# **Cautionary Note Regarding Forward-Looking Statements**

This report includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, regarding future operating performance, events, trends and plans. All statements other than statements of historical fact contained herein, including, without limitation, statements regarding the our future financial position, business strategy, budgets, projected revenues and costs, and plans and objectives of management for future operations, are forward-looking statements. Forward-looking statements generally can be identified by the use of forward-looking terminology such as "may," "will," "expects," "intends," "projects," "estimates," "anticipates," or "believes" or the negative thereof or a thereon or similar terminology or expressions. We have based these forward-looking statements on our current expectations and projections about future events. These forward-looking statements are not guarantees and are subject to known and unknown risks, uncertainties and assumptions about us that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by such forward-looking statements. For the purposes of such forward-looking statements, we have assumed, among other things, that we will be able to maintain the future operations of Adcom Express, Inc., a newly acquired subsidiary, in a manner consistent with its past practices, our ability over time to integrate the operations of Adcom with our existing operations, as well as our ability to realize expected financial and operational cost and revenue synergies through such integration. Important factors that could cause our actual results to differ from our expectations, include but are not limited to, any discrepancies between the unaudited results of operations of Adcom provided to us in the acquisition process, upon which we have relied, and future audited results of operations for the same period, our reliance on the acquired Adcom management team, the effect that the acquisition will have on Adcom's existing customers, agents and employees, any material adverse change in the composition of the Adcom customers or agency locations, as well as those risk factors disclosed in Item 1A of our Report on Form 10-K for the year ended June 30, 2007 (as such factors apply to us and can be applied to Adcom) and other filings with the Securities and Exchange Commission and other public documents and press releases which can be found on our web-site (www.radiant-logistics.com). Readers are cautioned not to place undue reliance on our forward-looking statements, as they speak only as of the date made. Such statements are not guarantees of future performance or events and we undertake no obligation to disclose any revision to these forward-looking statements to reflect events or circumstances occurring after the date hereof.

#### **Section 1 – Registrant's Business and Operations**

#### Item 1.01 Entry into a Definitive Agreement

On September 5, 2008, Radiant Logistics, Inc. (the "Company", "we" or "us") concurrently entered into and closed upon a Stock Purchase Agreement (the "Agreement") pursuant to which we acquired all of the issued and outstanding stock of Adcom Express, Inc., a privately held Minnesota corporation. For financial accounting purposes, the transaction was deemed to be effective as of September 1, 2008. The stock was acquired from Robert F. Friedman, the sole shareholder of Adcom. The stock was acquired in an arm's-length transaction with no material relationship existing between us or any of our executive officers or directors on the one hand, and the selling stockholder on the other, prior to the transaction. The total value of the transaction was \$11,050,000, consisting of: (i) \$4,750,000.00 in cash paid at the closing; (ii) \$250,000 in cash payable shortly after the closing, subject to adjustment, based upon the working capital of Adcom as of August 31, 2008; (iii) up to \$2,800,000 in four "Tier-1 Earn-Out Payments" of up to \$700,000 each, covering the four year earn-out period through 2012, based upon Adcom achieving certain levels of "Gross Profit Contribution" (as defined in the Agreement), payable 50% in cash and 50% in shares of our common stock (valued at delivery date); (iv) a "Tier-2 Earn-Out Payment" of up to a maximum of \$2,000,000, equal to 20% of the amount by which the Adcom cumulative Gross Profit Contribution exceeds \$16,580,000 during the four year earn-out period; and (v) an "Integration Payment" of \$1,250,000 payable on the earlier of the date certain integration targets are achieved or 18 months after the closing, payable 50% in cash and 50% in our shares of our common stock (valued at delivery date). The Integration Payment, the Tier-1 Earn-Out Payments and certain amounts of the Tier-2 Payments may be

subject to acceleration upon occurrence of a "Corporate Transaction" (as defined in the Agreement), which includes a future sale of Adcom or Radiant, or certain changes in corporate control. The cash component of the transaction was financed through a combination of our existing funds and the proceeds from a revolving credit facility provided by Bank of America, N.A.

Founded in 1978, Adcom provides a full range of domestic and international freight forwarding solutions to a diversified account base including manufacturers, distributors and retailers through a combination of three company-owned and twenty-seven independent agency locations across North America.

The foregoing information is intended as a summary of the reported transaction and is qualified in its entirety by reference to the complete text of the Stock Purchase Agreement which is filed as Exhibit 2.1 to this Report and the other Exhibits to this Report .

