This Form 8-K and other reports filed by Document Capture Technologies, Inc., a Delaware corporation (the “Registrant”) from time to time with the Securities and Exchange Commission (collectively the “Filings”) contain or may contain forward-looking statements and information based upon the beliefs of, and currently available to, the Registrant’s management as well as estimates and assumptions made by the Registrant’s management. When used in the Filings the words “anticipate”, “believe”, “estimate”, “expect”, “future”, “intend”, “plan” or the negative of these terms and similar expressions and variations thereof as they relate to the Registrant or the Registrant’s management identify forward-looking statements. Such statements reflect the current view of the Registrant with respect to future events and are subject to risks, uncertainties, assumptions and other risk factors relating to the Registrant’s industry, the Registrant’s operations and results of operations and any businesses that may be acquired by the Registrant. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

Although the Registrant believes that the expectations reflected in the forward-looking statements contained in the Registrant’s Filings are reasonable, the Registrant cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, the Registrant does not intend to update any of the forward-looking statements contained herein to conform these statements to actual results.

Section 2 - Financial Information

Item 2.02 Results of Operations and Financial Condition.

On March 31, 2009, Document Capture Technologies, Inc. announced its preliminary financial results for the fourth quarter ended December 31, 2008 and the full year ended December 31, 2008. The press release, which is attached hereto as Exhibit 99.1 and incorporated herein by reference, discloses certain financial measures that may be considered non-GAAP financial measures. Generally, a non-GAAP financial measure is a numerical measure of a company’s performance, financial position, or cash flows that either excludes or includes amounts that are not normally excluded or included in the most directly comparable measure calculated and presented in accordance with generally accepted accounting principles in the United States. These non-GAAP measures should be considered in addition to, not as a substitute for, or superior to net income and net cash provided by operating activities, or other financial measures prepared in accordance with GAAP.

The information in this report shall not be treated as “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933 or the Securities Exchange Act of 1934, except as expressly stated by specific reference in such filing.

Section 7 - Regulation FD

Item 7.01 Regulation FD Disclosure.

See Item 2.02 above.

Section 9 – Financial Statements and Exhibits
