HISTORY

Neonode Inc., formerly known as SBE, Inc., was incorporated in the state of Delaware on September 4, 1997.

On January 11, 2007, SBE, Inc. entered into an Agreement for the Purchase and Sale of Assets with One Stop Systems, Inc., pursuant to which SBE, Inc. sold substantially all of the assets associated with its embedded hardware business to One Stop Systems, Inc.

On August 10, 2007, Cold Winter Acquisition Corporation (Cold Winter Acquisition Sub), a Delaware corporation and wholly-owned subsidiary of SBE, Inc., consummated a merger and reorganization where Cold Winter Acquisition Sub was merged with and into Neonode Inc., a Delaware Corporation (Old Neonode), with Old Neonode continuing after the merger as the surviving corporation and a wholly-owned subsidiary of SBE, Inc. (Merger). SBE, Inc.'s name was subsequently changed to "Neonode Inc." in connection with the completion of the Merger.

Old Neonode was incorporated in the State of Delaware in 2006 and is the parent of Neonode AB, a company founded in February 2004 and incorporated in Sweden.

After the Merger with Cold Winter Acquisition Sub, Old Neonode changed its name to Cold Winter, Inc. (Cold Winter). The stockholders of SBE, Inc. approved the transaction in a special meeting of stockholders held on August 10, 2007. Following the closing of the Merger, the business and operations of Cold Winter prior to the Merger became the primary business and operations of the newly-combined company. The newly-combined company's headquarters is located in Stockholm, Sweden.

Unless the context otherwise requires, all references herein to "Neonode," "we," "our," "us," and similar words in this proxy statement refer to Old Neonode prior to the Merger, and Neonode Inc. (formally known as SBE, Inc.) and its wholly-owned subsidiaries after the Merger.

**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
To Be Held On May 30, 2008**

The Annual Meeting of Stockholders of Neonode Inc. will be held on May 30, 2008, at the offices of DavenportMajor Executive Search, located at 12770 High Bluff Drive, Suite 320, San Diego, CA 92130, beginning promptly at 9:00 a.m., local time. The enclosed proxy is solicited by our board of directors. It is anticipated that this proxy statement and the accompanying proxy card will be first mailed to holders of our common stock on or about May 6, 2008.

QUESTIONS AND ANSWERS ABOUT THE PROPOSALS

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card because you own shares of our common stock. This proxy statement describes the issues on which we would like you, as a stockholder, to vote. It also gives you information on these issues so that you can make an informed decision.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 29, 2008 will be entitled to vote at the Annual Meeting. On this record date, there were 25,918,162 shares of our common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 29, 2008 your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 29, 2008 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What is being voted on?

You are being asked to vote on the following proposal:

Proposal 1—To ratify the selection of BDO Feinstein International AB as our independent registered public accounting firm for the fiscal year ending December 31, 2008.

How do I vote?

For Proposal 1 you may vote “For” or “Against” or abstain from voting. The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy using the enclosed proxy card. To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy. If you would like to vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 29, 2008.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will count Proposal 1, "For" and "Against" votes, abstentions and broker non-votes. Abstentions will be counted towards the vote total for Proposal 1, and will have the same effect as "Against" or "Withhold" votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

If your shares are held by your broker as your nominee ("street name"), in order to vote your shares you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your shares may be voted by your broker for routine matters, including Proposals 1 in this proxy statement.

How many votes are needed to approve each proposal?

- To be approved, Proposal No. 1 to ratify BDO Feinstein International AB as independent auditors of the Company for the fiscal year ending December 31, 2008 must receive a "For" vote from the majority of shares present either in person or by proxy and entitled to vote.

If you "Abstain" from voting, it will have the same effect as an "Against" vote. Broker non-votes will have no effect.

What is the quorum requirement?

A quorum is necessary to hold a valid meeting. A quorum will be present if a majority of the outstanding shares of common stock are represented in person or by proxy at the Annual Meeting. On the record date, there were 25,918,162 shares of Neonode common stock outstanding and entitled to vote. Thus, at least 12,959,082 shares must be represented in person or by proxy at the Annual Meeting in order to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the Annual Meeting may adjourn the Annual Meeting to another date.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will voted as the Board of Director recommends.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it means that your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy card with a later date;
- You may send a written notice that you are revoking your proxy to our Secretary at 4000 Executive Parkway, Suite 200, San Ramon, California 94583; or
- You may attend the Annual Meeting and vote in person. However, simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

Does the board of directors recommend approval of the proposals at the Annual Meeting?

Yes. After careful consideration, our board of directors recommends that our stockholders vote FOR the proposal.

