PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

Wednesday, June 17, 2015

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of INRAD OPTICS, INC., a New Jersey corporation with its principal offices at 181 Legrand Avenue, Northvale, New Jersey 07647 (the "Company"), to be used at the Annual Meeting of Shareholders of the Company (the "Annual Meeting") to be held at the offices of the Company, 181 Legrand Avenue, Northvale, New Jersey, 07647 on Wednesday, June 17, 2015 at 10:00 a.m. This Proxy Statement and the enclosed form of proxy are first being sent to shareholders on or about May 15, 2015.

Shareholders Entitled to Vote

Only shareholders of record at the close of business on April 24, 2015, the record date fixed by the Board of Directors, will be entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the record date, there were 12,733,208 shares of the Company's Common Stock, par value \$0.01 per share (the "Common Stock"), outstanding and entitled to vote at the meeting. Each share is entitled to one vote. The presence in person or by proxy of owners of a majority of the outstanding shares of the Company's Common Stock will constitute a quorum for the transaction of business at the Company's Annual Meeting.

For purposes of determining the votes cast with respect to any matter presented for consideration at the Annual Meeting, only those cast "for" are included. Abstentions and broker non-votes are counted only for the purpose of determining whether a quorum is present at the Annual Meeting. Owners of Common Stock are not entitled to cumulative voting in the election of directors. Owners of Common Stock will not have any dissenters' rights of appraisal in connection with any of the matters to be voted on at the Company's Annual Meeting.

If you hold your shares in "street name" through a broker or other nominee, you should instruct your broker or nominee how to vote. A "broker non-vote" occurs when a nominee holding shares for a beneficial owner returns a duly executed proxy that does not include any vote with respect to a particular proposal because the nominee did not have discretionary voting power with respect to the matter being considered and did not receive voting instructions from the

beneficial owner. If that happens, the nominees may vote those shares only on matters deemed “routine,” such as the ratification of auditors. Only Proposal No. 2 for the ratification of the appointment of Baker Tilly Virchow Krause, LLP as our independent registered public accounting firm is considered a “routine” matter. Thus, if you do not give your broker or nominee specific voting instructions, your shares may only be voted for Proposal No. 2 and not voted for the other matters. If your shares are not voted, they will not be counted in determining the number of votes cast. However, shares represented by such “broker non-votes” will be counted for determining whether there is a quorum.

Votes Required to Approve Each Proposal

The proposal to elect one director nominee will require an affirmative vote for the proposal by a plurality of the Common Stock entitled to vote at the Annual Meeting.

The proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015 will require an affirmative vote for the proposal by a majority of the votes cast at the Annual Meeting by the holders of shares of Common Stock entitled to vote.

The proposal to approve the non-binding advisory resolution with respect to the compensation of our named executive officers will require an affirmative vote for the proposal by a majority of the votes cast at the Annual Meeting by the holders of shares of Common Stock entitled to vote.

Voting: Revocation of Proxies

A form of proxy is enclosed for use at the Annual Meeting if a shareholder is unable to attend in person. Each proxy may be revoked at any time before it is exercised by giving written notice of revocation to the Secretary of the Company, by filing a later dated proxy with the Secretary at any time prior to its exercise or by voting at the meeting. The presence at the meeting of a stockholder who has given a proxy does not revoke the proxy unless the stockholder files a notice of revocation or votes by written ballot. All shares represented by valid proxies pursuant to this solicitation (and not revoked before they are exercised) will be voted as specified in the form of proxy. If no specification is given, the shares will be voted in favor of the Board's nominee "for" director and "for" the other proposals described in this Proxy Statement.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF SHAREHOLDERS OF INRAD OPTICS, INC. TO BE HELD ON JUNE 17, 2015. THIS PROXY STATEMENT, THE ACCOMPANYING FORM OF PROXY CARD AND OUR ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED DECEMBER 31, 2014, INCLUDING FINANCIAL STATEMENTS, ARE AVAILABLE AT www.proxyvote.com. Under rules issued by the Securities and Exchange Commission (the "SEC"), we are providing access to our proxy materials both by sending you this full set of proxy materials and by notifying you of the availability of our proxy materials on the internet.

Costs of Solicitation

The entire cost of soliciting these proxies will be borne by the Company. In following up the original solicitation of proxies by mail, the Company may make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of the stock and may reimburse them for their expenses in so doing. If necessary, the Company may also use its officers and their assistants to solicit proxies from the shareholders, either personally or by telephone or special letter.

