Section 1 – Registrant’s Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

Section 2 – Financial Information

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On June 18, 2010, International-Matex Tank Terminals ("IMTT") amended its Revolving Credit Agreement (the "Agreement") with SunTrust Bank, Regions Bank, DnB NOR Bank ASA, Compass Bank, Rabobank Nederland, Well Fargo, BNP Paribas, Banking Branch and Trust Co., Union Bank of California and 14 other banks and increased the size of the facility to \$1,100 million from \$625 million.

In connection with the amendment, participating banks were given the opportunity to extend their commitments through June 7, 2014 from the current maturity date of June 7, 2012. \$970 million was committed through June 7, 2014 (\$940 million denominated in US dollars and \$30 million denominated in equivalent Canadian dollars). \$130 million was not extended but remains committed through June 7, 2012.

At close, \$602 million was drawn on the facility including amounts drawn on the predecessor facility, as well as \$30 million used to fully repay the Regions Bank Term Loan and \$65 million to fully repay the DnB Term Loan. The key terms of the amended credit facility are summarized in the table below:

In addition to the above, the amendment removes a limitation on IMTT's ability to grant liens when entering into additional debt agreements. Specifically, IMTT may enter into additional debt agreements and grant liens in relation to such debt agreements provided that obligations under this agreement are secured on not less than a pari-passu basis.

Other than as set forth above, the terms of IMTT's existing facility, including covenants and events of default were not amended. Interest rate swap contracts hedging a portion of the original facility have been maintained.

The increased commitment will be used to fund IMTT's expansion program and are expected to be more than adequate to fully fund existing and reasonably foreseeable growth capital expenditure plans.
