PROXY STATEMENT

This proxy statement is being furnished to our stockholders beginning on or about April 29, 2011, in connection with the solicitation of proxies by the Board of Directors (the "Board") of America's Suppliers, Inc., a Delaware corporation ("America's Suppliers" or the "Company"), to be used at our Annual Meeting of Stockholders (the "Annual Meeting"), to be held at 9:00 a.m. (Pacific Daylight Time) on Friday, June 10, 2011 at our principal office at 7575 E. Redfield Road, Suite 201, Scottsdale, Arizona 85260, and at all adjournments or postponements of the Annual Meeting for the purposes listed in the preceding Notice of Annual Meeting of Stockholders.

QUESTIONS AND ANSWERS ABOUT THE MEETING

What am I voting on?

Proposal 1: To elect five directors, each for a term expiring at the Company's 2012 Annual Meeting of Stockholders; and

Proposal 2: To ratify the selection of MaloneBailey, LLP as our independent registered public accounting firm for the Company's fiscal year ending December 31, 2011.

We are not aware of any other matters that will be voted on. If a matter does properly come before the Annual Meeting, the persons named as the proxy in the accompanying form of proxy will vote the proxy at their discretion.

What is the Board's voting recommendation?

The Board recommends a vote:

FOR each of the five nominated directors; and

FOR the ratification of MaloneBailey, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

What is the vote required for each proposal?

Proposal 1: The election of the five nominated directors requires the affirmative vote of the plurality of votes cast by the holders of our common stock present, or represented, at the Annual Meeting, assuming a quorum is present; and

Proposal 2: The ratification of MaloneBailey, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011, requires the affirmative vote of a majority of the votes cast with respect to the proposal, assuming a quorum is present at the Annual Meeting.

What constitutes a quorum?

In order to conduct our Annual Meeting, the presence in person or by proxy of holders of one-third of the shares entitled to vote at the Annual Meeting will be necessary. This is known as a “quorum.” Abstentions and shares held in “street name” by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, referred to as broker non-votes, will count for purposes of establishing a quorum.

Who may vote at the Annual Meeting?

The record holders of our common stock as of the close of business on April 15, 2011 (the "Record Date") are entitled to receive notice of, to attend, and to vote at the Annual Meeting or any adjournments thereof. Each outstanding share of our common stock is entitled to one vote upon each matter presented. As of the Record Date, there were 13,075,348 shares of the Company's common stock issued and outstanding (excluding 1,180,509 of issued but unvested shares, which are not entitled to voting rights) held by 126 holders of record. A list of stockholders of record entitled to vote will be available for inspection by any record stockholder at our corporate headquarters at 7575 E. Redfield Road, Suite 201, Scottsdale, Arizona 85260 prior to and at our Annual Meeting.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Stockholder of Record. If your shares are registered directly in your name with the Company's transfer agent, The Bank of New York Mellon ("BONY"), you are considered the stockholder of record with respect to those shares, and this Notice and Proxy Statement was sent directly to you by BONY and you received a proxy card.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the beneficial owner of shares held in "street name," and the Notice and Proxy Statement was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. This Notice was sent to you by your brokerage firm, bank, broker-dealer, or other similar organization and you received the voting instruction form of that brokerage firm, bank, broker-dealer, or other similar organization.

How do I vote?

There are three ways to vote:

1. By completing and mailing the enclosed proxy card (applicable only to stockholders of record);
2. By following the instructions on the voting instruction form you received from your brokerage firm, bank, broker-dealer, or other similar organization (applicable only to beneficial holders); or
3. By attending our Annual Meeting in person and submitting a written ballot.

If you are a beneficial owner and your broker holds your shares in its name, the broker is permitted to vote your shares on the proposal to ratify MaloneBailey, LLP as the Company's independent auditor even if the broker does not receive voting instructions from you.

If your shares are held in the name of a broker, bank or other holder of record, you are not entitled to attend our Annual Meeting or vote in person at our Annual Meeting unless you obtain a legal proxy from the broker, bank, trustee, or nominee that holds your shares giving you the right to vote the shares.

What does it mean if I get more than one proxy?

It means your shares are held in more than one account. Please vote all proxies to ensure all your shares are counted.

Can I change my vote or revoke my proxy?

You can change your vote or revoke your proxy at any time prior to the Annual Meeting, by:

2

- returning a later-dated proxy card;
- voting in person at our Annual Meeting; or
- notifying our Secretary by written revocation letter.

