PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD JUNE 14, 2013

To Our Stockholders:

This proxy statement (this “Proxy Statement”) is furnished in connection with the solicitation of proxies by the Board of Directors (our “Board of Directors” or “Board”) of DGSE Companies, Inc., a Nevada corporation (“we,” “us,” “our,” and “DGSE”), to be used at our Annual Meeting of Stockholders to be held at the Marriott Quorum, 14901 Dallas Parkway, Dallas, Texas 75254, on **Friday, June 14, 2013 at 10am** (local time), or at any adjournment or adjournments thereof. Our stockholders of record as of the close of business on **May 7, 2013** (the “Record Date”) are entitled to vote at our annual meeting.

Important Notice of Availability of Proxy Materials for the Annual Meeting of Stockholders to be held on June 14, 2013.

Our proxy materials, including our Proxy Statement for the 2013 Annual Meeting, 2012 Annual Report on Form 10-K for the year ended December 31, 2012 and proxy card, were first sent to security holders on or about May 20, 2013 and are available on the internet at www.DGSE.com.

VOTING PROCEDURES AND REVOCABILITY OF PROXIES

The accompanying proxy card is designed to permit each of our stockholders as of the Record Date to vote on each of the proposals properly brought before the annual meeting. As of the Record Date, there were 12,175,584 shares of our

common stock, par value \$.01 per share (our “Common Stock”), issued and outstanding and entitled to vote at the annual meeting. Each outstanding share of our Common Stock is entitled to one vote.

The holders of a majority of our outstanding shares of Common Stock, present in person or by proxy, will constitute a quorum for the transaction of business at the annual meeting. If a quorum is not present, the annual meeting may be adjourned from time to time until a quorum is obtained.

Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present. Abstentions, but not broker non-votes, are treated as shares present and entitled to vote, and will be counted as a “no” vote on all other matters. Broker non-votes are treated as not entitled to vote, and so reduce the absolute number, but not the percentage of votes needed for approval of a matter. Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the meeting. If that happens, the nominees may vote those shares only on matters deemed “routine” by the NYSE MKT Exchange (the “Exchange”), such as the ratification of auditors. Nominees cannot vote on non-routine matters unless they receive voting instructions from beneficial holders, resulting in so-called “broker non-votes.”

Assuming that a quorum is present, directors will be elected by a plurality vote and the five nominees who receive the most votes will be elected. As a result, abstentions and broker non-votes, if any, will not affect the outcome of the vote on this proposal. There is no right to cumulative voting unless cumulative voting is requested at the Annual Meeting by a stockholder.

Assuming that a quorum is present, the ratification of the appointment of Whitley Penn LLP (“Whitley Penn”) as our independent registered public accountants for the fiscal year ending December 31, 2013 and approval of any other matter that may properly come before the annual meeting, the affirmative vote of a majority of the total votes cast on these proposals, in person or by proxy, is required to approve these proposals. As a result, abstentions will have the same practical effect as a negative vote on these proposals, and broker non-votes, if any, will not affect the outcome of the vote on these proposals. We believe that the proposal for the ratification of our independent registered public accounting firm is considered to be a “routine” matter, and hence we do not expect that there will be a significant number of broker non-votes on such proposal.

On December 10, 2012, NTR Metals, LLC, a Texas limited liability company (“NTR”) filed a Form 4 with the Securities and Exchange Commission (“SEC”) stating that, as of the filing date, NTR owned 5,026,442 shares of our Common Stock. NTR had previously filed, on October 31, 2012, a Schedule 13D/A with the SEC stating that, as of the filing date, NTR had been granted a proxy by Dr. L. S. Smith to vote his 1,628,014 shares until May 25, 2014, and holds an option to purchase up to 5,000,000 shares of our Common Stock, which if exercised would result in ownership of 67.85 percent of the outstanding shares of our Common Stock. On November 11, 2011, as a result of the transactions more fully described in Item 5.01 of our Current Report on Form 8-K, as filed with the SEC on November 15, 2011, NTR gained control over a majority of our Common Stock.

On January 7, 2013 NTR announced that it had agreed to transfer 4,393,142 of its shares of our Common Stock to Elemetal, LLC (“Elemetal”) in exchange for ownership units of Elemetal. NTR also announced its intention to transfer its option to purchase up to 5,000,000 shares of our Common Stock at an exercise price of \$15 per share (the “NTR Option”), to Elemetal. On January 9, 2013 we announced that our Board of Directors had approved the transfer of these options to Elemetal. As of the Record Date, May 7, 2013, (i) no shares have been transferred from NTR to Elemetal and (ii) the NTR Option has not yet been transferred from NTR to Elemetal. NTR has advised us that it expects to complete the necessary steps to complete the transfer of shares of our Common Stock and the NTR Option held by NTR to Elemetal by the end of May.