#### **Section 2 – Financial Information**

## Item 2.01 Completion of Acquisition or Disposition of Assets.

The information provided in Item 1.01 of this Report is incorporated herein by reference.

# Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of Registration.

In connection with the acquisition of Adcom, we have entered into a third amendment to our secured credit facility with Bank of America, N.A. (the "Facility"). As amended, and including availability for Company letters of credit, the Facility has been increased from \$10 million to \$15 million. The Facility is collateralized by our accounts receivable and other assets of the Company and our subsidiaries. Advances under the Facility are available to fund future acquisitions, capital expenditures or for other corporate purposes. The Facility provides for advances of up to 80% of our eligible accounts receivable.

The foregoing information is intended as a summary of the reported transaction and is qualified in its entirety by reference to the complete text of the Third Amendment to Loan Documents dated as of September 2, 2008, by and among Bank of America, N.A. and Radiant Logistics, Inc., Airgroup Corporation, Radiant Logistics Global Services, Inc., and Radiant Logistics Partners, LLC, and Adcom Express, Inc. which is filed as Exhibit 10.2 to this Report.

## Section 8 – Other Events

#### Item 8.01 Other Events.

In connection with the completion of the transaction, as described in Item 1.01, the Company appointed Robert F. Friedman, as President, of Adcom Express, Inc. Mr. Friedman serves as the President of Adcom Express, Inc., a company he started in September of 1978. Over the past 30 years, Mr. Friedman has overseen the evolution of the company from a provider of small package courier services to a full-service third party logistics company that derives over 50% of its revenues from international transportation services. Mr. Friedman has served as a Board Member of the XLA Express Delivery and Logistics Association for the past 10 years and is a 15-year member of the Airforwarders Association. He received a Bachelor of Arts degree from the University of Minnesota.

The foregoing information is intended as a summary of the reported transaction and is qualified in its entirety by reference to the complete text of the Executive Employment Agreement between Adcom Express, Inc., and Robert F. Friedman which is filed as Exhibit 10.1 to this Report.

#### INDEPENDENT AUDITORS' REPORT

Stockholder and Board of Directors Adcom Express and Subsidiaries Edina, Minnesota

We have audited the accompanying consolidated balance sheets of Adcom Express and Subsidiaries as of September 30, 2007 and 2006, and the related consolidated statements of operations, stockholder's equity and cash flows for the years then ended. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Adcom Express and Subsidiaries as of September 30, 2007 and 2006, and the results of their operations and their cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

### **NOTE 1 - Nature of Operations and Summary of Significant Accounting Policies**

#### Nature of Operations

Adcom Express, Inc. ("Adcom") was incorporated in Minnesota in September 1978. Adcom performs various services for thirty Adcom Express stations located in major U.S. cities. Adcom Express is the service mark owned by Adcom Express, Inc. and its use has been granted to stations which provide freight forwarding services. The services provided by Adcom consist of education/training, marketing assistance, significant carrier relationships, logistical support, billing and collection of customer accounts receivable, technology and system management, central processing services, and full service accounting services.

### Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Adcom Express, Inc., BFW Logistics, Inc., FNA Corporation, Adcom Express of Colorado, Inc., TR & MM, Inc., Adcom Worldwide (Canada) ULC (together, the "Company") and is in compliance with FIN No. 46 - Consolidation of Variable Interest Entities (VIE), an Interpretation of ARB No. 51, issued by the Financial Accounting Standards Board (FASB) in January 2003. The interpretation requires variable interest entities to be consolidated by their primary beneficiary when certain circumstances exist. The primary beneficiary is the entity that holds the majority of the beneficial interests in the variable interest entity. A VIE is a legal entity used for business purposes that either does not have equity investors with voting rights or has equity investors that do not provide sufficient financial resources for the entity to support its activities. At September 30, 2007 and 2006 Adcom Express, Inc. was the primary beneficiary of BFW Logistics, Inc., FNA Corporation, Adcom Express of Colorado, Inc., TR & MM, Inc., and Adcom Worldwide (Canada) ULC, requiring consolidation of the companies. All significant intercompany accounts and transactions have been eliminated in consolidation.

#### Cash

The Company maintains its cash in high quality financial institutions. The balances, at times, may exceed federally insured limits.

## Revenue Recognition and Accounts Receivable

The Company records revenue and the related account receivable when a station originates a shipment for a customer. At the same time, it records the cost of revenue and the related account payable (to carriers, couriers, and stations participating in the shipment). The Company charges unpaid customer receivables back to the originating station if the account is unpaid after 90 days. After a period of 18 months for land transportation vendors and six years for air transportation vendors, the Company writes off accounts payable to other revenue in the event an estimated invoice for the recorded account payable has not been received from the vendor prior to the respective expiration period.