What is the deadline for submitting Stockholder proposals for the 2009 Annual Meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by October 1, 2008, to the Secretary of Neonode Inc., 4000 Executive Parkway, Suite 200, San Ramon, California 94583. If you wish to submit a proposal that is not to be included in next year's proxy materials or nominate a director, you must do so by not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting of stockholders (no earlier than January 1, 2009 and no later than January 31, 2009, as currently scheduled); provided, however, that in the event that the date of the annual meeting of stockholders is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year's annual meeting of stockholders, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting of stockholders or the 10th day following the day on which public announcement of the date of such meeting is first made. Stockholders wishing to submit any such proposal are also advised to review Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and the Company's Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

Who can help answer my questions about the proposals?

If you have additional questions about these proposals, you should contact David Brunton, our Secretary and Chief Financial Officer, at (925) 355-7700.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results may be announced at the Annual Meeting. Final voting results will be published in our Quarterly Report on Form 10-Q for the three months ended June 30, 2008.

BOARD OF DIRECTORS

The Board of Directors is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class shall serve for the remainder of the full term of that class, and until the director's successor is elected and qualified. This includes vacancies created by an increase in the number of directors.

The Board currently has four members. There is one director whose term of office expired in 2008. That director resigned effective March 31, 2008 and there Board is currently evaluating suitable candidates for his replacement. The Board anticipates appointing a replacement candidate prior to the end of June 2008. With the exception of John Reardon, all of the directors became directors of the Company on August 10, 2007.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The one nominee receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominee named below.

The following is a brief biography of each director whose term will continue after the annual meeting.

Independence of the Board of Directors

As required under the NASDAQ Stock Market (“NASDAQ”) listing standards, a majority of the members of a listed company’s board of directors must qualify as “independent,” as affirmatively determined by the board of directors. The Board consults with the Company’s counsel to ensure that the Board’s determinations are consistent with all relevant securities laws and regulations regarding the definition of “independent,” including those set forth in the applicable listing standards of NASDAQ.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent registered public accounting firm, the Board affirmatively has determined that all of the Company’s directors, other than Mikael Hagman, are independent directors within the meaning of the applicable NASDAQ listing standards.

Prior to the Merger the following individuals served as directors during the previous fiscal year: Magnus Goertz, Ronald Ritchie, Marion Stuckey, John D’Errico and Kenneth G. Yamamoto. The Board affirmatively determined that all of these past directors, other than Magnus Goertz and Kenneth G. Yamamoto were independent directors within the meaning of the applicable NASDAQ listing standards.

Meetings of the Board of Directors

After the merger, the Board met six times during the Company’s 2007 fiscal year. Each then-serving director attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he served, held during the period for which he was a director or committee member, respectively. In addition, as required under NASDAQ listing standards, the Company’s independent directors met in regularly scheduled executive sessions at which only independent directors are present.

All of the board members attended last year’s annual meeting.

Board Committees

The Board has three committees: an Audit Committee, a Compensation Committee, and a Nominating and Governance Committee. John Reardon and Susan Major constitute the members of each committee. During the Company’s 2007 fiscal year (which ended on December 31, 2007), the Audit Committee met five times, the Compensation Committee met three times and the Nominating and Governance Committee met one time. All then-serving directors attended at least 75% of the meetings of each committee. With the exception of John Reardon, none of the current directors were members of any of the committees prior to August 10, 2008.

Below is a description of each committee of the Board. Each of the committees has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities. The Board has determined that each member of each committee meets the applicable rules and regulations regarding “independence” and that each member is free of any relationship that would interfere with his or her individual exercise of independent judgment with regard to the Company.

Audit Committee.

John Reardon is Chairman of the Audit Committee. The Audit Committee of the Board, which was established in accordance with Section 3(a)(58)(A) of the Exchange Act, oversees the Company’s corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions, including the following:

- evaluates the performance of and assesses the qualifications of the independent registered public accounting firm;

- determines and approves the engagement of the independent registered public accounting firm;
- determines whether to retain or terminate the existing independent registered public accounting firm or to appoint and engage a new independent registered public accounting firm;

6

- reviews and approves the retention of the independent registered public accounting firm to perform any proposed permissible non-audit services;
- monitors the rotation of partners of the independent registered public accounting firm on the Company's audit engagement team as required by law;
- confers with management and the independent registered public accounting firm regarding the effectiveness of internal controls over financial reporting;
- establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters;
 - reviews the financial statements to be included in the Company's Annual Report on Form 10-K; and
- discusses with management and the independent registered public accounting firm the results of the annual audit and the results of the Company's quarterly financial statements.