The accompanying proxy card provides space for you to vote in favor of, against or to withhold voting for: (i) the nominees for the Board of Directors identified herein; (ii) the ratification of the appointment of Whitley Penn as independent registered public accountants of DGSE for the fiscal year ending December 31, 2013; (iii) the proposal regarding an advisory vote on our current executive compensation; and (iv) the proposal that the advisory vote on executive compensation be held every three years. Our Board of Directors urges you to complete, sign, date and return the proxy card in the accompanying envelope, which is postage prepaid for mailing in the United States.

When a signed proxy card is returned with choices specified with respect to voting matters, the proxies designated on the proxy card will vote the shares in accordance with the stockholder’s instructions. We have designated James D. Clem and C. Brett Burford as proxies for the stockholders. If you desire to name another person as your proxy, you may do so by crossing out the names of the designated proxies and inserting the names of the other persons to act as your proxies. In that case, it will be necessary for you to sign the proxy card and deliver it to the person named as your proxy and for the named proxy to be present and vote at the annual meeting. Proxy cards so marked should not be

mailed to us.

If you sign your proxy card and return it to us and you have made no specifications with respect to voting matters, your shares will be voted FOR: (i) the election of the nominees for director identified herein; (ii) the ratification of the appointment of Whitley Penn as our independent registered public accountants for the fiscal year ending December 31, 2013; (iii) the proposal regarding an advisory vote on executive compensation; and (iv) the proposal that the advisory vote on executive compensation be held every three years.

You have the unconditional right to revoke your proxy at any time prior to the voting of the proxy by taking any act inconsistent with the proxy. Acts inconsistent with the proxy include notifying our Secretary in writing of your revocation, executing a subsequent proxy, or personally appearing at the annual meeting and casting a contrary vote. However, no revocation shall be effective unless at or prior to the annual meeting we have received notice of such revocation.

At least ten (10) days before the annual meeting, we will make a complete list of the stockholders entitled to vote at the annual meeting open to the examination of any stockholder for any purpose germane to the meeting. The list will be open for inspection during ordinary business hours at our executive offices located at 15850 Dallas Parkway, Suite 140, Dallas, Texas 75248, and will also be made available to stockholders present at the meeting.

PROPOSAL I: ELECTION OF DIRECTORS

Five directors are proposed to be elected at the annual meeting. If elected, each director will hold office until the next annual meeting of stockholders or until his successor is elected and qualified. The election of directors will be decided by a plurality vote.

The five nominees for election as directors to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified are Craig Alan-Lee, James D. Clem, William P. Cordeiro, David S. Rector and James J. Vierling. All of the nominees named in this proxy statement are members of our current Board of Directors. All nominees have consented to serve if elected and we have no reason to believe that any of the nominees named will be unable to serve. If any nominee becomes unable to serve, (i) the shares represented by the designated proxies will be voted for the election of a substitute as our Board of Directors may recommend, (ii) our Board of Directors may reduce the number of directors to eliminate the vacancy or (iii) our Board of Directors may fill the vacancy at a later date after selecting an appropriate nominee.

The current Board of Directors nominated the individuals named below for election to our Board of Directors, and information regarding the background and qualifications of each of the nominees is set forth below. See “Security Ownership of Certain Beneficial Owners and Management” for additional information about the nominees, including their ownership of securities issued by DGSE.

BOARD OF DIRECTORS AND COMMITTEES

Board Composition

Our Board is currently composed of five directors. Our Board has determined that William P. Cordeiro, Craig Alan-Lee and David S. Rector are “independent” under the standards of the SEC and the Exchange. Under applicable SEC and Exchange rules, the existence of certain “related person” transactions above certain thresholds between a director and us are required to be disclosed and preclude a finding by our Board that the director is independent. In addition to transactions required to be disclosed under SEC rules, our Board considered certain other relationships in making its independence determinations, and determined in each case that such other relationships did not impair the director’s ability to exercise independent judgment on our behalf.

Our directors are elected at an annual meeting of our shareholders by the holders of shares entitled to vote in the election of directors, except in the case of vacancy, which can be filled by an affirmative vote of a majority of the remaining directors. Each director is elected to serve until the annual meeting of shareholders following his election or until he chooses to resign from his position.

Board Meetings

Our Board meets as often as necessary to perform its duties and responsibilities. During the fiscal year ended December 31, 2012 (“Fiscal 2012”), the Board met twelve times in person or telephonically. All members of our Board were present at and participated in all twelve meetings and all members, other than Mr. Rector, attended the 2012 annual meeting. In addition, our Board acted by written consent five times. Management also periodically conferred with directors between meetings regarding our affairs.

Audit Committee

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Exchange Act, consisting of three independent directors of our Board, is chaired by William P. Cordeiro, who is also an “audit committee financial expert,” as that term is defined in Item 407(d)(5)(ii) of Regulation S-K, promulgated under the Securities Act. Dr. Cordeiro is “independent,” as defined by the listing standards of the Exchange. The other members of the Audit Committee are David S. Rector and Craig Alan-Lee. The Audit Committee is primarily tasked with overseeing our financial reporting process, evaluation of independent auditors and, where appropriate, exercising its duty to replace our independent auditors. Management is responsible for preparing our financial statements, and the independent

auditors are responsible for auditing those financial statements.

