PROXY STATEMENT

This proxy statement is being furnished by the Board of Directors of P&F Industries, Inc. (the Company) to holders of the Company's Class A Common Stock, \$1.00 par value (the Common Stock), in connection with the solicitation of proxies by the Company's Board of Directors for use at its 2013 annual meeting of stockholders or any adjournment or postponement thereof (the Annual Meeting).

The Company's principal offices are located at 445 Broadhollow Road, Suite 100, Melville, New York. The Company anticipates mailing this proxy statement to stockholders on or about April 26, 2013.

ABOUT THE ANNUAL MEETING

Date, Time and Place of Meeting

The Annual Meeting will be held on Wednesday, May 22, 2013, at 10:00 a.m. local time at the Conference Center at 445 Broadhollow Road, Melville, New York.

Record Date and Voting Rights

The Board of Directors established the close of business on April 12, 2013 as the record date for determining the holders of the Common Stock entitled to notice of and to vote at the Annual Meeting. On the record date, 3,674,139 shares of Common Stock were outstanding and entitled to vote at the Annual Meeting. The Company's stockholders are entitled to one vote for each share of Common Stock held as of the record date on all matters.

Only stockholders and persons holding proxies from stockholders may attend the Annual Meeting. If your shares are registered in your name, you must bring a form of identification to the Annual Meeting. If your shares are held in the name of a broker, trust, bank or other nominee, otherwise known as holding in street name, you must bring a proxy or letter from that broker, trust, bank or other nominee that confirms you are the beneficial owner of those shares.

Cameras and recording devices will not be permitted at the Annual Meeting.

Quorum; Abstentions; Broker Non-Votes

Transaction of business at the Annual Meeting may occur if a quorum is present. If a quorum is not present, it is expected that the Annual Meeting will be adjourned or postponed in order to permit additional time for soliciting and obtaining additional proxies or votes, and, at any subsequent reconvening of the Annual Meeting, all proxies will be

voted in the same manner as such proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have been effectively revoked or withdrawn.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total votes entitled to be cast constitutes a quorum. If a share of Common Stock is represented for any purpose at the Annual Meeting, it is deemed to be present for quorum purposes and for all other matters as well. Shares of Common Stock represented by a properly executed proxy will be treated as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote the shares on a proposal because the nominee does not have discretionary voting power for a particular item and has not received instructions from the beneficial owner regarding voting. Brokers who hold shares for the accounts of their clients have discretionary authority to vote shares in the absence of specific instructions with respect to the ratification of the appointment of our independent registered public accounting firm. Brokers do not have discretionary authority to vote on the election of our directors or on the two advisory votes relating to executive compensation, so we encourage you to provide instructions to your broker regarding the voting of your shares.

TABLE OF CONTENTS

Solicitation of Proxies

The Company will bear the cost of the solicitation of proxies from its stockholders. In addition to solicitation by mail, the directors, officers and employees of the Company, without additional compensation, may solicit proxies from stockholders by telephone, by letter, by facsimile, in person or otherwise.

Voting Proxies

Whether you hold shares of Common Stock directly as a registered stockholder or beneficially as a beneficial stockholder, you may direct how your shares are voted without attending the Annual Meeting. For directions on how to vote, please refer to the proxy card provided.

All proxies properly submitted and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated thereon. If no instructions are provided, such proxies will be voted **FOR** the nominee set forth in Proposal 1, **FOR** Proposals 2 and 3, and **One Year** with respect to Proposal 4.

Voting in Person at the Annual Meeting

You may also vote in person at the Annual Meeting. Votes in person will replace any previous votes you have made. The Company will provide a ballot to registered stockholders who request one at the meeting. Shares of Common Stock held in your name as the stockholder of record may be voted on that ballot. Shares of Common Stock held beneficially in street name may be voted on a ballot only if you bring a legal proxy from the broker, trust, bank or other nominee that holds your shares giving you the right to vote the shares. Attendance at the Annual Meeting without voting or revoking a previous proxy in accordance with the voting procedures will not in and of itself revoke a proxy.

Your vote is very important. Whether or not you plan to attend the Annual Meeting, please take the time to vote that your shares will be represented at the Annual Meeting.

Revocation of Proxies

If you are a beneficial stockholder, you may revoke your proxy or change your vote by following the separate instructions provided by your broker, trust, bank or other nominee. If you are a registered stockholder, you may revoke your proxy at any time before it is exercised at the Annual Meeting by (i) delivering written notice, bearing a date later than the proxy, stating that the proxy is revoked, (ii) submitting a later-dated proxy relating to the same shares prior to the vote at the Annual Meeting, or (iii) attending the Annual Meeting and properly giving notice of revocation to the inspector of elections or voting in person.

Other Business

The Board of Directors is not aware of any matters to be properly presented for action at the Annual Meeting other than the proposals relating to election of one nominee as director for a three-year term, the ratification of the appointment of the Company's independent registered public accountant for 2013, the approval of an advisory (non-binding) resolution regarding the compensation of named executive officers, and consideration of an advisory (non-binding) vote on the frequency at which the Company should include an advisory vote regarding the

compensation of our named executive officers in its future proxy statements for stockholder consideration. The Company does not intend to bring any other matters before the Annual Meeting. However, if any other matters should properly come before the Annual Meeting, it is intended that the holders of the proxies will vote them in their discretion.

PROPOSAL 1

ELECTION OF DIRECTORS

As permitted by Delaware law, the Board of Directors is divided into three classes, the classes being divided as equally as possible and each class having a term of three years. Each year the term of office of one class expires. A director elected to fill a vacancy, including a vacancy resulting from an increase in the number of directors constituting the Board of Directors, serves for the remaining term of the class in which the vacancy exists. The Board of Directors presently consists of eight members, with each class consisting of two or three directors; however, pursuant to the January 14, 2013 amendment to the By-laws, the Board of Directors will consist of six members as of the time of the Annual Meeting.

