2. Basis of Presentation:

The accompanying unaudited pro forma consolidated statements of operations for the years ended December 31, 2005, 2004 and 2003 give effect to the disposition of SPI. The unaudited pro forma consolidated statements of operations presents our results as if the disposition of SPI had occurred on January 1, 2003. The unaudited pro forma consolidated statements of operations should be read in conjunction with our audited consolidated financial statements and the related notes thereto. The audited consolidated financial statements have been prepared by management in accordance, with the United States generally accepted accounting principles (“GAAP”). The accounting policies used in the preparation of the unaudited pro forma consolidated statements of operations are consistent with those used by the Company in the preparation of the consolidated financial statements as of and for the year ended December 31, 2005.