In addition to their regular activities, the Audit Committee is available to meet with the independent auditors, the Chief Executive Officer or the Chief Financial Officer whenever a special situation arises and meets as often as necessary to perform their duties and responsibilities. The charter for the Audit Committee is available under the “Investor Relations” menu in the “DGSE Companies” section of our website at www.DGSE.com. We certify that we have adopted a formal written audit committee charter and that the Audit Committee reviews and reassesses the adequacy of the charter annually.

Audit Committee Report

The Audit Committee has reviewed and discussed the audited financial statements with management and Whitley Penn, our independent registered accounting firm, and all matters required to be discussed by the American Institute of Certified Public Accountants, Professional Standards, Vol. 1, AU Section 380, as adopted by the Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T.

The Audit Committee has received written disclosures and the letter from Whitley Penn required by applicable rules of the PCAOB regarding Whitley Penn’s communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Whitley Penn its independence.

Based on the review and discussions noted in the preceding two paragraphs, the Audit Committee recommended to the Board that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ended December 31, 2012.

The Audit Committee acts pursuant to our Audit Committee Charter. Each of the members of the Audit Committee qualifies as an independent director under the current listing standards of the Exchange.

Compensation Committee

As of August 31, 2012, the Board approved the creation of a Compensation Committee comprised of our independent directors. The Compensation Committee is chaired by David S. Rector and is primarily concerned with reviewing, approving and determining the compensation of our executive officers to ensure that we employ ethical compensation standards and that our executive officers are fairly compensated based upon their performance and contribution to us. The Compensation Committee meets as often as necessary to perform their duties and responsibilities. The charter for the Compensation Committee is available under the “Investor Relations” menu in the “DGSE Companies” section of our website at www.DGSE.com. We have adopted a formal written Compensation Committee Charter, and the Audit Committee reviews and reassesses the adequacy of the charter annually.

Nominations for Directors

At the end of Fiscal 2012, we were classified as a “controlled company,” as that term is defined by the Exchange, and as of that date, we did not have a Nominating and Corporate Governance Committee or any committee performing similar functions.

All nominees standing for election as a member of our Board were selected by the Board, based on a review of each individual’s background, experience and knowledge of our affairs.

Leadership

Pursuant to our bylaws, the Chairman of our Board shall be and is our Chief Executive Officer. We do not have a lead independent director. Pursuant to our bylaws, the Chairman of our Board and Chief Executive Officer presides, when present, at all meetings of the shareholders and at all meetings of our Board. The Chairman of our Board and Chief Executive Officer generally supervises over our affairs, shall have general and active control of all of our business and shall see that all orders and resolutions of our Board and our shareholders are carried into effect. We have determined this leadership structure appropriate given the need for a centralized model of oversight.

Risk Oversight

Like other companies, we face a variety of risks, including investment risk, liquidity risk and operational risk. Our Board believes an effective risk management system should (i) timely identify the material risks that we face, (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or the relevant committee of our Board of Directors, (iii) implement appropriate and responsive risk management strategies consistent with our risk profile, and (iv) integrate risk management into decision-making. Our Board is tasked with overseeing risk oversight, and periodically meets with management and advisors regarding the adequacy and effectiveness of our risk management processes and to analyze the most likely areas of future risk for us. In addition to the formal compliance program, our Board encourages management to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations.

Code of Business Conduct & Ethics and Related Party Transaction Policy

We have adopted a Code of Business Conduct & Ethics, as well as a Related Person Transaction Policy, each of which applies to our directors, executive officers (or persons performing similar functions), employees and certain of our other affiliates, associates and/or related persons. The latest copies of our Code of Business Conduct & Ethics and Related Person Transaction Policy are available under the “Investor Relations” menu in the “DGSE Companies” section of our website at www.DGSE.com. Any transactions between us and our officers, directors, principal shareholders, or other affiliates have been and will be on terms no less favorable to us than the Board believes could be obtained from unaffiliated third parties on an arms-length basis. We intend to disclose future amendments to these policies, or waivers of such provisions, at the same location on our website and also in public filings.

Shareholder Communication

Shareholders may send communications to our Board, individual directors or officers through our Investor Relations Department, Attn: Mr. C. Mr. Burford will forward our shareholders all communications that, in his judgment, are appropriate for consideration by members of our Board. Comments or questions regarding our accounting, internal controls or auditing matters will be referred to members of the Audit Committee. Comments or questions regarding the nomination of directors and other corporate governance matters will be referred to all members of our Board.

The Board chose Mr. Burford for these positions because of Mr. Burford's extensive 22 years of experience in finance, strategic planning, regulatory

compliance and corporate governance. From 2008 to 2011, Mr. Burford served as Chief Financial Officer of Craftmade International, Inc., a publicly-traded producer of home décor items, where Mr. Burford helped lead negotiations of the sale of Craftmade to a strategic buyer in late 2011. James D. Clem has served as a director and Chief Operating Officer of DGSE Companies, Inc. since December, 2012. Mr. Clem was elected to the Board because of his extensive jewelry and precious metal industry experience and other related experience. Prior to his current position, Mr. Clem had served as our Vice President of Sales and Marketing since 2008. Prior to 2008, Mr. Clem was with the Heritage Organization, LLC, an estate planning firm, for seven years as Vice President of Sales and Marketing and then Chief Operating Officer. Mr. Clem holds a B.B.A. in business from the University of Texas at Arlington.

