**Item 1.01. Entry into a Material Definitive Agreement.**

On March 28, 2008, World Fuel Services Corporation ("Parent") and World Fuel Services, Inc., a wholly-owned subsidiary of Parent ("Buyer"), entered into an asset purchase agreement (the "Purchase Agreement") with Texor Petroleum Company, Inc., an Illinois corporation ("Texor"), Thomas E. Gleitsman ("Gleitsman") and Anthony E. Speiser ("Speiser" together with Texor and Gleitsman, the "Seller Parties").

The Purchase Agreement provides for the acquisition by Buyer of certain assets of Texor (the "Acquisition"), including the assets comprising Texor's wholesale motor fuel distribution business. Texor is a leading independent distributor of branded gasoline and diesel fuel in the Chicago area.

The purchase price for the Acquisition is \$104 million, subject to adjustment based on the net asset value of the acquired assets. In addition, Buyer will assume certain ordinary course operating liabilities of Texor pursuant to the terms of the Purchase Agreement. The purchase price is to be paid in the form of a \$14 million promissory note, with the remainder payable in cash. Buyer may elect to pay up to \$10 million of the cash portion of the purchase price in shares of Parent's common stock, with the number of shares to be determined based on the average of the closing price of a share of Parent's common stock for each of the last 10 trading days prior to the closing of the Acquisition.

The closing of the Acquisition is subject to the satisfaction of a number of customary conditions, including the expiration or termination of any waiting period required under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

The foregoing description of the material terms of the Purchase Agreement is qualified in its entirety by reference to the full text of the Purchase Agreement, which Parent expects to file as an exhibit to its Quarterly Report on Form 10-Q for the quarter ending March 31, 2008.
