Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On June 24, 2010, Interleukin Genetics, Inc. (the “Company”) received a notice from NYSE Amex LLC (the “Exchange”) notifying the Company that it had failed to regain compliance with Section 1003(a)(iii) of the Exchange’s Company Guide due to stockholders’ equity of less than \$6,000,000 and losses from continuing operations and/or net losses in its five most recent fiscal years.

The notice indicates that unless the Company requests a hearing before a Listings Qualifications Panel, its common stock will be delisted. The Company intends to request such a hearing, which will defer any delisting action until the panel renders a decision following the hearing. The Company’s common stock will continue to trade on the NYSE Amex in the interim. There can be no assurance that following the hearing the panel will grant the Company’s request for continued listing.

On June 25, 2010, the Company issued a press release to report the receipt of the notice from the Exchange. A copy of that press release is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference.