EXECUTIVE COMPENSATION

Our Board is responsible for establishing and administering our executive compensation and employee benefit programs in the context of our overall goals and objectives. This Board duty has been delegated to the Compensation Committee of our Board of Directors (the “Compensation Committee”) in accordance with the Compensation Committee's Charter. The Compensation Committee reviews the executive compensation program at least annually and approves appropriate modifications to executive officer compensation, including specific amounts and types of compensation. The Compensation Committee is responsible for establishing the compensation of the CEO and executive officers. The Compensation Committee establishes the annual compensation of the non-employee directors and oversees our equity compensation plans, including the administration of our stock-based compensation plans.

The objectives of our compensation program are to (i) provide a competitive, comprehensive compensation package to attract, retain and motivate highly talented personnel at all levels of our organization and (ii) provide incentives and rewards for implementing and accomplishing our short-term and long-term strategic and operational goals and objectives. Therefore, we strive to structure compensation packages that are competitive within the industry, while maintaining and promoting our interests, as well as the interests of our shareholders.

We believe that specific levels of executive compensation should reflect the responsibilities of each position within our company, the relative value of the position and the competition for quality, key personnel in our industry. Our executive compensation program includes three primary components:

Base salary. Base salary is the guaranteed element of an executive’s annual cash compensation. The level of base salary reflects the Compensation Committee’s assessment of the employee’s long-term performance, his or her skill set and the market value of that skill set.

Annual cash bonus opportunities. Performance-based incentive cash bonuses are intended to reward executives for achieving specific financial and operational goals both at a corporate and an individual level.

Long-term incentive awards. Long-term incentives are provided through grants of stock options and performance share awards intended to encourage our executives to take steps that they believe are necessary to ensure our long-term success, and to align their interests with our other shareholders.

Advice of Compensation Consultant

In January of 2012, prior to the formation of our Compensation Committee, our Board, performing the function of a compensation committee, retained an independent compensation consultant, Paradox Compensation Advisors (“Paradox”), to analyze our executive compensation program as compared to our peers. Paradox also advised the Compensation Committee regarding appropriate elements of a competitive executive compensation structure, including fixed and at-risk elements, short-term and long-term incentives, and cash and equity components. In March of 2012, Paradox reported the results of its analysis of our total executive compensation packages for positions held by members of our executive leadership team, as well as specific components of those packages, as compared to executives holding similar positions at similarly-sized companies and/or labor market peers in related industries.

The Paradox report indicates that our base salaries and total cash compensation (including bonuses) for the current executive leadership team members are generally below the 25th percentile, compared to our peers. The survey results also indicate that our long-term equity incentive awards are significantly below market, in all cases being below the 25th percentile range, compared to our peers. Paradox also advised that, with respect to equity incentives for executive management, there has been a recent shift from granting employee stock options only, to awarding restricted stock units or performance-based stock awards.

Due to the significant changes in our executive leadership during 2011 and 2012, all three named executives received initial or revised compensation agreements during Fiscal 2012. The Compensation Committee’s decisions regarding executive compensation for 2012 reflected its continued desire to bring our executive compensation program more in line with our peers.

Components of 2012 Executive Officer Compensation

Our executive compensation program is comprised of both fixed and variable elements, with both cash and equity components, including a base salary and annual cash incentives and bonus opportunities. Currently only Mr. Vierling and Mr. Burford have cash bonuses specifically designated as part of their compensation agreements, although Mr. Clem is able to receive a cash bonus at the discretion of the Compensation Committee. Currently only Mr. Vierling has a specified equity bonus as part of his compensation plan, but, based on the Paradox survey, the Compensation Committee is committed to bring the executive leadership team more in line with its peer group in terms of long-term equity-based compensation.

Compensation of Directors

Our directors are responsible for guiding and supervising our business and affairs. Recent developments in corporate governance and financial reporting have resulted in an increased involvement of public company directors. Our Board committees—Audit and Compensation—are composed exclusively of independent directors. The many responsibilities and risks and the substantial time commitment of being a director of a public company require that we provide adequate compensation to ensure our directors' continued performance.

Dr. Cordeiro received four quarterly payments of \$5,000 as Chairman of our audit committee in both Fiscal 2012 and Fiscal 2011. Mr. Rector and Mr. Alan-Lee received four quarterly payments of \$4,500 as independent directors in both Fiscal 2012 and Fiscal 2011. Our directors do not receive meeting fees for Board or committee meeting attendance. In addition to the quarterly payments, we reimburse our directors for their reasonable expenses incurred while attending meetings of our Board and its Committees or conducting other company business. We do not provide any health insurance, retirement or other benefit programs to our independent directors.