See accompanying notes to consolidated financial statements.

### ADCOM EXPRESS, INC. AND SUBSIDIARIES

Accounts receivable are stated at the amount billed to customers. The Company provides an allowance for doubtful accounts, which is based upon a review of outstanding receivables, historical collection information and existing economic conditions. The allowance is provided for accounts with a significant pattern of uncollectibility based on historical experience and management's evaluation of accounts receivable. The Company writes-off accounts receivable when they become uncollectible, and payments subsequently received on such receivables are credited to the allowance for doubtful accounts. The Company does not accrue interest on past due receivables. The allowance for doubtful accounts at September 30, 2007 and 2006 was \$150,000 and \$60,000, respectively.

### Available-for-sale securities

Securities held as available-for-sale are stated at market value. Adjustments to market value are recorded as a separate component of equity. Realized gains and losses upon disposition are determined using the specific identification method. Market value approximates cost at both September 30, 2007 and 2006.

## Property and Equipment

Property and equipment is recorded at cost. Improvements are capitalized while repair and maintenance costs are charged to operations when incurred. Furniture, fixtures and equipment are depreciated using straight-line methods over their estimated useful lives of five to seven years. Leasehold improvements are amortized using the straight-line method over the shorter of their estimated lives or the lease term.

### Intangibles

Customer lists are being amortized using the straight-line method over 15 years.

## Income taxes

The Company and its subsidiaries file separate federal and state tax returns.

### **Advertising Costs**

Advertising costs are charged to expense as incurred. Advertising expense was \$10,467 and \$17,588 for the years ended September 30, 2007 and 2006, respectively.

#### Management's Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

See accompanying notes to consolidated financial statements.

## Recently Issued Accounting Standards

In July 2006, the Financial Accounting Standards Board (FASB) issued FASB Interpretation (FIN) No. 48, Accounting for Uncertainty in Income Taxes — an interpretation of FASB Statement No. 109. FIN 48 prescribes a comprehensive model for recognizing, measuring, presenting and disclosing in the financial statements tax positions taken or expected to be taken on a tax return, including a decision whether to file or not to file in a particular jurisdiction. FIN 48 is effective for fiscal years beginning after December 15, 2007. If there are changes in net assets as a result of application of FIN 48, these will be accounted for as an adjustment to retained earnings. The Company is currently assessing the impact of FIN 48 on its financial position and results of operations.

In September 2006, the FASB issued Statement of Financial Accounting Standards (SFAS) No. 157, Fair Value Measurements. SFAS No. 157 establishes a common definition for fair value to be applied to U.S. GAAP guidance requiring use of fair value, establishes a framework for measuring fair value, and expands disclosure about such fair value measurements. SFAS No. 157 is effective for fiscal years beginning after November 15, 2007. The Company is currently assessing the impact of SFAS No. 157 on its financial position and results of operations.

These advances are unsecured, accrue interest at 3.00% and are due on demand. Interest income on these advances was \$15,422 and \$20,741 for the years ended September 30, 2007 and 2006, respectively.

See accompanying notes to consolidated financial statements.

# **NOTE 11 - Subsequent Event**

The Company entered into an extension agreement with a station in January 2008 that expires in five years. In consideration for the extension, the Company paid \$150,000 in January 2008, approximately \$40,000 in June 2008, with the balance of \$110,000 due in October 2008. The total fixed fee of \$300,000 is being amortized on a straight-line basis over the five-year term of the agreement. In addition, the Company is required to pay a portion of the domestic profits as defined in the agreement for the next three years. The additional payment for the first four months was approximately \$35,000. The additional payments will be added to the prepaid station deposit and amortized over the remaining term of the agreement.

See accompanying notes to consolidated financial statements.

### NOTE 1 - Nature of Operations and Summary of Significant Accounting Policies

## Basis of Presentation

The accompanying unaudited financial statements of Adcom Express, Inc. and Subsidiaries (the Company) have been prepared in accordance with generally accepted accounting principles for interim financial information. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all normal, recurring adjustments considered necessary for a fair presentation have been included. The financial statements should be read in conjunction with the audited financial statements for the fiscal year ended September 30, 2007. Interim results of operations are not necessarily indicative of the results to be expected for the full year or any other interim periods.