Any revocation should be filed at our corporate headquarters at 7575 E. Redfield Road, Suite 201, Scottsdale, Arizona 85260.

Attendance at our Annual Meeting will not in itself constitute revocation of a proxy. All shares entitled to vote and represented by properly completed proxies timely received and not revoked will be voted as you direct. If no direction is given, the proxies will be voted as the Board recommends.

Who conducts the proxy solicitation?

The Board is soliciting these proxies. We will bear the cost of the solicitation of proxies. Our regular employees may solicit proxies by mail, by telephone, personally or by other communications, without compensation apart from their normal salaries.

Who will count the votes?

The Board will appoint one or more persons to serve as the inspector(s) of elections to tabulate the votes cast by proxy or in person at the Annual Meeting. The inspector(s) of elections will also determine whether or not a quorum is present.

Do I have any appraisal rights in connection with any matter to be acted upon?

No. Our stockholders do not have appraisal rights in connection with any matter to be acted upon.

Who can help answer my questions?

If you have any questions about the Annual Meeting or the proposals to be voted on at the Annual Meeting, or if you need additional copies of this proxy statement or copies of any of our public filings referred to in this proxy statement, you should contact Michael Moore, the Company's Chief Financial Officer, at (877) 837-9569. A copy of this proxy statement and our annual report for the year ending December 31, 2010 may be obtained online at www.americassuppliers.com. Our public filings can also be accessed at the website of the Securities and Exchange Commission (the "SEC") at www.sec.gov.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board recommends that you vote “FOR” each of the director nominees.

BOARD INFORMATION AND DIRECTOR NOMINATION PROCESS

Number of Board Meetings During Fiscal 2010

The Board met four times during fiscal 2010, either telephonically or in person. None of our directors attended fewer than 75% of the meetings of the Board held during the director’s service or of any committee on which the director served during fiscal 2010. A total of one member of the Board attended the 2010 Annual Meeting. Two directors are expected to attend the Annual Meeting.

Director Independence

Although the Company's securities are listed on the Over-the-Counter Bulletin Board and we are therefore not required to have a majority of independent directors, we apply the NYSE AMEX standard for independent directors to determine which, if any, of our directors are independent pursuant to such definition. The NYSE AMEX defines an independent director generally as a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship, which, in the opinion of the Board would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director.

The Board has determined that Messrs. Baker, Pino, Gomes and Best are independent directors as defined under the Section 803(A) of the NYSE AMEX LLC Company Guide.

The Board has appointed members to two standing committees – the Audit Committee and the Compensation Committee. The members of the committees are identified in the following table.

Director	Audit	Compensation
Christopher Baker		Chair
Marc Joseph		
Vincent Pino	Chair	X
Justiniano Gomes	X	X
Eric Best		X

Board Leadership Structure

Our Company is led by Mr. Baker, who has served as Chairman of the Board since 2010. We believe that having Mr. Baker act in this role is most appropriate for the Company at this time because it provides the Board with consistent and efficient leadership. Marc Joseph has served as the Company's Chief Executive Officer since 2010. Mr. Joseph increases the timeliness and effectiveness of the Board's deliberations, increases the Board's visibility into the day-to-day operations of the Company, and ensures the consistent implementation of the Company's strategies.

Board's Role in Risk Oversight

The Board as a whole has responsibility for risk oversight. The oversight responsibility of the Board and its audit and compensation committees is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment and management of critical risks. These areas of focus include strategic, operational, financial reporting, succession, compensation, compliance, and other risks. The audit committee is tasked with oversight of financial and reporting and compliance risks and the compensation committee is tasked with oversight of compensation risks, while the Board as a whole oversees all other risks.

Board Committees

The Board has an Audit Committee and a Compensation Committee, each of which is a standing committee of the Board.

Audit Committee. The Company has established an Audit Committee and is charged with assisting and representing the Board in fulfilling its oversight responsibilities with respect to (i) assessing the integrity of the financial statements of the Company, (ii) our Company's compliance with legal and regulatory requirements, (iii) assessing the qualifications, independence and performance of our independent public accountants, (iv) accessing our Company's financial risks, and (v) performing our Company's internal audit function. The Audit Committee's current members are

Mr. Pino (Chairman) and Mr. Gomes. Each member of the committee satisfies the independence standards specified in Section 803(B) of the NYSE AMEX LLC Company Guide and the related rules of the SEC, and each member of the committee has been determined by the Board to be “financially literate” with accounting or related financial management experience. The Board has also determined that Mr. Pino is an “audit committee financial expert” as defined under SEC rules and regulations. The Board has adopted a charter for the Audit Committee, a copy of which is posted on our website at www.americassuppliers.com. The Audit Committee met one time during fiscal 2010.

