Item 1.01 Entry into a Material Definitive Agreement.

On March 16, 2015, TOT Group Europe, Ltd. (“TOT Group Europe”), a subsidiary of Net Element, Inc. (the “Company”), entered into a Binding Offer Letter (the “Offer”) with PayOnline System LLC and Social Discovery Ventures to acquire all of the issued and outstanding equity interests of the PayOnline group of companies consisting of PayOnline System LLC, Innovative Payment Technologies LLC, Polimore Capital Limited and Brosword Holding Limited (collectively, “PayOnline”). PayOnline’s business includes the operation of a protected payment processing system to accept bank card payments for goods and services.

The consideration for all of the equity interests of PayOnline will be a combination of cash and restricted (i.e., issued in reliance on an applicable exemption from registration and subject to Rule 144 of the Securities Act of 1933, as amended) shares, payable in five installments. The Offer sets forth the determination of the value of such shares based on the closing sales price on the date before each applicable payment date and provides certain additional restrictions on trading of the Company's common stock. The Offer states that at no time will the Company issue shares of its common stock if such transaction would result in the issuance of more than 19.999% of the amount of common stock of the Company issued and outstanding unless (i) the Company’s stockholders shall have approved the issuance of shares of common stock in excess of 20%, or (ii) NASDAQ has provided a waiver of Listing Rule 5635(d). The first installment will be payable upon closing of the PayOnline acquisition and will consist of \$3.6 million in cash and the restricted shares of the Company's common stock with a value of \$3.6 million. The other four installments will be payable after the end of each applicable quarter for which the installment is calculated, and will consist of a combination of cash and the restricted shares of the Company's common stock, in each case equal to the earn-out. The earn out will be calculated based on PayOnline EBITDA for certain post-closing periods, multiplied by 1.35. Pursuant to the Offer, the aggregate valuation of PayOnline on a debt-free basis will be \$8,482,000, and the purchase price will not exceed such amount.

At the end of the 12-month period following the issuance of restricted shares of the Company's common stock to the Sellers (“Guarantee Period”), TOT Group Europe will guaranty that the value of such stock then not sold by the sellers of PayOnline equity interests (the “Sellers”) will not be less than the value of such at the date of the issuance of such stock. Subject to certain conditions, if at the end of the Guarantee Period the value of the any such remaining stock is less than the value of such stock at the date of the issuance of such stock, TOT Group Europe will pay a cash amount equaling the difference between such values. If any party that terminates the Offer, it will be subject to \$400,000 penalty.

The consummation of the acquisition is subject to the satisfaction of the following conditions: (i) the execution of definitive agreement relating to the acquisition; (ii) the completion of due diligence of PayOnline; (iii) the Sellers warranting that any profit earned by PayOnline in 2014 will remain in Payonline; (iv) no material adverse change to the business of PayOnline; (v) the Sellers entering into non-compete and non-solicitation covenants; (vi) PayOnline not having any outstanding pledges to pay dividends or to proceed any other settlements with its founders at closing; (vii) PayOnline obtaining a 3-years agreement with Anastasiadate.com family of websites on the conditions set forth in the Offer; (viii) PayOnline obtaining a 3-year lease for the premises PayOnline currently occupies on the terms and conditions not less favorable than the current terms; (xi) PayOnline not having at closing any material overdue

The parties agreed to negotiate the transaction structure and a definitive sale and purchase agreement with customary representations, warranties conditions and covenants.