We did not provide equity compensation for our independent directors in Fiscal 2012 or Fiscal 2011. Our employee directors receive no separate compensation for their services as directors.

The following table sets forth the total compensation paid to our directors for their service on our Board and committees of the Board during Fiscal 2012 and Fiscal 2011.

Equity Compensation Plan Information

On June 27, 2006 our shareholders approved the adoption of the 2006 Equity Incentive Plan (the “2006 Plan”) which reserved 750,000 shares of our Common Stock for issuance as part of equity compensation. We subsequently granted options to purchase 150,000 shares of our Common Stock pursuant to the 2006 Plan, of which 100,000 have been exercised, 20,000 have expired, and 30,000 remain outstanding. As a result, there are 620,000 shares of our Common Stock available for future grants under the 2006 Plan, which excludes shares of our Common Stock underlying options that have either been exercised or remain outstanding.

On June 21, 2004, our shareholders approved the adoption of the 2004 Stock Option Plan (the “2004 Plan”) which reserved 1,700,000 shares of our Common Stock for issuance upon exercise of options to purchase our Common Stock. We granted options to purchase an aggregate of 1,459,634 shares of our Common Stock under the 2004 Plan to certain of our officers, directors, key employees and certain other individuals who provided us with goods and services. Each option vested on either January 1, 2004 or immediately upon issuance thereafter. The exercise price of

each option issued pursuant to the 2004 Plan is equal to the market value of our Common Stock on the date of grant, as determined by the closing bid price for our Common Stock on the Exchange on the date of grant or, if no trading occurred on the date of grant, on the last day prior to the date of grant on which our securities were listed and traded on the Exchange. Of the options issued under the 2004 Plan, as of December 31, 2012, 845,634 have been exercised, 271,500 have expired, and 342,500 remain outstanding. Our Board has determined not to make any further issuances pursuant to the 2004 Plan, and as a result there are zero options to purchase our Common Stock available for future grants under the 2004 Plan.

The following table summarizes options outstanding as of December 31, 2012:

Plan Category	Column (a): Number of securities to be issued upon exercise of options	Column (b): Weighted average exercise price of outstanding options	Column (c): Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))
Equity compensation plans approved by security holders	372,500	2.55	620,000
Equity compensation plans not approved by security holders	None	-	None
	372,500	2.55	620,000

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

From time to time, we engage in business transactions with our controlling shareholder, NTR and other related parties. Set forth below in the section entitled “Related Party Transactions” is a summary of such transactions.

Controlling Shareholder

NTR holds 5,037,642 shares of our Common Stock. NTR has notified us that intends to transfer a substantial portion of its holdings from NTR to Elemetal, as more fully described in the Schedule 13D jointly filed by NTR and Elemetal on January 2, 2013 (the “NTR-Elemetal Schedule 13D”). However, as of the Record Date, the transfer of shares of our Common Stock from NTR to Elemetal contemplated by the NTR-Elemetal Schedule 13D has not been completed on our books and records. As a consequence, as of the Record Date, NTR remains the holder of 5,037,642 shares of our Common Stock, and Elemetal holds 0 shares of our Common Stock. Additionally, NTR holds a proxy to vote 1,520,812 shares of our Common Stock held by Dr. L. S. Smith, which will expire May 25, 2014. Effective January 7, 2013, with our consent, NTR initiated the transfer of the NTR Option to Elemetal. However, as of the Record Date, the transfer of the NTR Option has not been effected on our books and records. The NTR Option is vested and exercisable.

Related Party Transactions

DGSE has a corporate policy governing the identification, review, consideration and approval or ratification of transactions with related persons, as that term is defined in the Instructions to Item 404(a) of Regulation S-K, promulgated under the Securities Act (a “Related Party”). Under this policy, all Related Party transactions are identified and approved prior to consummation of the transaction to ensure they are consistent with DGSE’s best interests and the best interests of our stockholders. Among other factors, our Board of Directors considers the size and duration of the transaction, the nature and interest of the of the Related Party in the transaction, whether the transaction may involve a conflict of interest and if the transaction is on terms that are at least as favorable to DGSE as would be available in a comparable transaction with an unaffiliated third party. Our Board of Directors reviews all Related Party transactions at least annually to determine if it is in DGSE’s best interests and the best interests of our stockholders to continue, modify, or terminate the Related Party transactions. DGSE’s Related Party Transaction Policy is available for review in its entirety under the “Investor Relations” menu in the “DGSE Companies” section of our website at www.DGSE.com.

NTR is our largest shareholder. In 2012, NTR was also DGSE’s primary refiner and bullion trading partner. In 2012, 43 percent of sales and 22 percent of purchases were transactions with NTR, and in 2011 these transactions represented 41 percent of our sales and 23 percent of our purchases. As of December 31, 2012, we were obligated to pay \$1,278,000 to NTR as a trade payable.