Compensation Committee. The purpose of the Compensation Committee is to (i) discharge the Board's responsibilities relating to compensation of the Company's directors and executives, (ii) produce an annual report on executive compensation for inclusion in the Company's proxy statement, as necessary, and (iii) oversee and advise the Board on the adoption of policies that govern the Company's compensation programs, including stock and benefit plans. Mr. Baker (Chairman), Mr. Pino, Mr. Gomes and Mr. Best currently serve on the Compensation Committee. Mr. Pino, Mr. Gomes and Mr. Best each satisfy the independence standards specified in Section 803(A) of the NYSE AMEX LLC Company Guide. The Board has adopted a charter for the Compensation Committee, a copy of which is posted on our website at www.americassuppliers.com. The Compensation Committee met one time during fiscal 2010.

Compensation Committee Processes and Procedures. In assessing the compensation plans for executive officers and key employees, the Compensation Committee considers total compensation opportunities, both short- and long-term, while at the same time focusing on the Company's short- and long-term objectives.

Nominations of Directors

The Board does not have a standing nominating committee. When necessary, the Board as a whole performs functions equivalent to that of a nominating committee. In that capacity, the Board has no charter. For this reason the Board, (i) has no policy with regard to the nomination of candidates recommended by security holders; (ii) has developed no specific minimum qualifications that it believes must be met by a Board-recommended nominee for a position on the Board; (iii) has developed no specific qualities or skills that it believes are necessary for a member of the Board to possess; (iv) has no specific process for identifying and evaluating nominees for director and (v) does not have a policy with regard to the consideration of diversity in identifying director nominees.

PROPOSAL 2 — RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected MaloneBailey, LLP, an independent registered public accounting firm, to audit our financial statements for our fiscal year ending December 31, 2011. MaloneBailey, LLP audited our financial statements for the fiscal years ended December 31, 2010 and 2009. Although stockholder approval of the selection of MaloneBailey, LLP is not required, the Board believes it is advisable to give stockholders the opportunity to ratify this selection. In the event of a negative vote on this proposal by the stockholders, the Audit Committee may consider whether it is appropriate, either for this fiscal year or in the future, to consider the selection of another independent registered public accounting firm.

FEES PAID TO INDEPENDENT AUDITORS

The following table shows the fees paid or accrued by us for the audit and other services provided by MaloneBailey, LLP for fiscal years 2010 and 2009

	2010	2009
Audit fees	\$ 70,781	\$ 151,076
Audit related fees	-	-
Tax fees	-	-
All other fees	-	-
Total	\$ 70,781	\$ 151,076

During fiscal year 2010 and 2009, the Audit Committee pre-approved all engagements and fees for services the principal registered accountant provided.

MaloneBailey, LLP will not be attending our Annual Meeting.

RECOMMENDATION OF THE BOARD OF DIRECTORS

Audit Committee Report

SEC rules require us to include in our proxy statement a report from the Audit Committee of our Board. The following report concerns the Audit Committee's activities regarding oversight of our financial reporting and auditing process and does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing that we make under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent we specifically incorporate this report in such filings.

It is the duty of the Audit Committee to provide independent, objective oversight of our accounting functions and internal controls. The Audit Committee acts under a written charter that sets forth the audit-related functions we are expected to perform. Our functions are to:

- serve as an independent and objective party to monitor America's Suppliers, Inc.'s financial reporting process and system of internal control structure;

- review and appraise the audit efforts of America's Suppliers, Inc.'s independent registered public accounting firm; and
- provide an open avenue of communication among the independent auditors, financial and senior management, and the Board.

We meet with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. We discuss these matters with the Company's independent auditors and with appropriate financial personnel. We regularly meet privately with the independent auditors, who have unrestricted access to the Audit Committee. We also recommend to the Board the appointment of the independent auditors and review periodically their performance and independence from management. Toward that end, we have considered whether the non-audit related services provided by America's Suppliers, Inc.'s independent auditors are compatible with their independence. In addition, we review our financing plans and report recommendations to the full Board for approval and to authorize action.

