The information contained in Item 3 is hereby incorporated by reference into this Item 4.

The Reporting Persons originally acquired shares of the Issuer's Common Stock solely for investment purposes in the ordinary course of business, and not with a view towards influencing any extraordinary corporate transaction, any change in the Issuer's board of directors or management, or any other change in the Issuer's business, corporate structure or capitalization.

On March 20, 2008, the Reporting Persons contacted the Issuer's board of directors with respect to a preliminary proposal for a potential additional investment in the Issuer by the Reporting Persons (the "Potential Investment"). Pursuant to the terms of the Potential Investment, the Reporting Persons and certain other investors would purchase from the Issuer shares of Series B Preferred Stock, which would be a newly designated series of preferred stock, at a proposed price of \$0.60 per share for aggregate consideration of approximately \$4 million.

The proposed terms of the Potential Investment include that the board of directors approve and present to the Issuer's stockholders for approval a proposal for a reverse split of the Issuer's common stock and that the proceeds of the Proposed Investment be used to repurchase fractional shares of the Issuer's common stock. The Reporting Persons also proposed that the Issuer's board of directors be reconstituted if the Potential Investment is completed such that the board would consist of five members nominated by the Reporting Persons.

Since the discussion on March 20, 2008, the Reporting Persons have had additional communications with the Issuer's management and board of directors with respect to the Potential Investment. The Reporting Persons anticipate that, from time to time, they may further communicate with the Issuer and/or other relevant parties regarding board composition or other matters involving the Issuer.

On April 16, 2008, the Reporting Persons delivered to the Issuer a letter agreement and term sheet with respect to the Potential Investment and the proposed terms described above, which is filed herewith as an Exhibit and incorporated herein by reference. The letter agreement sets forth certain conditions to consummation of the Potential Investment, including the receipt by the Board of Directors of the Company of a fairness opinion to the effect that the consideration to be paid to the holders of the Company's common stock to repurchase fractional shares pursuant to the Reverse Stock Split is fair to such stockholders from a financial point of view and the Company having taken all necessary actions such that it is no longer subject to the reporting obligations of the Securities Exchange Act of 1934, as amended.

The foregoing summary of the terms of the letter agreement and term sheet is qualified in its entirety by reference to the full text thereof included as Exhibit 6 hereto.

Discussions regarding the Potential Investment and the related proposals are in their preliminary stages. There cannot be any assurances that the Potential Investment or any of the other possible transactions discussed above will occur, or if they, do, on what terms.

If the Potential Investment were to occur, it would result in the actions or transactions enumerated in clauses (a), (b), (d), (e), (h) and (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

ITEM 5 OF THE INITIAL STATEMENT IS HEREBY AMENDED AND RESTATED AS FOLLOWS:

The information contained in Item 4 is hereby incorporated by reference into this Item 6.

The Purchasers' obligation to consummate the Transaction are subject to the following conditions: (a) the negotiation and execution of definitive documentation reasonably acceptable to the parties hereto, (b) the receipt by the Board of Directors of the Company (the "Board") of a fairness opinion, from an investment bank reasonably acceptable to the Board, to the effect that the consideration to be paid to the holders of the Company's common stock to repurchase fractional shares pursuant to the Reverse Stock Split is fair to such stockholders from a financial point of view, (c) satisfaction (or waiver by the Purchasers) of all of the conditions (other than payment of any amounts to be paid with the proceeds of the Purchasers' investment) to the Reverse Stock Split, as described in the proxy statement or information statement, as applicable, delivered to stockholders in form and substance reasonably satisfactory to the Purchasers, (d) the Company having taken all necessary actions such that it is no longer subject to the reporting obligations of the Securities Exchange Act of 1934, as amended, (e) execution by each holder of capital stock of the Company (after giving effect to the Reverse Stock Split) of a stockholders agreement reflecting the applicable provisions of the Term Sheet and (f) there shall not have occurred any event or circumstance that has had or would reasonable be expected to have a material adverse effect on the financial condition, business, assets, liabilities, results of operations or prospects of the Company.

This letter agreement shall be governed by the internal laws of the State of New York applicable to contracts wholly executed and performed therein. This letter agreement constitutes the entire agreement with respect to the subject matter hereof, and supersedes all prior agreements, understandings and statements, both written and oral, between or among the Company or any of its affiliates and the Purchasers or any of their affiliates. This letter agreement may not be amended, and no provision hereof waived or modified, except by an instrument in writing signed by the parties hereto. This letter agreement may be executed in counterparts (including by means of facsimile or electronically transmitted signature pages), each of which, when so executed, shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

This letter agreement and any and all binding obligations of the parties shall expire on the earlier of (A) ninety (90) days after the date first written above or (B) if the Board of Directors of the Company has not approved the Transaction and the Reverse Stock Split prior to such date, thirty (30) days after the date first written above, in each case unless such date is extended by mutual written agreement of the parties.
