settlement Agreement, pursuant to which (i) the parties agreed to terminate their joint venture, Liquidmetal Saga Italy S.r.l., a company incorporated under the laws of Italy (“LSI”), (ii) the parties agreed to cause certain pending legal actions against each other to be dismissed with prejudice, (iii) Liquidmetal agreed to pay SAGA \$2.8 million in the form of 4,496,429 restricted shares (“Shares”) of Liquidmetal common stock in exchange for SAGA’s equity interest in LSI, and (iv) the Liquidmetal technology license to LSI will be terminated (together with the ancillary documents, the “Preliminary Settlement Agreement”).

The number of Shares issued to SAGA was based on the thirty (30) days trailing, volume weighted average price (“Average Market Price”) of Liquidmetal stock as of the Effective Date (“Base Price”). The Shares were issued to SAGA in a private placement exempt from registration under the Securities Act of 1933, as amended (the “Securities Act”). Specifically, the Shares will be issued by virtue of Section 4(2) of the Securities Act in that the issuance did not involve a public offering, SAGA has adequate access to information about Liquidmetal, and appropriate restrictive legends will be affixed to all certificates representing the Shares issued to SAGA. The Shares received by SAGA under the Settlement and Equity Interest Purchase Agreement will be “restricted securities” within the meaning of Rule 144 under the Securities Act, and SAGA has not been granted any registration rights by Liquidmetal with respect to such Shares.

At any time prior to October 6, 2011 (“Determination Date”), Liquidmetal may redeem and repurchase all of the Shares from SAGA. If Liquidmetal elects to redeem all of the Shares, Liquidmetal shall pay a redemption price that is either i) One Hundred Ten Percent (110%) of the Base Price if the Average Market Price on the Determination Date is greater than or equal to One Hundred Ten Percent (110%) of the Base Price or, ii) the Average Market Price on the Determination Date, if the Average Market Price on the Determination Date is greater than or equal to the Base Price, but less than One Hundred Ten Percent (110%) of the Base Price.

If the Average Market Price on the Determination Date is less than the Base Price, Liquidmetal shall issue a promissory note (“Note”) to SAGA having a principal amount equal to the difference between such average closing prices, multiplied by the number of Shares. The Note would bear interest at the rate of 8% per annum and mature on the twelfth month anniversary of the Note’s issuance.

The foregoing does not purport to be a complete description of the Settlement and Equity Interest Purchase Agreement and is qualified by reference to the full text of such agreement, which will be filed with Liquidmetal’s Quarterly Report on Form 10-Q for the three months ended March 31, 2011.

Item 3.02. Unregistered Sale of Equity Securities.

The information included in Item 1.01 of this Form 8-K is hereby incorporated by reference into this Item 3.02.
