Item 8.01. Other Events.

During the quarter ended March 31, 2013, Equifax Inc. (“the Company”) divested of two non-strategic business lines, Equifax Settlement Services and Talent Management Services, for a total of \$47.5 million. Both of these businesses have been accounted for as a discontinued operation, which requires that prior period information be recast to remove the results of operations of the disposed businesses from the results of the Company’s continuing operations. The businesses were reported as discontinued operations in the Company’s Quarterly Report on Form 10-Q for the quarter ended March 31, 2013, filed with the Securities and Exchange Commission on April 25, 2013.

Beginning in 2013, the Company realigned certain account management responsibilities which resulted in transferring the responsibility for selected wholesale accounts from North America Personal Solutions to U.S. Consumer Information Services, for which we have made conforming adjustments to historic segment results for comparability.

The Company is recasting the presentation of its financial information for all periods presented in certain sections of its Annual Report on Form 10-K for the year ended December 31, 2012, filed with the Securities and Exchange Commission on February 22, 2013 (“2012 Form 10-K”) to present Equifax Settlement Services and Talent Management Services as discontinued operations and the conforming adjustments from North America Personal Solutions to U.S. Consumer Information Services for all periods presented. Included in this Form 8-K are the following items recast solely to reflect the impact of discontinued operations and the conforming segment adjustments on the Company’s consolidated financial information:

Exhibit 99.1 – Selected Financial Data (Part II, Item 6);

Exhibit 99.2 – Management’s Discussion and Analysis of Financial Condition and Results of Operations (“MD&A”) (Part II, Item 7); and
