Item 5.02 Compensatory Arrangements of Certain Officers.

(e) The Compensation Committee of our Board of Directors administers the Executive Incentive Compensation Plan ("EICP"), a cash bonus plan under which our executive officers participate. The payment amount, if any, of an EICP award is determined based on: (1) the attainment of financial performance measures, (2) the attainment of individual performance measures, and (3) the exercise of the Compensation Committee's discretionary authority.

On February 26, 2007, our Compensation Committee established 2007 target award opportunities and confidential financial performance measures relative to those opportunities for our named executive officers, Messrs. Bruce W. Wilkinson, Robert A. Deason, John A. Fees, Francis S. Kalman and John T. Nesser III. For the year ending December 31, 2007, the target award opportunities for these named executive officers are as follows:

Named Executive Officer	Target Award Opportunity (as a percentage of 2007 base salary)
Bruce W. Wilkinson	100%
Robert A. Deason	70%
John A. Fees	70%
Francis S. Kalman	65%
John T. Nesser, III	65%

For 2007, 85% of the target award opportunity is attributable to financial performance measures established by the Compensation Committee and 15% of the target award opportunity is attributable to individual performance measures determined by our Chief Executive Officer. The Compensation Committee retained its discretion to award additional amounts under the EICP, up to 15% of the target award opportunity.

The Compensation Committee established three levels of financial performance for determining the minimum, target and maximum payment under the financial performance component of the 2007 EICP award for these named executive officers. For our 2007 EICP awards, our Compensation Committee set the levels of financial performance based upon year-over-year increases in our consolidated operating income. For Messrs. Deason and Fees, the Compensation Committee divided the financial performance measure, with 65% attributable to the operating income of their respective business unit, J. Ray McDermott, S.A. or The Babcock & Wilcox Companies, respectively, and 20% attributable to McDermott's consolidated operating income.