The Board of Directors proposes that Mr. Horowitz, whose term of office expires at the Annual Meeting, be elected as director to serve for a term to expire at the Company's 2016 annual meeting of stockholders. As a result of the aforementioned By-laws amendment and the resulting reduction in the number of members of the Board of Directors, current directors Robert L. Dubofsky and Alan I. Goldberg, are not standing for re-election at the Annual Meeting. Unless otherwise indicated, the enclosed proxy will be voted for the election of Mr. Horowitz as nominee. Should such nominee become unable to serve for any reason or, for good cause will not serve, which is not anticipated, the Board of Directors may, unless the Board of Directors by resolution provides for a lesser number of directors, designate a substitute nominee, in which event the persons named in the enclosed proxy will vote for the election of such substitute nominee.

Required Vote

The director will be elected by the plurality vote of the holders of the Common Stock entitled to vote at the Annual Meeting and present in person or by proxy.

**THE BOARD OF DIRECTORS RECOMMENDS THAT
STOCKHOLDERS VOTE
FOR THE FOREGOING NOMINEE.**

TABLE OF CONTENTS

CORPORATE GOVERNANCE

The Company operates within a comprehensive plan of corporate governance for the purpose of defining independence, assigning responsibilities, setting high standards of professional and personal conduct and assuring compliance with such responsibilities and standards.

Director Independence

The standards relied upon by the Board of Directors in affirmatively determining whether a director is independent, in compliance with NASDAQ rules, are comprised, in part, of those objective standards set forth in the NASDAQ rules.

In addition to these objective standards and in compliance with NASDAQ rules, no director will be considered independent who has a relationship which, in the opinion of the company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board of Directors exercises appropriate discretion in identifying and evaluating any such relationship. The Board of Directors, in applying the above-referenced standards and after considering all of the relevant facts and circumstances, has affirmatively determined that the Company's independent directors are: Howard Brod Brownstein, Robert L. Dubofsky, Jeffrey D. Franklin, Alan I. Goldberg, Richard P. Randall, Kenneth M. Scheriff and Mitchell A. Solomon, representing a majority of the members of the Company's Board of Directors

The Company's independent directors hold annually at least two formal meetings independent from management. In 2012, the Company's independent directors held four such meetings. The Lead Independent Director, or in his absence, another independent director chosen by the independent directors, presides at such non-management sessions of the Board of Directors. The role of the Lead Independent Director is discussed in greater detail under Board Leadership Structure below.

Meetings and Committees of the Board of Directors

During 2012, the Board of Directors held eleven meetings. No director attended fewer than 75% of the aggregate number of meetings of the Board of Directors and all committees on which he served.

During 2012, the Board of Directors had an Audit Committee, a Compensation Committee, a Corporate Governance and Nominating Committee, and a Strategic Planning and Risk Assessment Committee. In addition, from time to time, special committees may be established under the direction of the Board of Directors when necessary to address specific issues.

Audit Committee

From January 1, 2012 through September 12, 2012, the members of the Audit Committee were Messrs. Franklin (Chairman), Brownstein and Solomon. As of September 12, 2012 and as of the record date, the members of such committee were Messrs. Franklin (Chairman), Brownstein and Randall. During 2012, the Audit Committee held four meetings.

Each member of the Audit Committee has been determined by the Board of Directors to meet the standards for independence required of audit committee members by the NASDAQ listing standards and applicable SEC rules. For more information on the NASDAQ standards for independence, see Corporate Governance Director Independence

above.

The Board of Directors has further determined that all members of the Audit Committee are able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement. The Board of Directors has determined that Jeffrey D. Franklin is an audit committee financial expert within the meaning of applicable SEC rules.

The Audit Committee appoints the Company's independent registered public accounting firm, reviews the overall scope and the results of the Company's annual audit and reviews the Company's overall internal controls.

8

TABLE OF CONTENTS

The Company's independent registered public accounting firm reports directly to the Audit Committee. The Audit Committee, consistent with the Sarbanes-Oxley Act of 2002 and the rules adopted thereunder, meets with management and the Company's independent registered public accountants, at least quarterly, prior to the filing of officers' certifications with the SEC to receive information concerning, among other things, significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting, if any, and to discuss the scope and results of the annual audit, quarterly reviews and issues of accounting policy and internal controls. The Audit Committee has adopted procedures for the receipt, retention and treatment of complaints by Company employees regarding the Company's accounting, internal accounting controls or auditing matters. The Audit Committee operates under a formal charter adopted by the Board of Directors that governs its duties and standards of performance. A copy of the charter is attached to this proxy statement as *Appendix A*. Copies of the charter can also be obtained free of charge from the Company's website at www.pfina.com.

Compensation Committee

During 2012 and as of the record date, the members of the Compensation Committee were Messrs. Scheriff (Chairman) and Franklin. During 2012, the Compensation Committee held six meetings.

All members of the Compensation Committee have been determined to meet the NASDAQ standards for independence. See *Director Independence* above. Further, each member of the Compensation Committee is a *Non-Employee Director* as defined in Rule 16b-3 under the Exchange Act.

The Compensation Committee operates under a formal charter adopted by the Board of Directors that governs its duties and standards of performance. Copies of the charter can be obtained free of charge from the Company's website at www.pfina.com.

The Compensation Committee reviews, recommends and approves changes to our compensation policies and benefits programs, administers our executive compensation program and otherwise seeks to ensure that our compensation philosophy is consistent with our Company's best interests and is properly implemented. The Compensation Committee also serves as the administrator of our 2012 Stock Incentive Plan, and as such, all option grants and grants or restricted stock are approved by the Compensation Committee.

The Compensation Committee makes all final decisions with respect to the compensation received by the named executive officers. It engages in arm's length negotiation and discussions with the named executive officers with respect to each of their compensation packages, but deliberates outside their presence when making decisions on such matters. Additionally, Richard A. Horowitz, our Chairman, President and CEO, annually reviews the performance of our other executive officer. The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual award amounts, are presented to the Compensation Committee. The Compensation Committee, however, exercises its full discretion in evaluating such recommendations. The Compensation Committee has the authority to retain its own compensation consultant and to obtain advice and assistance from internal or external legal, accounting or other advisors. In 2012, the Compensation Committee engaged Steven Hall & Partners, LLC, an independent third-party compensation consultant, to assist it with determining the compensation of the Company's executive officers and to review and assess the Company's annual incentive plans for its executives. The Compensation Committee also engaged separate legal counsel during 2012 with regard to certain compensation-related legal matters.