The following table presents certain information available to the Company at the date hereof with respect to the security ownership of the Company's Common Stock by (i) each of the Company's directors and nominees, (ii) each named executive officer of the Company, (iii) all executive officers and directors as group, and (iv) each person known by the Company to beneficially own more than five percent (5%) of the Company's common stock outstanding as of April 24, 2015. securities owned by each individual or entity separately without considering the dilutive effect of option exercises and security conversions by any other individual or entity. Accordingly, the percentages may add to more than 100%. The address of each principal shareholder, unless otherwise indicated, is Inrad Optics, Inc., 181 Legrand Avenue, Northvale, NJ 07647.

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Baker Tilly Virchow Krause, LLP served as the Company's independent registered public accounting firm during the fiscal year ended December 31, 2014 and has been appointed by the Company's Audit Committee to serve as the Company's independent registered public accountants for the current fiscal year ending December 31, 2015.

The Company's Audit Committee has the responsibility to select, retain and oversee the work of outside auditors and, when appropriate, to replace the outside auditors. Stockholder ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015 is not required by law or by the Company's Certificate of Incorporation or by-laws. However, the Board of Directors is submitting the selection of Baker Tilly Virchow Krause, LLP to the Company's stockholders for ratification as a matter of good corporate governance and practice. If the stockholders fail to ratify the appointment, the Company will reconsider whether or not to retain that firm. Even if the selection is ratified, the Company may appoint a different independent registered public accounting firm during the year if the Audit Committee of the Board of Directors determines that such a change would be in the best interests of the Company and its stockholders. A representative of Baker Tilly Virchow Krause, LLP is not expected to be present at the Annual Meeting but will be available by telephone to respond to appropriate questions from the stockholders.

The Board of Directors unanimously recommends that you vote FOR the proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm during the fiscal year ending December 31, 2015.

PROPOSAL THREE

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

The Board of Directors is asking shareholders to approve an advisory resolution on our named executive officer compensation as disclosed in this Proxy Statement. Our Compensation Committee has structured our executive compensation program to attract, motivate and retain highly qualified employees, to align our executives' interests with those of our shareholders and to provide our executives with certain additional compensation when superior financial results are achieved. The Compensation Committee and the Board of Directors believe that our compensation policies and procedures are effective in achieving our goals.

The Board of Directors is urging shareholders to read the "Executive Compensation" section of this Proxy Statement beginning on page 16 of this Proxy Statement, which includes the "Summary Compensation Table" and other related compensation tables, notes and narrative related to the compensation of our named executive officers.

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act and Section 14A of the Exchange Act, as amended, and as a matter of good corporate governance, the Board of Directors is asking shareholders to approve the following resolution at the 2015 Annual Meeting of Shareholders:

RESOLVED, that the shareholders of Inrad Optics, Inc. (the "Company") approve the compensation of the Company's named executive officers as disclosed in the Proxy Statement for the Company's 2015 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC (which includes the Executive Compensation section, the Summary Compensation Table and related narrative discussion).

Although this proposal, commonly referred to as a "say-on-pay" vote, is an advisory vote that will not be binding on the Board of Directors or the Compensation Committee, the Board of Directors and the Compensation Committee will consider the results of this advisory vote when making future decisions regarding our named executive compensation program.

The Board of Directors unanimously recommends that you vote FOR the approval, on an advisory basis, of the compensation of our named executive officers.

Compensation of Directors

Compensation for non-employee directors consists of two components: cash (i.e. meeting attendance fees, retainer and cash bonuses) and awards under the Company's 2010 Equity Compensation Program (the "Program"). Under the Program, stock option grants and restricted stock unit grants may be made by the Compensation Committee which serves as the Program Administrator. Equity-based grants are intended to align the interests of the Company's directors with that of other shareholders. The Company does not require its directors to own stock.

Fees paid to non-employee directors were \$500 during fiscal year 2014 for each board or committee meeting attended in person, and \$250 for each meeting in which they participated via telephone.

In addition, each non-employee director is paid an annual retainer fee, in quarterly installments. For 2014, the annual retainer was \$15,000 for the Chairman and \$10,000 for each of the other outside directors.

The Company provides for reimbursement of expenses for all directors in the performance of their duties, including reasonable travel expenses incurred attending meetings.

Directors, who are also employees of the Company, do not receive any additional fees for such services.

The table that follows provides information on components of non-employee director compensation in 2014.