On July 19, 2012, we entered into the Loan Agreement with NTR, pursuant to which NTR agreed to provide us with a guidance line of revolving credit in an amount up to \$7,500,000. The Loan Agreement provides that the Loan Agreement will terminate—and DGSE’s obligations (the “Obligations”) will be due and payable—upon the earlier of (i) August 1, 2014, (ii) the date that is twelve months after DGSE receives notice from NTR demanding the repayment of the Obligations, (iii) the date the Obligations are accelerated in accordance with the terms of the Loan Agreement or (iv) the date on which the commitment terminates under the Loan Agreement. In connection with the Loan Agreement, we granted a security interest in the respective personal property of each of our subsidiaries. The loan carries an interest rate of 2 percent per annum for all funds borrowed pursuant to the Loan Agreement. Proceeds received by DGSE pursuant to the terms of the Loan Agreement were used for repayment of all outstanding financial obligations incurred in connection with that certain Loan Agreement, dated as of December 22, 2005, between DGSE and Texas Capital Bank, N.A., and additional proceeds are expected to be used as working capital in the ordinary course of business. As of December 31, 2012, the outstanding balance of the loan was \$3,583,358.

Estate Gold and Silver, LLC (“Estate Gold”) is 25 percent owned by James Vierling, DGSE’s Chief Executive Officer and Chairman, and operates five stores in Oklahoma, primarily focused on buying gold, but also engaging in retail sales of jewelry and bullion. We have an agreement with Estate Gold to provide operations management services, consisting of: (i) the receipt, inventorying, and re-sale of Estate Gold purchases; (ii) the management of Estate Gold’s payroll, insurance, accounts payable and receivable; (iii) the maintenance of and updates to Estate Gold’s business software; (iv) maintenance of the Estate Gold website; and (v) financial reporting of Estate Gold to its owners. We also engage in the purchase or sale of jewelry, bullion and diamonds to Estate Gold, from time to time in the normal course of business. During Fiscal 2012, we received \$183,650 in fees for services from Estate Gold, and sold \$274,624 in products to them. We also purchased \$96,116 in product from Estate Gold.

Kristen Oyster is the brother of William Oyster, our former Chief Executive Officer and Chairman, and is employed by us as the head of our numismatic operations. Kristen Oyster received \$176,733 in compensation from us in Fiscal 2012.

Our Audit Committee has reviewed these transactions and deemed them to be on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances.

Legal Proceedings

On April 16, 2012, we filed a Current Report on Form 8-K disclosing that our Board had determined the existence of the accounting irregularities beginning approximately during the second calendar quarter of 2007 and continuing in periods subsequent thereto (the “Accounting Irregularities”), which could affect financial information reported since that time. On April 16, 2012, we also announced that it had engaged forensic accountants to analyze the Accounting Irregularities, and that financial statements and information reported since the inception of the Accounting Irregularities, believed to begin in the second calendar quarter of 2007, should not be relied upon. We brought the

Accounting Irregularities to the attention of the SEC in a letter dated April 16, 2012. On June 18, 2012, we received written notice that the SEC had initiated a private investigation into the Accounting Irregularities, to determine whether any persons or entities had engaged in any possible violations of the federal securities laws. We have cooperated fully, and continue to cooperate fully, with the SEC staff in the investigation. This investigation is still pending as of the date of the filing of this Proxy Statement, and there can be no certainty as to the outcome of this investigation, or to the findings of the SEC.

Also, in connection with the Accounting Irregularities, and the subsequent halt in trading of our Common Stock on the Exchange, we have received notice of two lawsuits that have been filed. The first, Civil Action No. 3:12-cv-3664 filed in the United States District Court for the Northern District of Texas, on September 7, 2012, entitled Grant Barfuss, on behalf of himself and all others similarly situated vs. DGSE Companies, Inc.; L. S. Smith, John Benson and William Oyster. This is a complaint alleging violations of the securities laws and seeks unspecified damages. Plaintiffs allege that certain public filings in 2010 and 2011 were false and misleading. The second suit, Case No. 3:12-cv-03850 in the United States District Court for the Northern District of Texas, was filed on September 21, 2012, by Jason Farmer, Derivatively on Behalf of Nominal Defendant DGSE Companies, Inc., Plaintiff, v. William H. Oyster, James D. Clem, William Cordeiro, Craig Alan-Lee, David Rector, L. S. Smith, and John Benson, Defendants, and DGSE Companies, Inc., Nominal Defendant. This suit has been filed against DGSE, as a nominal defendant, and against certain and former officers and directors. The plaintiff asserts that certain proxy statements were false and misleading, that the defendants breached fiduciary duties owed to DGSE, for abuse of control, and seeks unspecified compensatory and exemplary damages, along with certain corporate governance changes, for the benefit of DGSE. DGSE intends to defend itself vigorously in these matters.

We are currently discussing, both internally among the members of our Board of Directors and with our outside counsel, whether it is in our best interest and in the best interests of our shareholders to pursue legal action against those officers and providers of professional services who were involved in the Accounting Irregularities. We have not made any determinations on this matter as of the date of this Proxy Statement.