Corporate Governance and Nominating Committee

From January 1, 2012 through September 5, 2012, the members of the Corporate Governance and Nominating Committee were Messrs. Utay (Chairman), Brownstein and Dubofsky. As of September 5, 2012, Mr. Utay was no longer a member of the Board of Directors. As of September 17, 2012, Mr. Brownstein was elected to serve as chairman of the Corporate Governance and Nominating Committee. Further, as of March 25, 2013, Mr. Randall was elected to serve on such committee, so as such date and as of the record date, the Corporate Governance and Nominating Committee was comprised of Messrs. Brownstein (Chairman), Dubofsky and Randall. During 2012, the Corporate Governance and Nominating Committee held three meetings.

All members of the Nominating Committee have been determined to meet the NASDAQ standards for independence. See **Director Independence** above.

The Corporate Governance and Nominating Committee recommends to the Board of Directors as director nominees individuals of established personal and professional integrity, ability and judgment, who are chosen with the primary goal of ensuring that the entire Board of Directors collectively serves the interests of the Company's stockholders. The Corporate Governance and Nominating Committee does not have a formal policy relating specifically to the consideration of diversity in making recommendations of qualified nominees for election to the Board of Directors. Due consideration is given to assessing the qualifications of potential nominees and any potential conflicts with the Company's interests. The Corporate Governance and Nominating Committee also assesses the contributions of the Company's incumbent directors in connection with their potential re-nomination. In identifying and recommending director nominees, the Committee members take into account such factors as they determine appropriate, including recommendations made by the Board of Directors and stockholders. Once the Corporate Governance and Nominating Committee has identified prospective nominees, background information is elicited about the candidates, following which they are interviewed and evaluated by the Committee, which then reports to the Board of Directors.

The Corporate Governance and Nominating Committee review and reassess the Company's corporate governance procedures and practices, and recommend any proposed changes therein to the Board; and oversee the evaluation of the Board, its committees and the Company's management.

The Corporate Governance and Nominating Committee operates under a formal charter adopted by the Board of Directors that governs its duties and standards of performance. Copies of the charter can be obtained free of charge from the Company's website at www.pfina.com.

The Board of Directors adopted a policy setting forth that the Corporate Governance and Nominating Committee will consider individuals suggested by stockholders for nomination as candidates for election to the Board of Directors at annual meetings of stockholders. Such suggested nominees will be considered in the context of the Corporate Governance and Nominating Committee's determination regarding all issues relating to the composition of the Board of Directors, including the size of the Board of Directors, any criteria the Corporate Governance and Nominating Committee may develop for prospective Board of Directors candidates and the qualifications of candidates relative to any such criteria. Any stockholder who wishes to submit an individual for nomination as a Board of Directors candidate by the Corporate Governance and Nominating Committee should be directed in writing to the Chair of the Corporate Governance and Nominating Committee, c/o the Secretary of the Company, P&F Industries, Inc., 445 Broadhollow Road, Suite 100, Melville, New York 11747. Such submission should include the name of the individual submitted for nomination, information as to such individual's background and experience and a representation from such individual that he or she is willing to be nominated by the Corporate Governance and Nominating Committee and, if elected, to serve, and the information regarding such individual that would be required by the rules and regulations of the SEC to be included in the Company's proxy statement issued in connection with its annual meeting. Stockholders are also permitted to submit nominees for election directly to stockholders subject to compliance with

the advance notice requirements of the Company's By-laws, summarized below under Stockholder Nominations for Board of Directors Membership and Other Proposals for 2014 Annual Meeting .

Strategic Planning and Risk Assessment Committee

The Board of Directors has also established a standing Strategic Planning and Risk Assessment Committee, comprised of independent members of the Board of Directors. During 2012 and as of the record date, Messrs. Brownstein and Solomon were the members of this committee. Additionally, as of March 25, 2013 and as of the record date, Mr.

Randall was an additional member of such committee. Such committee reviews, on behalf of the Company, management's long-term strategy for the Company, which include material business strategy, financial and capital matters in the pursuit of continuing the long-term success of the Company and risk appetite/tolerance relating thereto, and make recommendations to the Board of Directors with respect to the foregoing. The Strategic Planning and Risk Assessment Committee operates under a formal charter adopted by the Board of Directors that governs its duties and standards of performance. Copies of the charter can be obtained free of charge from the Company's website at www.pfina.com.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics, which is designed to help officers, directors and employees resolve ethical issues in an increasingly complex business environment.

The Code of Business Conduct and Ethics is applicable to all of the Company's officers, directors and employees, including the Company's principal executive officer, principal financial officer, controller and other persons performing similar functions. The Code of Business Conduct and Ethics covers topics including, but not limited to, conflicts of interest, confidentiality of information and compliance with laws and regulations.

Waivers from the Code of Business Conduct and Ethics are discouraged. Any waivers from the Code of Business Conduct and Ethics that relate to the Company's directors and executive officers must be approved by the Board of Directors, and will be posted on the Company's website at www.pfina.com.

The Code of Business Conduct and Ethics can be obtained free of charge from the Company's website at www.pfina.com.

Board Leadership Structure

The Company's Chief Executive Officer also serves as its Chairman of the Board. The Board of Directors believes that a combined CEO/Chairman of the Board arrangement and having a Lead Independent Director (as further discussed below) is currently the best structure for the Company's Board of Directors, as its Chief Executive Officer is most familiar with the Company's business and industry, and most capable of effectively identifying the Company's priorities and leading the execution of its strategy. The Company's independent directors bring experience, oversight and expertise from outside the Company and industry, while the Chief Executive Officer brings company-specific experience and expertise. Combining the role of Chairman and Chief Executive Officer facilitates information flow between management and the Board of Directors.

