FORWARD-LOOKING STATEMENTS

This document contains forward-looking statements based on Makita's own projections and estimates. The power tools market, where Makita is mainly active, is subject to the effects of rapid shifts in economic conditions, demand for housing, currency exchange rates, changes in competitiveness, and other factors. Due to the risks and uncertainties involved, actual results could differ substantially from the content of these statements. Therefore, these statements should not be interpreted as representation that such objectives will be achieved.