The Texas Comptroller of Public Accounts (the "Comptroller") conducted a sales and use tax audit of DGSE with respect to the period March 1, 2006 through November 30, 2009 and subsequently sent a Notification of Audit Results, by letter dated December 17, 2010, asserting that we owe an amount of tax due, plus penalties and interest. We submitted a request for redetermination to the Comptroller by letter dated January 13, 2011. By letter dated August 25, 2011, the Comptroller stated that our request for a redetermination hearing has been granted. The hearing has not yet taken place.

**PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF
WHITLEY PENN AS INDEPENDENT AUDITORS OF DGSE
FOR THE FISCAL YEAR ENDING 2013**

The Audit Committee has appointed Whitley Penn as our independent registered accountants to audit our financial statements for the fiscal year ending December 31, 2013, and has further directed that management submit the selection of independent registered accountants for ratification by our stockholders at the annual meeting. Stockholder ratification of the selection of Whitley Penn is not required by our bylaws or otherwise. However, we are submitting the selection of Whitley Penn to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Whitley Penn. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it is determined that such a change would be in the best interests of DGSE and our stockholders.

Representatives of the firm of Whitley Penn are expected to be present at our annual meeting and will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

In accordance with the requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee's charter, all audit and audit-related work and all non-audit work performed by our independent accountants, Whitley Penn, is approved in advance by the Audit Committee, including the proposed fees for such work. The Audit Committee is informed of each service actually rendered.

The following table presents fees for the audits of our annual Consolidated Financial Statements for Fiscal 2012 and Fiscal 2011. This table includes fees for professional services rendered by our current independent auditors, our past independent auditors and other firms who provided services related to the production of our restated Consolidated Financial Statements for Fiscal 2011 and 2010.

(1) Cornwell Jackson and Company, P.C. was dismissed as our independent auditors on May 29, 2012. Whitley Penn was engaged as our independent auditors on May 29, 2012, to provide audit services in relation to (2) our Fiscal 2010 and Fiscal 2011 consolidated financial statements, but no services were rendered during those periods.

The amounts for audit fees include generally the fees charged for (i) the audit of our annual Consolidated Financial Statements and (ii) the reviews of our quarterly financial statements. The tax fees were primarily for tax return preparation and tax-related services.

Applicable law and regulations provide an exemption that permits certain services to be provided by our outside auditors even if they are not pre-approved. We have not relied on this exemption at any time since the Sarbanes-Oxley Act was enacted.

We engaged the accounting firm of Cornwell Jackson and Company, P.C. (“Cornwell Jackson”) on October 11, 2004, to review and audit our financial statements. After May 18, 2012, Cornwell Jackson provided no further services to us, and Cornwell Jackson was dismissed as our independent accountants by our Board on May 29, 2012. In order to comply with the requirements of the SEC Practice Section, on June 1, 2012, Cornwell Jackson submitted the notification letter indicating that the client-auditor relationship had ceased effective May 29, 2012.

No report of Cornwell Jackson on our financial statements for either of our past two fiscal years contained any adverse opinion or disclaimer of opinion or was qualified or modified as to uncertainty, audit scope or accounting principles.

During our two most recent fiscal years and through and including any interim period preceding Cornwell Jackson’s dismissal by our Board of Directors on May 29, 2012, there were no disagreements with Cornwell Jackson on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Cornwell Jackson, would have caused it to make reference thereto in any report.

Cornwell Jackson, in a letter to us dated May 26, 2011 and in connection with its audit of our financial statements included in our Annual Report on Form 10-K for Fiscal 2010, advised us that we did not have the internal controls necessary for us to develop reliable financial statements (the “Letter”). Our Board discussed the subject matter of the Letter with Cornwell Jackson, and we have authorized Cornwell Jackson to respond fully to the inquiries of any successor accounting firms concerning the subject matter of the Letter. There were no disagreements with Cornwell Jackson regarding the Letter or the subject matter of the Letter. Other than the Letter, during our two most recent fiscal years and through and including any interim period preceding Cornwell Jackson’s dismissal by our Board on May 29, 2012, there were no “reportable events” (as that term is defined in Item 304(a)(1)(v) of Regulation S-K promulgated under the Securities Act).

We requested that Cornwell Jackson furnish us with a letter addressed to the SEC stating whether or not it agrees with the above statements in this Proposal 2. A copy of such letter to the SEC is filed as Exhibit 16.1 to the Current Report on Form 8-K filed with the SEC on June 4, 2012, and is incorporated herein by reference.

On May 29, 2012, we engaged the firm of Whitley Penn as our principal independent accountant to audit our financial statements. The members of our Board of Directors unanimously approved the engagement of Whitley Penn.

Prior to the engagement of Whitley Penn, neither we nor any person on our behalf consulted Whitley Penn regarding either (i) the application of accounting principles to a specified completed or proposed transaction or the type of audit

opinion that might be rendered on our financial statements, or (ii) any matter that was the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K, promulgated under the Securities Act and the related instructions to such Item) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K, promulgated under the Securities Act).