Because the Board of Directors also believes that strong, independent Board leadership is a critical aspect of effective corporate governance, the Board of Directors has established the position of Lead Independent Director. Our Lead Independent Director is an independent director elected annually by the independent directors. Mr. Solomon currently serves as our Lead Independent Director, a position that he held since September 12, 2012. During 2012, prior to Mr. Solomon's appointment as Lead Independent Director, Mr. Utay served as Lead Independent Director from January 1, 2012 through September 5, 2012. Our Lead Independent Director's responsibilities and authority include, among other things, advising on Board meeting schedules and agendas, calling meetings of the independent directors, chairing the executive sessions of the independent directors and chairing the meetings of the Board of Directors if the Chairman of

the Board is not present. Copies of the charter of the Lead Independent Director can be obtained free of charge from the Company's website at www.pfina.com.

Board Role in Risk Oversight

While risk management is primarily the responsibility of the Company's management team, the Board of Directors is responsible for overall supervision of the company's risk management efforts as they relate to the key business risks facing the organization. Management identifies, assesses, and manages the risks most

TABLE OF CONTENTS

critical to the Company's operations and routinely advises the Board of Directors on those matters. Those areas of material risk can include operational, financial, legal, regulatory, human capital, informational technology, and strategic and reputational risks. In addition, the Board of Directors regularly reviews with management, at Board of Director meetings, any risk management issues that any director wishes to discuss. Further, the Board of Directors created a Strategic Planning and Risk Assessment Committee as a standing committee, as described above.

Directors Attendance at Annual Meetings of Stockholders

It is the policy of Company's Board of Directors to expect that all directors attend annual meetings of stockholders except where the failure to attend is due to unavoidable circumstances or conflicts discussed in advance by the director with the Chairman of the Board. Eight of the nine members of the Board of Directors at such time attended the Company's 2012 Annual Meeting of Stockholders, including all eight current members of the Board of Directors.

Communication with the Board of Directors

Any stockholder or interested party who wishes to communicate with the Board of Directors, or specific individual directors, or the non-management directors as a group, may do so by directing a written request addressed to such directors or director, care of the Lead Independent Director, P&F Industries, Inc., 445 Broadhollow Road, Suite 100, Melville, New York 11747. Communication(s) directed to members of the Board of Directors who are not non-management directors will be relayed to the intended Board member(s) except to the extent that it is deemed unnecessary or inappropriate to do so pursuant to the procedures established by a majority of the independent directors. Any communication so withheld will nevertheless be made available to any non-management director who wishes to review it.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures

The Company's Code of Ethics provides that the Company's compliance officer (currently the Company's General Counsel) must be fully informed of any proposed transaction between the Company, on the one hand, and any employee, officer or director, on the other, and must communicate the Company's approval of any such transaction before the agreement or transaction can be commenced. Further, pursuant to Nasdaq Rule 5630(a), the Company's Audit Committee (or another committee made up of independent directors) must review and have oversight over all transactions with related parties required to be disclosed under Securities and Exchange Commission (SEC) Regulation S-K, Item 404. Related parties include the Company's directors, executive officers, and stockholders known by the Company to be the beneficial owner of more than five percent of the Company's Common Stock, and their respective immediate families. The Company does not have formal written procedures to implement this policy, and instead the Audit Committee (or another committee made up of independent directors) reviews and approves related party transactions on a case by case basis. Other than the relationships set forth below, there have been no related party transactions entered into, or proposed, in 2012.

Related Party Transactions

On April 23, 2010, the Company entered into an amendment and waiver (the Previous Credit Agreement Amendment) to the credit agreement relating to the Company's primary credit facility that was in effect at such time. The Previous Credit Agreement Amendment was conditioned on, among other things, Mr. Horowitz lending \$250,000 to the Company on a secured subordinated basis, as evidenced by a secured subordinated promissory note, dated as of April 23, 2010 (the Original Horowitz Promissory Note). The Original Horowitz Promissory Note had an interest rate of 8% per year (with a default interest rate of an additional 2%), with all interest and principal due and payable on January 2, 2011. Subsequently, in connection with the Company entering into a credit agreement relating to a new primary credit facility, the Original Horowitz Promissory Note was amended and restated (the Amended Horowitz Promissory Note) as of October 25, 2010. Pursuant to the Amended Horowitz Promissory Note, interest remained at the rate of 8% per year with a similar default provision as the Original Horowitz Promissory Note. Under the Amended Horowitz Promissory Note, principal was due on October 25, 2013 and interest was payable quarterly.

On July 24, 2012, the Company and Mr. Horowitz entered into an agreement relating to the prepayment of all of the amounts due to Mr. Horowitz by the Company under the Amended Horowitz Promissory Note. The Prepayment Agreement refers to a consent dated July 24, 2012 that was executed and delivered by the Company's primary lender permitting the Company to make such prepayment, notwithstanding, among other things, the terms of an subordination agreement between Mr. Horowitz and the primary lender dated October 25, 2010. Pursuant to the prepayment agreement and the consent, on July 24, 2012 the Company made a payment to Mr. Horowitz representing full payment of all principal and accrued interest owing to him under the Amended Horowitz Promissory Note.

BWD Group LLC (BWD), an insurance brokerage group of which Robert L. Dubofsky, one of the Company's current directors, is Managing Director and a principal, provides certain insurance brokerage services to the Company. Total insurance premiums and fees paid through BWD in 2012 were approximately \$189,000. The Company believes that the rates and amounts paid through BWD are not greater than the rates and amounts that would be paid using unrelated insurance brokerage firms performing similar services.

TABLE OF CONTENTS

COMPENSATION PHILOSOPHY AND AGREEMENTS WITH NAMED EXECUTIVE OFFICERS

The Company's overall executive compensation philosophy is to align its compensation program with optimizing stockholder value. To that end, the program is designed to recognize successful operating performance and to attract, retain and motivate the executive talent essential to the Company's financial success. Consistent with this philosophy, the Compensation Committee is guided by the following objectives when administering the Company's overall compensation program:

Attract and retain highly qualified executives;

Motivate executives to provide excellent leadership and achieve the Company's goals;

Provide substantial performance-related incentive compensation that is aligned with the Company's strategies and directly tied to meeting specific Company objectives; and

Strongly link the interests of the executives to the value derived by the Company's stockholders.

