Item 7.01 Regulation FD Disclosure

On February 28, 2005 ProAssurance Corporation announced that has entered into an agreement that provides for NCRIC Group to be merged into ProAssurance in a proposed \$69.6 million, all-stock transaction which values NCRIC at \$10.10 per share based on the closing price of ProAssurance common stock on Friday, February 25, 2005.

Under the terms of the agreement each holder of common stock of NCRIC will have the right to receive 0.25 of a share of ProAssurance common stock for each share of NCRIC common stock. This exchange ratio is subject to adjustment in the event that the market price of the ProAssurance stock prior to the closing either exceeds \$44 or is less than \$36 such that the exchange ratio would then be adjusted such that the value per NCRIC share would neither exceed \$11 nor be less than \$9, respectively. The transaction is subject to required regulatory approvals and a vote of NCRIC stockholders and is expected to close early in the third quarter of 2005.

The proposed transaction would add \$87.2 million in gross written premiums to ProAssurance's Professional Liability segment and increase ProAssurance's assets by \$292.9 million, based on NCRIC's unaudited 2004 results. NCRIC's stockholders' equity is \$72.0 and its tangible stockholders' equity is \$64.7 million. ProAssurance expects the transaction to be accretive to book value per share in 2005. The transaction should also be accretive to earnings per share and will be accounted for under the rules of purchase accounting.
