**(to Prospectus dated January 30, 2014)**

**\$25,000,000**

**Stellus Capital Investment Corporation**

**6.50% Notes due 2019**

We are an externally managed, closed-end, non-diversified management investment company that has elected to be regulated as a business development company under the Investment Company Act of 1940, or the 1940 Act. Our investment objective is to maximize the total return to our stockholders in the form of current income and capital appreciation through debt and related equity investments in middle-market companies.

We are offering \$25,000,000 in aggregate principal amount of 6.50% notes due 2019, which we refer to as the Notes. The Notes will mature on April 30, 2019. We will pay interest on the Notes on February 15, May 15, August 15 and November 15 of each year, beginning August 15, 2014. We may redeem the Notes in whole or in part at any time or from time to time on or after April 30, 2016, at the redemption price of par, plus accrued interest, as discussed under the caption Specific Terms of the Notes and the Offering Optional redemption in this prospectus supplement. The Notes will be issued in minimum denominations of \$25 and integral multiples of \$25 in excess thereof.

The Notes will be our direct senior unsecured obligations and rank *pari passu* with all outstanding and future unsecured unsubordinated indebtedness issued by Stellus Capital Investment Corporation.

We intend to list the Notes on the New York Stock Exchange and we expect trading to commence thereon within 30 days of the original issue date under the trading symbol SCQ. The Notes are expected to trade flat. This means that purchasers will not pay, and sellers will not receive, any accrued and unpaid interest on the Notes that is not included in the trading price. Currently, there is no public market for the Notes and there can be no assurance that one will develop.

Optional redemption

The Notes may be redeemed in whole or in part at any time or from time to time at our option on or after April 30, 2016 upon not less than 30 days nor more than 60 days written notice by mail prior to the date fixed for redemption thereof, at a redemption price of 100% of the outstanding principal amount of the Notes to be redeemed plus accrued and unpaid interest payments otherwise payable thereon for the then-current quarterly interest period accrued to the date fixed for redemption. Before redeeming any Notes, we would have to comply with certain requirements under our Credit Facility, to the extent such requirements remain in effect at such time, or otherwise obtain consent from the lenders.

You may be prevented from exchanging or transferring the Notes when they are subject to redemption. In case any Notes are to be redeemed in part only, the redemption notice will provide that, upon surrender of such Note, you will receive, without a charge, a new Note or Notes of authorized denominations representing the principal amount of your remaining unredeemed Notes.

Any exercise of our option to redeem the Notes will be done in compliance with the 1940 Act.

If we redeem only some of the Notes, the trustee will determine the method for selection of the particular Notes to be redeemed, in accordance with the indenture and in accordance with the rules of any national securities exchange or quotation system on which the Notes are listed.