In furtherance of these objectives, the following considerations underlie the Compensation Committee's determination with respect to the following principal elements of compensation for the officers of the Company and its operating subsidiaries:

Base Salary. Individual salary determinations should be based upon the officer's qualifications, experience and performance.

Annual Cash Incentives. Executives should have a portion of their total cash compensation at risk, contingent upon meeting specific Company objectives, in order to further align the interests of the executives with the stockholders. To that end, executives are only rewarded with cash bonuses to the extent stated objectives are achieved or exceeded.

Long-Term Equity-Based Awards. Where appropriate, executives who are critical to the Company's long-term success including the named executive officers should participate in long-term incentive opportunities that link a portion of their total compensation to stockholder value.

Retirement Plans and Other Benefits. Executives should be eligible to participate in the Company's benefit programs, such as life and health insurance and retirement plans at a level consistent with Company policy, prevailing law and current regulations.

Total compensation is intended to correlate to the Company's profitability and growth, which in turn enhances the Company's stockholder value.

In 2012, the Compensation Committee engaged Steven Hall & Partners, LLC, an independent third-party compensation consultant, to assist it with determining the level and composition of compensation for the Named Executive Officers. The Compensation Committee also engaged separate legal counsel during 2012 with regard to certain compensation-related legal matters.

Overview of 2012 Executive Compensation

As discussed in greater detail below, with respect to the 2012 compensation for Richard A. Horowitz, the Company's President, Chief Executive Officer and Chairman of the Board, the Compensation Committee, acting on behalf of the Company in applying the Company's executive compensation philosophy, entered into a revised employment

agreement with Mr. Horowitz. Compared to the prior agreement, the new employment agreement contained, among other provisions, a three-year term (reduced by two years from the prior agreement) and a base salary of \$650,000 (reduced from \$975,000 per year from the prior agreement). It also provided the opportunity for Mr. Horowitz to receive a contingent bonus under the Company's Executive 162(m) Bonus Plan based on Company performance with a target of 50% of his base salary if the performance target (based on the Company's earnings before taxes, depreciation and amortization) was achieved, with a maximum bonus of 150% of his base salary. In the event the Company did not achieve its performance target, Mr. Horowitz could have received no performance bonus or a bonus that was below the target bonus amount based on a sliding scale, depending on to what extent the Company's actual results were below the performance target. However, as a result of the amount by which the Company's performance

TABLE OF CONTENTS

exceeded the performance target for 2012, Mr. Horowitz received a bonus of \$822,000. Mr. Horowitz did not receive any equity from the Company in 2012.

As discussed in greater detail below, with respect to the 2012 compensation for Joseph A. Molino, Jr., the Company's Vice President, Chief Operating Officer and Chief Financial Officer, the Compensation Committee did not change his \$350,000 base salary. He was also eligible to receive a performance based bonus based on Company performance with a target of 30% of his base salary if the performance target (based on the Company's earnings before taxes, depreciation and amortization) was achieved and a maximum bonus of 45% of his base salary. In the event the Company did not achieve its performance target, Mr. Molino could have received no performance bonus or a bonus that was below the target bonus amount based on a sliding scale, depending on to what extent the Company's actual results were below the performance target. However, as a result of the amount by which the Company's performance exceeded the performance target for 2012, Mr. Molino received the maximum bonus of \$157,500. In 2012, Mr. Molino also received an option to purchase 40,000 shares of Common Stock from the Company.

Employment Agreement with Named Executive Officer

On December 29, 2011, the Company and Richard A. Horowitz entered into an executive employment agreement (the Employment Agreement), effective as of January 1, 2012. The Employment Agreement was approved by the Compensation Committee of the Board of Directors (the Compensation Committee) following (i) the review of the material proposed terms by the independent directors of the Board of Directors and (ii) the independent directors designation of the Compensation Committee as to the authority to finalize and enter into employment arrangements with Mr. Horowitz. The Employment Agreement was entered into as of the termination date of the previous employment agreement between Mr. Horowitz and the Company (discussed below).

The Employment Agreement provides for Mr. Horowitz to serve as the Company's President and Chief Executive Officer and, if elected by the Board, Chairman of the Board, for a term expiring on December 31, 2014, unless sooner terminated pursuant to the provisions of the Employment Agreement. Pursuant to the Employment Agreement, Mr.

Horowitz will receive a minimum annual base salary of \$650,000. Mr. Horowitz's base salary will be reviewed annually by the Board of Directors and may be increased, but not decreased, from time to time. Mr. Horowitz will be eligible for an annual incentive payment in accordance with the terms and conditions of the Company's Bonus Plan (as defined in the Employment Agreement) with performance goals to be set by the Compensation Committee in its sole discretion (after discussions with Mr. Horowitz), with a target of 50% of his then-current base salary, and a maximum bonus based on exceeding performance targets as established by the Compensation Committee of 150% of his then-current base salary. Beginning in 2013, the Compensation Committee may reduce the percentage of the target bonus and the maximum bonus and apply such target amount to a long-term cash or equity incentive plan award.

Mr. Horowitz will also receive (i) senior executive level employee benefits, (ii) continuation of the annual payment of approximately \$45,000 to cover premiums on a life insurance policy, (iii) a Company-provided automobile and the payment of certain related expenses and (iv) payment and/or reimbursement of certain legal and consultants' fees. Mr.

Horowitz received no equity grants in connection with the Employment Agreement. In the event Mr. Horowitz's employment is terminated by the Company without Cause (as defined in the Employment Agreement), or Mr. Horowitz resigns for Good Reason (as defined in the Employment Agreement), then subject to his execution of a general release, (i) he will continue to receive his base salary for 18 months, (ii) he will receive a pro rata bonus for the year of termination (the Pro Rata Bonus), and (iii) the Company will pay him monthly an amount equal to the difference in his COBRA premium and the active employee contribution for medical coverage until the earlier of (a) 18 months from the date of termination, (b) his becoming eligible for medical benefits from a subsequent employer, or (c) his becoming ineligible for COBRA.

