warrants to purchase an additional 20,000 shares of the Company's common stock. The Company received gross proceeds of \$100,000 from the sale of stock and warrants to Colen. The sale was made in a private placement exempt from registration requirements pursuant to Section 4(2) of the Securities Act of 1933, as amended, and Rule 506 promulgated thereunder.

The Company sold shares of its common stock to Colen at a price of \$5.00 per share. For each two shares of common stock purchased Colen received one callable warrant and one non-callable warrant to purchase additional shares of the Company's common stock. In aggregate, Colen purchased 20,000 shares of the Company's common stock, callable warrants to purchase 10,000 shares of the Company's common stock and non-callable warrants to purchase 10,000 shares of the Company's common stock. Pursuant to the subscription agreement, the Company granted Colen piggy back registration rights to register the resale of the shares of common stock and shares issuable upon exercise of the warrants.

Both the callable and non-callable warrants are exercisable for a period of five years from April 22, 2005 and have an exercise price per share equal to \$6.05. In the event the closing sale price of the Company's common stock equals or exceeds \$7.50 for at least five consecutive trading days, the Company, upon 30 days prior written notice, may call the callable warrant at a redemption price equal to \$0.01 per share of common stock then purchasable pursuant to such warrant.