Vote Required

The affirmative vote of a majority of the votes cast at the meeting at which a quorum representing a majority of all outstanding shares of our Common Stock is present and voting, either in person or by proxy, is required for the ratification of our independent registered accountants.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF Whitley Penn AS INDEPENDENT AUDITORS OF DGSE FOR THE FISCAL YEAR ENDING December 31, 2013.

PROPOSAL 3: ADVISORY VOTE TO APPROVE

NAMED EXECUTIVE COMPENSATION

We are requesting our stockholders to provide advisory approval of the compensation of our named executive officers as disclosed in the Executive Compensation section of this Proxy Statement. This non-binding advisory vote is commonly referred to as a “say-on-pay” vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

Background on Proposal

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) and related SEC rules, stockholders are being given the opportunity to vote at the Annual Meeting on an advisory resolution regarding the compensation of our named executive officers (commonly referred to as “say-on-pay”) as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC. This vote is required by Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The advisory resolution which will be presented and voted upon at the Annual Meeting is as follows:

RESOLVED, that the stockholders of DGSE Companies, Inc. hereby approve, on an advisory basis, the current compensation of our named executive officers, as disclosed in the Executive Compensation section of the Proxy Statement.

Effects of the Advisory Vote

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to our named executive officers and will not be binding on the Board of Directors or the Compensation Committee. However, the Compensation Committee and the Board of Directors will consider the outcome of the vote when making future executive compensation decisions.

Vote Required

The resolution approving, on an advisory basis, the current compensation of our named executive officers will be approved if a majority of the votes cast at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked "ABSTAIN" with respect to the proposal will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of the proposal. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal, any such broker non-votes will not be deemed a vote cast.

Discussion

Our Compensation Committee and our Board of Directors, who are responsible for designing and administering our executive compensation program, have designed our current executive compensation program to provide a competitive and internally equitable compensation program and benefits package that reflects company performance, job complexity and the value provided, while also promoting long-term retention, motivation and alignment with the long-term interests of our stockholders.

We encourage you to carefully review the Executive Compensation section of this Proxy Statement including the compensation tables and narrative discussion set forth on pages 10 through 12 of this Proxy Statement. We are asking you to indicate your support for the compensation of our Named Executive Officers as described in this Proxy Statement. This vote is not intended to address any specific item of compensation but rather the overall compensation of our named executive officers. Accordingly, we are asking you to vote, on an advisory basis, "FOR" the foregoing resolution at the Annual Meeting.

**PROPOSAL 4: ADVISORY VOTE ON FREQUENCY
OF FUTURE “SAY-ON-PAY” ADVISORY VOTES**

At the Annual Meeting, stockholders will be given the opportunity to vote on whether they prefer to have future “say-on-pay” votes occur (i) every year, (ii) every two years or (iii) every three years.

**THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE IN FAVOR OF
HOLDING FUTURE “SAY-ON-PAY” ADVISORY VOTES EVERY THREE YEARS.**

Background on Proposal

In accordance with the Dodd-Frank Act and related SEC rules, stockholders are being given the opportunity to vote at the Annual Meeting on an advisory resolution regarding the compensation of our named executive officers (see Proposal Three above in this Proxy Statement). The Dodd-Frank Act and applicable SEC rules also require that, at least once every six years, stockholders be given the opportunity to vote on an advisory resolution regarding the frequency of future “say-on-pay” votes. Specifically, this vote is required by Section 14A of the Exchange Act.

Stockholders may vote to recommend that future “say-on pay” votes be held every year, every two years or every three years. The Board of Directors presently believes that future “say-on-pay” votes should occur every three years. The Board of Directors believes that holding a “say-on-pay” vote every three years is most consistent with our approach to executive compensation in which we seek to enhance our long-term growth and to attract, retain and motivate our executive officers over the long term. The Board of Directors believes a three-year cycle for the advisory vote on executive compensation will provide investors the most meaningful timing alternative by which to evaluate the effectiveness of our executive compensation strategies and their alignment with our business and results of operation. It will also minimize the administrative, compliance and other corporate expenses associated with holding “say-on-pay” votes more frequently (e.g., every year or every two years).

Effects of Advisory Vote

Because the vote on this matter is advisory in nature, it will not be binding on the Board of Directors. However, the Board of Directors will consider the outcome of the vote, along with other factors, when making its decision about the

frequency of future “say-on-pay” votes.

Vote Required

This proposal is being submitted to enable stockholders to express a preference as to whether future “say-on-pay” votes should be held every year, every two years or every three years. The selection that receives a plurality of affirmative votes will be considered the preference of the stockholders. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal and any such broker non-votes will not be deemed a vote cast.

In such cases, that correspondence will be forwarded to our corporate secretary for review and possible response. This information is also contained on our website at www.DGSE.com.

With respect to our 2014 Annual Meeting of Stockholders, if we are not provided notice of a stockholder proposal by April 5, 2014, we will be permitted to use our discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter in the proxy statement.