TABLE OF CONTENTS

In the event Mr. Horowitz's employment is terminated by the Company without Cause or he resigns for Good Reason within two years following a Change in Control (as defined in the Employment Agreement) or, under certain circumstances, within six months prior to a Change in Control, then he will receive the amounts set forth in the previous paragraph either in whole or in part in a lump sum, subject to his execution of a general release.

Notwithstanding the foregoing, in the event an Excise Tax (as defined in the Employment Agreement) would otherwise be incurred by Mr. Horowitz, amounts paid to Mr. Horowitz upon a Change in Control will be reduced to 2.99 times his base amount (as determined in accordance with Sections 280G of the Internal Revenue Code of 1986, as amended).

Pursuant to the Employment Agreement, during term of his employment and for a period of twelve months after termination of his employment, Mr. Horowitz is prohibited from (i) competing with the Company, (ii) soliciting or hiring the Company's employees, representatives or agents, or (iii) soliciting any of the Company's customers. The Employment Agreement also prohibits Mr. Horowitz from using or disclosing any of the Company's non-public, proprietary or confidential information.

Previous Employment Agreement with Named Executive Officer

Prior to January 1, 2012, the Company and Mr. Horowitz were parties to an executive employment agreement, effective as of January 1, 2007, as amended and restated on December 19, 2008 (the Previous Employment Agreement). The Previous Employment Agreement provided for Mr. Horowitz to serve as the Company's President and Chief Executive Officer and, if elected by the Board of Directors, Chairman of the Board, for a term expiring on December 31, 2011, unless sooner terminated pursuant to the provisions of the Employment Agreement. Under the Previous Employment Agreement Mr. Horowitz received a minimum annual base salary of \$975,000. The Previous Employment Agreement also provided that Mr. Horowitz's base salary would be reviewed annually by the Board of Directors and may be increased, but not decreased, from time to time. It was not increased during the term of the Previous Employment Agreement. The Previous Employment Agreement further provided that Mr. Horowitz was eligible for an annual discretionary incentive payment under the Company's Executive 162(m) Bonus Plan. This agreement also provided that Mr. Horowitz received (i) senior executive level employee benefits, (ii) an annual payment of approximately \$45,000 to cover premiums on a life insurance policy, and (iii) a Company provided automobile.

In the event Mr. Horowitz's employment would have been terminated by the Company without Cause (as defined in the Employment Agreement), or Mr. Horowitz resigned for Good Reason (as defined in the Employment Agreement), then subject to his execution of a general release, (i) he would have continued to receive his base salary for 18 months, (ii) he would have received a pro rata bonus for the year of termination (the Pro Rata Bonus), and (iii) the Company would have paid his monthly COBRA premiums until the earlier of (a) 18 months from the date of termination, (b) his becoming eligible for medical benefits from a subsequent employer, or (c) his becoming ineligible for COBRA (the COBRA Payments).

Further, under the Previous Employment Agreement, in the event Mr. Horowitz's employment would have been terminated by the Company without Cause or he would have resigned for Good Reason within two years following a Change in Control (as defined in the Previous Employment Agreement) or, under certain circumstances, within six months prior to a Change in Control, then subject to his execution of a general release, he would have received the Pro Rata Bonus, the COBRA Payments, and a lump sum amount equal to the greater of (i) 18 months base salary or (ii) the lesser of (a) two times the sum of his base salary plus the amount of any bonus he received for the year prior to the Change in Control, or (b) 3% of the value on the date of the Change in Control of the Company's outstanding shares on a fully diluted basis immediately prior to the Change in Control. Notwithstanding the foregoing, amounts paid to Mr.

Horowitz upon a Change in Control would have been reduced to 2.99 times his base amount (as determined in accordance with Sections 280G of the Internal Revenue Code of 1986, as amended).

Pursuant to the Previous Employment Agreement, during the term of his employment and for a period of eighteen months after termination of his employment, Mr. Horowitz would have been prohibited from (i) competing with the Company, (ii) soliciting or hiring the Company's employees, representatives or agents, or (iii) soliciting any of the Company's customers. Finally, the Previous Employment Agreement also prohibited Mr. Horowitz from using or disclosing any of the Company's non-public, proprietary or confidential information.

Severance Agreement with Named Executive Officer

The Company does not have an employment agreement with its other named executive officer, Joseph A. Molino, Jr., who is deemed to be an employee at will. As of June 22, 2012, however, the Company and Mr. Molino entered into a Severance Agreement (the "Severance Agreement"), effective as of June 22, 2012, which agreement provides that in the event Mr. Molino's employment is terminated by the Company without Cause (as defined in the Severance Agreement) on or prior to December 31, 2014 and a Change in Control (as defined in the Severance Agreement) has not occurred, then subject to his execution of a general release, he will continue to receive his base salary for 12 months (the "Severance Amount").

In the event Mr. Molino's employment is terminated by the Company without Cause or he resigns for Good Reason (as defined in the Severance Agreement) within two years following a Change in Control (as defined in the Agreement) that occurs prior to December 31, 2014, then subject to his execution of a general release (i) he will receive the Severance Amount either in whole or in part in a lump sum depending on whether the Change in Control constitutes a change in control event within the meaning of Section 409A of the Internal Revenue Code (the "Code"), (ii) he will receive an amount equal to his target annual bonus for the fiscal year such termination occurs, and (iii) the Company will pay him monthly an amount equal to the difference in his COBRA premium and the active employee contribution for medical coverage until the earlier of (a) 12 months from the date of termination, (b) his becoming eligible for medical benefits from a subsequent employer, or (c) his becoming ineligible for COBRA. Notwithstanding the foregoing, in the event an Excise Tax (as defined in the Severance Agreement) would otherwise be incurred by Mr. Molino, amounts paid to Mr. Molino upon a Change in Control will be reduced to 2.99 times his base amount (as determined in accordance with Sections 280G of the Code).

