Item 1.01 Entry into a Material Definitive Agreement.

On September 30, 2011, Measurement Specialties, Inc. (the “Company”), pursuant to a stock purchase agreement, completed the acquisition of Transducer Controls Corporation, also known as Celesco, a Chatsworth, California based manufacturer of long-stroke position sensors, for \$35 million in cash, subject to certain adjustments described in the stock purchase agreement. The stock purchase agreement contains customary representations, warranties and indemnification rights and obligations of the parties. The description of the purchase agreement set forth above is qualified in its entirety by the full text of that agreement, a copy of which is filed herewith as Exhibit 99.2 and is incorporated by reference.

On September 27, 2011, MEAS France, a subsidiary of Measurement Specialties, Inc. (the “Company”), entered into a contract with SNC Adour Development Industries and Commerce for the construction of a new facility in Toulouse, France. The cost of the facility is expected to approximate €5.87 million or approximately \$8.0 million, excluding value added taxes (VAT). The construction is expected to be completed during the second half of calendar 2012. MEAS Europe will also acquire certain land as part of the new facility with a value of €850,000 or approximately \$1.2 million, excluding VAT. The construction of the building and ultimate acquisition of the land for the new facility are dependent on obtaining customary permits and approvals from local authorities.

Item 2.01 Completion of Acquisition or Disposition of Assets.

The information required by this Item is included in Item 1.01 and incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
