### HIGHWAY HOLDING ENGAGES NEW AUDITOR

HONG KONG – December 21, 2009 -- Highway Holdings Limited (Nasdaq:HIHO) today announced it has engaged AGCA, Inc. as the company's auditing firm, succeeding Deloitte Touche Tohmatsu, Hong Kong.

"The selection of AGCA was based on an extensive search of accounting firms dedicated to providing high-quality services at a cost-effective price. This change complements our ongoing strategic focus on reducing expenses and increasing efficiency throughout our organization," said Roland Kohl, president and chief executive officer of Highway Holdings.

AGCA, Inc. is based in Arcadia, California with affiliated offices in Hong Kong and Beijing, China. It is a member firm of Alliot Group – a worldwide alliance of independent accounting firms.

This decision was adopted by the audit committee and ratified by the board of directors of the company. Prior to the engagement of AGCA, Inc., the company did not consult with AGCA, Inc. regarding the application of accounting principles to a specific, completed or contemplated transaction, or the type of audit opinion that might be rendered on the company's financial statements.

During the company's two most recent fiscal years and through March 31, 2009, the company had no disagreements with Deloitte Touche Tohmatsu, whether or not resolved, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Deloitte Touche Tohmatsu, would have caused it to make reference to the subject matter of the disagreement in connection with its report. No report of Deloitte Touche Tohmatsu on the financial statements of the company for either of the past two years contained an adverse opinion or disclaimer of opinion or was modified as to audit scope or accounting principles.

#### About Highway Holdings

Highway Holdings produces a wide variety of high-quality products for blue chip original equipment manufacturers -- from simple parts and components to sub-assemblies. It also manufactures finished products, such as light fixtures, LED lights, radio chimes and other electronic products. Highway Holdings operates three manufacturing facilities in the People's Republic of China.