In the event of a termination of Mr. Molino's employment due to his death or by the Company due to his disability (i) he will receive a pro rata bonus for the year of termination and (ii) the Company will pay him or his estate monthly an amount equal to the difference in his COBRA premium and the active employee contribution for medical coverage until the earlier of (a) one year from the date of termination, (b) Mr. Molino or his dependents becoming ineligible for COBRA or (c) in the case of a termination due to disability, his ceasing to have a physical or mental disability that would prevent him from performing his material duties for the Company.

Pursuant to the Severance Agreement, during term of his employment and for a period of twelve months after termination of his employment, Mr. Molino is prohibited from (i) competing with the Company, (ii) soliciting or hiring the Company's employees, representatives or agents, or (iii) soliciting any of the Company's customers. The Severance Agreement also prohibits Mr. Molino from using or disclosing any of the Company's non-public, proprietary or confidential information.

Executive 162(m) Bonus Plan

The P&F Industries, Inc. Executive 162(m) Bonus Plan was approved by the Compensation Committee, the Board of Directors and the Stockholders in 2006 and was amended and restated upon the approval of the Compensation Committee, the Board of Directors and the Stockholders in 2011.

The Compensation Committee adopted the Executive 162(m) Bonus Plan to ensure, when appropriate, that awards paid under the Executive 162(m) Bonus Plan qualify as performance-based compensation and are, therefore, fully deductible by us for income tax purposes under Section 162(m) of the Internal Revenue Code of 1986. Such payments made under the Executive 162(m) Bonus Plan to the named executive officers are fully deductible by us.

Under the Executive 162(m) Bonus Plan, the Compensation Committee selects the employees of our Company and its subsidiaries who will participate in the Executive 162(m) Bonus Plan for each performance period. The Compensation Committee establishes the objective performance goals, formulae or standards and the individual target performance award (if any) applicable to each participant for a performance period prior to the beginning of such performance period or at such later date as permitted under Section 162(m) of the tax code, and while the outcome of the performance goals are substantially uncertain.

In March 2012, the Compensation Committee determined that Mr. Horowitz would be participating in the Executive 162(m) Bonus Plan for 2012, and set forth the criteria for 2012, based on achievement of certain

TABLE OF CONTENTS

target levels of Company profit, calculated primarily upon the level of earnings before taxes, depreciation and amortization achieved by the Company for fiscal 2012 on a sliding scale if a threshold level is achieved. In accordance with his employment agreement, the bonus amount would have been 50% of his base salary if target level performance had been achieved, with a maximum of 150% of his base salary if the target level performance was exceeded. In June 2012, the Compensation Committee adopted a fiscal year 2012 bonus program for Mr. Molino (the Related 2012 Bonus Plan), which was subject to terms and conditions of the Executive 162(m) Bonus Plan, other than with regard to compliance with Section 162(m) of the Code (which had no effect on the Company as Mr. Molino was not eligible to receive more than \$1 million in compensation). Mr. Molino's bonus criteria were also based on Company profits, calculated primarily upon the level of earnings before taxes, depreciation and amortization achieved by the Company for fiscal 2012, on a sliding scale if a threshold level is achieved, in addition to the Committee's evaluation of his performance. If the target level performance had been achieved, Mr. Molino's bonus amount would have been 30% of his base salary, with a maximum of 45% of his base salary if target performance levels were exceeded.

In March 2013, the Compensation Committee awarded cash bonuses for 2012 to Mr. Horowitz under the Executive 162(m) Bonus Plan and to Mr. Molino under the Related 2012 Bonus Plan in the amounts of \$822,890 and \$157,500, respectively.

In March 2012, the Company's Compensation Committee awarded cash bonuses for 2011 to Messrs. Horowitz and Molino under the Executive 162(m) Bonus Plan in the amounts of \$329,059 and \$83,131 respectively, based on the level of Company's profits in relation to the achievement of certain target levels with respect to return on stockholder equity.

In March 2013, the Compensation Committee determined that Messrs. Horowitz and Molino would each be participating in the Executive 162(m) Bonus Plan for 2013, and set forth the criteria for 2013, in each case based primarily on the achievement of certain target levels of Company profit, calculated based upon the level of earnings before taxes, depreciation and amortization to be achieved by the Company for fiscal 2013.

Stock Incentive Plans

The Company's 2012 Stock Incentive Plan provides that unless otherwise determined by the Compensation Committee at the time of grant, awards subject to vesting and/or restrictions will not accelerate and vest or cause the lapse of restrictions upon a change in control (as defined in the 2012 Stock Incentive Plan). Instead, such awards will be, in the discretion of the Compensation Committee, either (i) assumed and continued or substituted in accordance with applicable law; (ii) purchased by the Company for an amount equal to the excess of the price of the Company's Common Stock paid in a change in control over the exercise price of the award(s) (such purchase price not to exceed the fair market value of the Common Stock at the time of purchase), or (iii) cancelled if the price of the Common stock paid in a change in control is less than the exercise price of the award. The Committee may also, in its sole discretion, provide for accelerated vesting or lapse of restrictions of an award at any time.

In the event of a merger or consolidation in which the Company is not the surviving corporation or in the event of a transaction that results in the acquisition of all or substantially all of the Company's Common Stock or assets, the Compensation Committee may elect to terminate all outstanding exercisable awards granted under the 2012 Stock Incentive Plan, provided that during the period from notification of such termination to the date of consummation of the relevant transaction (which must be at least 20 days) each participant shall have the right to exercise all of his or her exercisable awards in full (without regard to any restrictions on exercisability), contingent on the consummation of such transaction.

TABLE OF CONTENTS

The Company's 2002 Stock Incentive Plan provides that in the event of a change in control, notwithstanding any vesting schedule with respect to an award of options or restricted stock, such option shall become immediately exercisable with respect to 100% of the shares subject to such option, and the restricted period shall expire immediately with respect to 100% of such shares of restricted stock. The 2002 Stock Incentive Plan further provides that in the event of a change in control, all other awards shall become fully vested and/or payable to the fullest extent of any award or portion thereof that has not then expired, and any restrictions with respect thereto shall expire.