The Board has adopted a written Audit Committee Charter that is available on the Company's website at http://www.neonode.com/Documents/investor/audit_committee_charter.pdf.

The Board annually reviews the NASDAQ listing standards definition of independence for Audit Committee members and has determined that all members of the Company's Audit Committee are independent, as defined in Rule 4350(d)(2)(A)(i) and (ii) of the NASDAQ listing standards. All members of the Audit Committee meet NASDAQ's audit committee financial sophistication requirements. The Company does not have an "audit committee financial expert" as defined in the rules of the Securities and Exchange Commission serving on the Audit Committee because the Board believes that the background and financial sophistication of its members are sufficient to fulfill the duties of the Audit Committee.

Compensation Committee.

Susan Major is Chairman of the Compensation Committee. The Compensation Committee of the Board reviews and approves the overall compensation strategy and policies for the Company. The Compensation Committee duties include the following:

- reviews and approves corporate performance goals and objectives relevant to the compensation of the Company's executive officers and other senior management;
- reviews and approves the compensation and other terms of employment of the Company's Chief Executive Officer;
 - reviews and approves the compensation and other terms of employment of the other executive officers; and
- administers and reviews the Company's stock option and purchase plans, pension and profit sharing plans, stock bonus plans, deferred compensation plans and other similar programs.

The Committee has the authority to obtain advice or assistance from consultants, legal counsel, accounting or other advisors as appropriate to perform its duties, and to determine the terms, costs and fees for such engagements. All members of the Company's Compensation Committee are independent as defined in Rule 4200(a)(15) of the NASDAQ listing standards. The Board has adopted a written Compensation Committee Charter that is available on the Company's website at http://www.neonode.com/Documents/investor/compensation_committee_charter.pdf.

The Compensation Committee conducts an annual performance and compensation review for each of our executive officers and determines salary adjustments and bonus and equity awards at one or more meetings generally held during the last quarter of the year. In addition, the Compensation Committee considers matters related to individual compensation, such as compensation for new executive hires, as well as various compensation policy issues throughout the year. For executives other than the Chief Executive Officer, the Compensation Committee receives and considers performance evaluations and compensation recommendations submitted to the Committee by the Chief Executive Officer. In the case of the Chief Executive Officer, the evaluation of his performance is conducted by the Compensation Committee, which determines any adjustments to his compensation as well as awards to be granted. The agenda for meetings of the Compensation Committee is usually determined by its Chairman with the assistance of the Company's Chief Executive Officer and Chief Financial Officer. Compensation Committee meetings are regularly attended by the Chief Executive and Chief Financial Officer.

7

The Committee approves routine on-hire option grants to employees of the Company, subject to specific limitations. For these grants, the exercise price must be equal to the closing price on the NASDAQ Capital Market of the Company's Common Stock on the trading on the date of grant. The Company engaged Watson Wyatt, a compensation consultant to provide advice and a recommendation to the Compensation Committee regarding the compensation and employment agreement for our chief executive officer.

Nominating and Governance Committee.

John Reardon is Chairman of the Nominating and Governance Committee. The Nominating and Governance Committee of the Board is responsible for identifying, reviewing and evaluating candidates to serve as directors of the Company, consistent with criteria approved by the Board. The Nominating and Governance duties include the following:

- reviewing and evaluating incumbent directors;
- recommending candidates to the Board for election to the Board; and
- making recommendations to the Board regarding the membership of the committees of the Board.

All members of the Nominating and Governance Committee are independent as defined in Rule 4200(a)(15) of the NASDAQ listing standards. The Board has adopted a written Nominating and Governance Committee Charter that is available on the Company's website at

http://www.neonode.com/Documents/investor/nominating_and_governance_committee_charter.pdf.

The Nominating and Governance Committee believes that candidates for director should have certain minimum qualifications, including being able to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the committee considers diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability.

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Governance Committee reviews such directors' overall service to the Company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence.

In the case of new director candidates, the Nominating and Governance Committee also determines whether the nominee must be independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote. To date, the

Nominating and Governance Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates. To date, the Nominating and Governance Committee has not received any director nominations from stockholders of the Company.

The Nominating and Governance Committee will consider director candidates recommended by stockholders. The Nominating and Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether the candidate was recommended by a stockholder or not. Stockholders who wish to recommend individuals for consideration by the Nominating and Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Governance Committee at the following address: Neonode Inc., 4000 Executive Parkway, Suite 200, San Ramon, California 94583, at least six months prior to any meeting at which directors are to be elected. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record owner of the Company's stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.