Management of America's Suppliers, Inc. has primary responsibility for the Company's financial statements and the overall reporting process, including its system of internal control structure. The independent auditors (a) audit the annual financial statements prepared by management, (b) express an opinion as to whether those financial statements fairly present America's Suppliers, Inc.'s financial position, results of operations, and cash flows in conformity with generally accepted accounting principles, and (c) discuss with the Company any issues they believe should be raised. Our responsibility is to monitor and review these processes.

It is not our duty or responsibility to conduct auditing or accounting reviews or procedures. We are not employees of America's Suppliers, Inc. while serving on the Audit Committee. We are not and we may not represent ourselves to be or to serve as accountants or auditors by profession or experts in the fields of accounting and auditing. Therefore, we have relied, without independent verification; on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on America's Suppliers, Inc.'s consolidated financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's consolidated financial statements are presented in accordance with accounting principles generally accepted in the United States of America, that the audit of the Company's consolidated financial statements has been carried out in accordance with generally accepted auditing standards or that America's Suppliers, Inc.'s independent accountants are, in fact, "independent."

This year, we reviewed America's Suppliers, Inc.'s audited consolidated financial statements and met with both management and MaloneBailey, LLP, America's Suppliers, Inc.'s independent auditors, to discuss those consolidated financial statements. Management has represented to us that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have received from and discussed with MaloneBailey, LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm's independence from America's Suppliers, Inc. We also discussed with MaloneBailey, LLP any matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees).

In reliance on the reviews and discussions referred to above, we recommended to the Board that America's Suppliers, Inc.'s audited consolidated financial statements should be included in America's Suppliers, Inc.'s Annual Report on Form 10-K for the fiscal year ended December 31, 2010.

As of the date of this proxy statement, the Board knows of no business which will be presented for consideration at the Annual Meeting other than the matters stated in the accompanying Notice of Annual Meeting of Stockholders and described in this proxy statement. If, however, any matter incident to the conduct of the meeting or other business

properly comes before the meeting, the persons acting under the proxies intend to vote with respect to those matters or other business in accordance with their best judgment, and the proxy includes discretionary authority to do so.

Proxy Solicitation

All costs of solicitation of proxies will be borne by the Company. In addition to solicitation by mail, the Company's officers and regular employees may solicit proxies personally or by telephone. The Company does not intend to utilize a paid solicitation agent.

Revocation of Proxies

A stockholder may revoke his, her or its proxy at any time prior to its use by giving written notice to the Secretary of the Company, by executing a revised proxy at a later date or by attending the Annual Meeting and voting in person. Proxies in the form enclosed, unless previously revoked, will be voted at the Annual Meeting in accordance with the specifications made thereon or, in the absence of such specifications in accordance with the recommendations of the Board.

Stockholder Proposals for the 2012 Annual Meeting and General Communications

Any stockholder proposals intended to be presented at the Company's 2012 Annual Meeting of Stockholders must be received by the Company at its office in Scottsdale, Arizona on or before January 1, 2012 in order to be considered for inclusion in the Company's proxy statement and proxy relating to such meeting. The Company has received no stockholder nominations or proposals for the 2011 Annual Meeting.

Stockholders wishing to communicate with the Board may direct such communications to the Board c/o America's Suppliers, Inc., Attn: Chris Baker, at the Company's headquarters at 7575 E. Redfield Road, Suite 201, Scottsdale, Arizona, 85260. Mr. Baker will present a summary of all stockholder communications to the Board at subsequent Board meetings. The directors will have the opportunity to review the actual communications at their discretion.

Method of Counting Votes

Unless a contrary choice is indicated, all duly executed proxies will be voted in accordance with the instructions set forth on the proxy card. A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote (the "non-vote") on the non-routine matter. Under the rules and regulations of the primary trading markets applicable to most brokers, the ratification of the appointment of auditors is a routine matter on which a broker has the discretion to vote if instructions are not received from the client in a timely manner. Director elections are not routine matters, so brokers are not authorized to use their discretion to vote shares unless specific voting instructions are received from the beneficial owner of such shares. Abstentions will be counted as present for purposes of determining a quorum but will not be counted for or against the election of directors or the ratification of independent auditors. As to Proposal 1, the proxy confers authority to vote for all of the five persons listed as candidates for a position on the Board even though the block in Proposal 1 is not marked unless the names of one or more candidates are lined out. The proxy will be voted "For" Proposal 1, and 2 unless "Against" or "Abstain" is indicated. If any other business is presented at the meeting, the proxy shall be voted in accordance with the recommendations of the Board.