The following table presents equity compensation plan information as of December 31, 2012:

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors and greater than 10% stockholders are required by the SEC to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company or written representations that no other reports were required, all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with during, or in respect of, the fiscal year ended December 31, 2012 and prior periods.

AUDIT COMMITTEE REPORT*

The Audit Committee of the Board of Directors of P&F Industries, Inc. is composed of three independent directors appointed by the Board of Directors (each of whom is independent under NASDAQ and applicable SEC rules) and operates under a written charter adopted by the Board of Directors on March 9, 2004. From January 1, 2012 through September 12, 2012, the members of the Audit Committee were Messrs. Franklin (Chairman), Brownstein and Solomon. As of September 12, 2012 and as of the record date, the members of such committee were Messrs. Franklin (Chairman), Brownstein and Randall. Management is responsible for the Company's internal accounting and financial controls, the financial reporting process and the internal audit function. The Company's independent registered public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and report its findings to the Board of Directors.

In this context, the Audit Committee has met and held discussions separately, and jointly, with each of management and the Company's independent registered public accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accountants. The Audit Committee discussed with the independent registered public accountants matters required to be discussed under PCAOB standards. The independent registered public accountants have provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the PCAOB regarding the independent registered public accountants' communications with the Audit Committee concerning independence, and the Audit Committee has discussed with the independent registered public accountants such registered public accountants' independence. The Audit Committee has concluded that the independent registered public accountants' provision of audit and non-audit services to the Company is compatible with such registered public accountants' independence.

Based on the Audit Committee's discussion with management and the independent registered public accountants, and the Audit Committee's review of the representation of management and the report of the independent registered public accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2012 filed with the SEC.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee has appointed CohnReznick LLP (CohnReznick) as independent registered public accountants for the Company and its subsidiaries for the year 2012 and has further directed that management submit the selection of independent registered public accounting firm for ratification by the stockholders at the Annual Meeting.

CohnReznick has audited the Company's financial statements since 2008. Representatives of CohnReznick are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's By-laws (as amended on January 14, 2013) (the By-laws) nor other governing documents or law require stockholder ratification of the appointment of CohnReznick as the Company's independent registered public accounting firm. However, the Audit Committee seeks to have the appointment of CohnReznick ratified. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm.

Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent registered public accountants at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The following table sets forth the fees billed by CohnReznick for professional services for the fiscal years ended December 31, 2012 and 2011.

	2012	2011
Audit Fees	\$ 319,000	\$ 330,780
Audit-Related Fees		
Tax Fees		
All Other Fees	\$ 6,148	4,211
	\$ 325,148	\$ 334,991

Audit fees include fees billed for the audit of P&F Industries, Inc. and its subsidiaries, the review of quarterly financial information, and attendance at Audit Committee meetings.

Audit-Related Fees include certain services that are reasonably related to the performance of the audit or review of the P&F Financial Statements. There were no such fees in 2012 or 2011.

Tax fees include fees billed for services relating to tax compliance, tax advice and tax planning. There were no tax fees in 2012 or 2011.

All Other Fees includes fees billed for services not classified in any of the above categories. For 2012 and 2011, such fees are comprised of certain out-of-pocket expenses.

The Audit Committee negotiates the annual audit fee directly with the Company's independent registered public accountants. Any additional services to be performed by the Company's independent registered public accountants

requires the advance approval of the Audit Committee. The Audit Committee considers whether the provision of permitted non-audit services is compatible with maintaining its independent registered public accountants independence.

Required Vote

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the appointment of CohnReznick. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

PROPOSAL 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with legislation which has recently become effective as to companies of our size, and as required by Section 14A of the Securities and Exchange Act of 1934 (the Exchange Act), the Company is providing stockholders with an advisory (non-binding) vote on compensation programs for our named executive officers (sometimes referred to as say on pay). Accordingly, you may vote on the following resolution at the Annual Meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation rules of the Securities and Exchange Commission, including the section captioned Compensation Philosophy and Agreements with Named Executive Officers as well as the compensation tables and narrative discussion, is hereby APPROVED.

This non-binding advisory vote on executive compensation will be considered approved by the affirmative vote of a majority of the total number of shares present and entitled to vote on the matter. Abstentions will have the same effect as a vote against the matter and broker non-votes will not affect the outcome of the vote. Although this vote is non-binding, the Board and the Compensation Committee, which is comprised of independent directors, expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

As described in greater detail under Compensation Philosophy and Agreements with Named Executive Officers, our compensation programs are designed to motivate our executives to create a successful company. We believe that our compensation program rewards sustained performance that is aligned with long-term stockholder interests. Stockholders are encouraged to read the Compensation Philosophy and Agreements with Named Executive Officers, the accompanying compensation tables, and the related narrative disclosure included in this Proxy Statement.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR PROPOSAL 3.

PROPOSAL 4

**ADVISORY VOTE ON THE FREQUENCY OF AN
ADVISORY VOTE ON
EXECUTIVE COMPENSATION**

As required by Section 14A of the Exchange Act, in addition to providing stockholders with the opportunity to cast an advisory (non-binding) vote on executive compensation, the Company this year is providing stockholders with an advisory (non-binding) vote on whether the advisory vote on executive compensation should be held every one, two or three years (sometimes referred to as say on frequency). The Board recommends that you select one year as the desired frequency of the advisory vote on executive compensation under the say on pay rules.

The proxy card provides stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the Board's recommendation. Stockholders will be considered to have expressed a preference for the frequency if one of the alternatives of every year, every two years or every three years receives the affirmative vote of a majority of the total number of shares present and entitled to vote on the matter. Abstentions will have the same effect as a vote against each of the three alternatives and broker non-votes will not affect the outcome of the vote. Although this advisory vote on the frequency of the advisory vote on executive compensation is nonbinding, the Board of Directors and the Compensation Committee will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation.

**THE BOARD OF DIRECTORS RECOMMENDS THAT
STOCKHOLDERS VOTE
ONE YEAR WITH RESPECT TO PROPOSAL 4.**