Director Compensation in Fiscal Year 2014

Name	Fees earned or paid in cash (\$)	Option Awards (\$) (1)	Total (\$)
Luke P. LaValle, Jr.	15,500	1,275	16,775
Dennis G. Romano	15,500	1,275	16,775
N.E. Rick Strandlund	15,500	1,275	16,775
Jan M. Winston	20,250	1,275	21,525

The value of stock option awards is computed in accordance with FASB ASC Topic 718. These amounts reflect the aggregate grant date fair value of the awards. The Company granted 5,000 stock options with an exercise price of \$0.27 per share to each of the directors on January 21, 2014. The stock options had a fair value \$0.26 per share on the grant date. The number of stock options which vested in 2014 to each non-employee director was as follows: Luke P. LaValle, Jr., 5,000; Dennis G. Romano, 5,000; N.E. Rick Strandlund, 5,000 and Jan M. Winston, 5,000. As of December 31, 2014, the aggregate number of option awards outstanding for each non-employee director then serving as a director was as follows: Luke P. LaValle, Jr., 38,611; Dennis G. Romano, 25,000; N.E. Rick Strandlund, 25,000; and Jan M. Winston, 49,611.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

Board of Director

Composition of the Board

The Board of Directors in 2014 consisted of four independent directors, and the Company's President and CEO, Amy Eskilson.

The Board of Directors has determined that each of its four outside directors, Mr. Luke P. LaValle, Jr., Mr. Dennis G. Romano, Mr. N.E. Rick Strandlund and Mr. Jan M. Winston has no material relationship with the Company (other than as director) and is therefore “independent” within the meaning of the current listing standards of the Nasdaq Stock Market and applicable SEC rules. In its annual review of director independence, the Board of Directors considers all commercial, banking, consulting, legal, accounting or other business relationships any director may have with the Company. The Board of Directors considers a “material relationship” to be one that impairs or inhibits, or has the potential to impair or inhibit, a director’s exercise of critical and disinterested judgment on behalf of the Company and its shareholders. When assessing the “materiality” of a director’s relationship with the Company, the Board of Directors considers all relevant facts and circumstances not only from the standpoint of the director in his or her individual capacity, but also from the standpoint of the persons to whom the director is related and organizations with which the director is affiliated.

Ms. Eskilson does not serve on any Committees of the Board. Mr. Jan M. Winston served as Chairman of the Board during the year. The Board met 13 times during fiscal year 2014, including five meetings by telephone. Board members are encouraged, but not required by any specific Board policy, to attend the Company’s Annual Meeting. During 2014 each non-employee director of the Company was also a member of each Committee of the Board of Directors and each attended all of the meetings of the Board and the respective committees of the Board on which they served in fiscal 2014.

The Bylaws of the Company provide for a range of no less than four and no more than six directors.

The Board does not have a policy on whether or not the roles of Chief Executive Officer and Chairman of the Board should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from the non-employee directors or be an employee. The Board believes that it should be free to make a choice from time to time in any manner that is in the best interests of the Company and its shareholders.

Currently, Mr. Winston serves as the Chairman of the Board and Ms. Eskilson serves as a director and Chief Executive Officer. The Board of Directors believes this is the most appropriate structure for the Company at this time because it makes the best use of Mr. Winston’s skills and experience, including 15 years as a director of the Company.

Board’s Role in the Oversight of Risk Management

Companies face a variety of risks, including credit risk, liquidity risk, and operational risk. In fulfilling its risk oversight role, the Board focuses on the adequacy of the Company’s risk management process and overall risk management system. The Board believes an effective risk management system will (1) adequately identify the material risks that the Company faces in a timely manner, (2) implement appropriate risk management strategies that

are responsive to the Company's risk profile and specific material risk exposures, (3) integrate consideration of risk and risk management into business decision-making throughout the Company, and (4) include policies and procedures that adequately transmit necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant committee.

The Audit Committee has been designated to take the lead in overseeing risk management at the Board level. Accordingly, the Audit Committee schedules time for periodic review of risk management, in addition to its other duties. In this role, the Audit Committee receives reports from management and other advisors, and strives to generate serious and thoughtful attention to the Company's risk management process and system, the nature of the material risks the Company faces, and the adequacy of the Company's policies and procedures designed to respond to and mitigate these risks.

Although the Board's primary risk oversight has been assigned to the Audit Committee, the full Board also periodically receives information about the Company's risk management system and the most significant risks that the Company faces. This is principally accomplished through Audit Committee reports to the Board and summary versions of the briefings provided by management and advisors to the Committee.