## Nature of Operations

Adcom Express, Inc. ("Adcom") was incorporated in Minnesota in September 1978. Adcom performs various services for thirty Adcom Express stations located in major U.S. cities. Adcom Express is the service mark owned by Adcom Express, Inc. and its use has been granted to stations which provide freight forwarding services. The services provided by Adcom consist of education/training, marketing assistance, significant carrier relationships, logistical support, billing and collection of customer accounts receivable, technology and system management, central processing services, and full service accounting services.

## Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Adcom Express, Inc., BFW Logistics, Inc., FNA Corporation, Adcom Express of Colorado, Inc., TR & MM, Inc., Adcom Worldwide (Canada) ULC (together, the "Company") and is in compliance with FIN No. 46 - Consolidation of Variable Interest Entities (VIE), an Interpretation of ARB No. 51, issued by the Financial Accounting Standards Board (FASB) in January 2003. The interpretation requires variable interest entities to be consolidated by their primary beneficiary when certain circumstances exist. The primary beneficiary is the entity that holds the majority of the beneficial interests in the variable interest entity. A VIE is a legal entity used for business purposes that either does not have equity investors with voting rights or has equity investors that do not provide sufficient financial resources for the entity to support its activities. At June 30, 2008 and September 30, June 30, 2008 and 2007 Adcom Express, Inc. was the primary beneficiary of BFW Logistics, Inc., FNA Corporation, Adcom Express of Colorado, Inc., TR & MM, Inc., and Adcom Worldwide (Canada) ULC, requiring consolidation of the companies. All significant intercompany accounts and transactions have been eliminated in consolidation.

### Cash

The Company maintains its cash in high quality financial institutions. The balances, at times, may exceed federally insured limits.

## Revenue Recognition and Accounts Receivable

The Company records revenue and the related account receivable when a station originates a shipment for a customer. At the same time, it records the cost of revenue and the related account payable (to carriers, couriers, and stations participating in the shipment). The Company charges unpaid customer receivables back to the originating station if the account is unpaid after 90 days. After a period of 18 months for land transportation vendors and six years for air transportation vendors, the Company writes off accounts payable to other revenue in the event an estimated invoice for the recorded account payable has not been received from the vendor prior to the respective expiration period.

Accounts receivable are stated at the amount billed to customers. The Company provides an allowance for doubtful accounts, which is based upon a review of outstanding receivables, historical collection information and existing economic conditions. The allowance is provided for accounts with a significant pattern of uncollectibility based on historical experience and management's evaluation of accounts receivable. The Company writes-off accounts receivable when they become uncollectible, and payments subsequently received on such receivables are credited to the allowance for doubtful accounts. The Company does not accrue interest on past due receivables. The allowance for doubtful accounts at both June 30, 2008 and September 30, 2007 was \$150,000.

### **Property and Equipment**

Property and equipment is recorded at cost. Improvements are capitalized while repair and maintenance costs are charged to operations when incurred. Furniture, fixtures and equipment are depreciated using straight-line methods over their estimated useful lives of five to seven years. Leasehold improvements are amortized using the straight-line method over the shorter of their estimated lives or the lease term.

## Intangibles

Customer lists are being amortized using the straight-line method over 15 years.

## **Advertising Costs**

Advertising costs are charged to expense as incurred. Advertising expense was \$10,336 and \$10,467 for the nine months ended June 30, 2008 and 2007, respectively.

#### Management's Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recently Issued Accounting Standards

In July 2006, the Financial Accounting Standards Board (FASB) issued FASB Interpretation (FIN) No. 48, Accounting for Uncertainty in Income Taxes — an interpretation of FASB Statement No. 109. FIN 48 prescribes a comprehensive model for recognizing, measuring, presenting and disclosing in the financial statements tax positions taken or expected to be taken on a tax return, including a decision whether to file or not to file in a particular jurisdiction. FIN 48 is effective for fiscal years beginning after December 15, 2007. If there are changes in net assets as a result of application of FIN 48, these will be accounted for as an adjustment to retained earnings. The Company is currently assessing the impact of FIN 48 on its financial position and results of operations.

During September 2006, the FASB issued Statement of Financial Accounting Standards (SFAS) No. 157, "Fair Value Measurements" ("SFAS 157"). This statement defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles, and expands disclosures about fair value measurements. SFAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007, however, during December 2007, the FASB proposed FASB Staff Position SFAS 157-2 deferred the effective date of certain provisions of SFAS 157 until fiscal years beginning after November 15, 2008. The Company does not believe that the adoption of SFAS 157 will have a material effect on its results of operations or financial position.

In February 2007, the FASB issued SFAS No. 159, "The Fair Value Option for Financial Assets and Financial Liabilities-Including an Amendment of FASB Statement No 115." SFAS No. 159 permits an entity to choose to measure many financial instruments and certain other items at fair value. Most of the provisions of SFAS No. 159 are elective; however, the amendment of SFAS No. 115, "Accounting for Certain Investments in Debt and Equity Securities," applies to all entities with available-for-sale or trading securities. For financial instruments elected to be accounted for at fair value, an entity will report the unrealized gains and losses in earnings. SFAS No. 159 is effective for fiscal years beginning after November 15, 2007. The Company does not believe that the adoption of SFAS No. 159 will have a material effect on its results of operations or financial position.

During December 2007, the FASB issued SFAS No. 141 (Revised 2007), "Business Combinations" ("SFAS 141 (Revised 2007)"). While this statement retains the fundamental requirement of SFAS 141 that the acquisition method of accounting (which SFAS 141 called the purchase method) be used for all business combinations, SFAS 141 (Revised 2007) now establishes the principles and requirements for how an acquirer in a business combination: recognizes and measures in its financial statements the identifiable assets acquired, the liabilities assumed, and any noncontrolling interests in the acquiree; recognizes and measures the goodwill acquired in the business combination or the gain from a bargain purchase; and determines what information should be disclosed in the financial statements to enable the users of the financial statements to evaluate the nature and financial effects of the business combination. SFAS 141R is effective for fiscal years beginning on or after December 15, 2008. The Company does not believe that the adoption of SFAS 141R will have a material effect on its results of operations or financial position.

### NOTE 1 - Nature of Operations and Summary of Significant Accounting Policies (cont.)

During December 2007, the FASB issued SFAS No. 160, "Noncontrolling Interests in Consolidated Financial Statements, an Amendment of ARB No. 51" ("SFAS 160"). This statement establishes accounting and reporting standards for noncontrolling interests in subsidiaries and for the deconsolidation of subsidiaries and clarifies that a noncontrolling interest in a subsidiary is an ownership interest in the consolidated entity that should be reported as equity in the consolidated financial statements. This statement also requires expanded disclosures that clearly identify and distinguish between the interests of the parent owners and the interests of the noncontrolling owners of a subsidiary. SFAS 160 is effective for fiscal years beginning on or after December 15, 2008. The Company does not believe that the adoption of SFAS 160 will have a material effect on its results of operations or financial position.

During March 2008, the FASB issued SFAS No. 161, "Disclosures about Derivatives Instruments and Hedging Activities, an Amendment of FASB Statement No. 133" ("SFAS 161"). This Statement changes the disclosure requirements for derivative instruments and hedging activities. Entities are required to provide enhanced disclosures about (a) how and why an entity uses derivative instruments, (b) how derivative instruments and related hedged items are accounted for under Statement 133 and its related interpretations, and (c) how derivative instruments and related hedged items affect an entity's financial position, financial performance, and cash flows. The Company does not believe that the adoption of SFAS 161 will have a material effect on its results of operations or financial position.

In May 2008, the FASB issued SFAS No. 163, "Accounting for Financial Guarantee Insurance Contracts – An interpretation of FASB Statement No. 60". SFAS 163 requires that an insurance enterprise recognize a claim liability prior to an event of default when there is evidence that credit deterioration has occurred in an insured financial obligation. It also clarifies how Statement 60 applies to financial guarantee insurance contracts, including the recognition and measurement to be used to account for premium revenue and claim liabilities, and requires expanded disclosures about financial guarantee insurance contracts. It is effective for financial statements issued for fiscal years beginning after December 15, 2008, except for some disclosures about the insurance enterprise's risk-management activities. SFAS 163 requires that disclosures about the risk-management activities of the insurance enterprise be effective for the first period beginning after issuance. Except for those disclosures, earlier application is not permitted. The Company does not believe that the adoption of this statement will have a material effect on the Company's financial statements.

#### **NOTE 4 - Lines of Credit**

The Company has a revolving line of credit that matures December 31, 2009. Maximum borrowings on the line of credit are \$2,000,000, subject to borrowing base limitations. Outstanding borrowings were \$1,304,305 and \$919,137 at June 30, 2008 and September 30, 2007, respectively. The note bears interest at the prime rate plus 3.75% (7.75% and 8.25% at June 30, 2008 and 2007, respectively). The line is secured by substantially all assets of the Company and is subject to various financial covenants of which the Company complied with as of June 30, 2008 and 2007.

#### **NOTE 5 - Income Taxes**

Adcom Express, Inc., FNA Corporation, BFW Logistics, Inc., and Adcom Worldwide (Canada) ULC have elected under federal and state income tax statutes to be treated as an S corporation.
