STOCK OPTIONS PROGRAM

The Board of Directors of Brasil Telecom S.A., at a meeting held on December 12, 2002, deliberated about the Stock Options program, as follows:

"2. The Board acknowledged the terms of the General Grant Plan for Call Options on Company Shares ("General Plan") approved at the Special Shareholders' Meeting on April 28, 2000 and in light of the terms of item 2.1 of the General Plan, approved unanimously, (i) the institution of the Management Committee of the aforementioned General Plan, electing as its members Mr. Ricardo Wiering de Barros, Mr. Eduardo Cintra Santos, Mr. Francisco Ribeiro Magalhães Filho and Mr. Carlos Geraldo Campos Magalhães, who shall carry out their duties in compliance with the terms and conditions of the General Plan. In addition, due to the election approved hereof, it was explained that the members of the Management Committee of the General Plan are forbidden from voting in relation to the programs granted in the scope of the aforementioned General Plan of which they participate as beneficiaries, as set forth in item 2.1 of the referent General Plan. Lastly, it was explained that the members of the Management Committee of the General Plan shall not receive any remuneration for their duties and may be withdrawn at any time by the Board of the Company; (ii) the definition of the following parameters, which must be complied with by the Managing Committee in the determination of the A and B programs for the year of 2002: (a) Beneficiaries: for Program A, which shall be linked to the valuation of the Company, evaluated with basis on the Internal Rate of Return -IRR, no more than 25 beneficiaries and, for Program B, which shall be linked to the performance of the Company share market prices and the accomplishment of the objectives previously established by the Management Committee, no more than 60 Beneficiaries, of which the Beneficiaries appointed in program A shall participate in Program B; (b) Frequency of the concession to the contemplated Beneficiaries: a maximum of every five years, in Program A, and, annually, in the case of program B; (c) Vesting: except in special cases that come to be established by the Management Committee; the Vesting in Program A shall be 100% at the end of the grace period to be established; and the Vesting in Program B shall be 1/3 (one third) starting from the 24th month following the grant date, 1/3 (one third) starting from the 36th month following the grant date and 1/3 (one third) starting from the 48th month following the grant date; (d) Volume of options: the volume of options in Program A shall be set in a contract according to the model of calculation linked to the Internal Rate of Return - IRR and, in the case of Program B, shall be carried with basis on the target value of the program and on the estimate of valuation of the shares calculated using the Black&Scholes model; (e) conditions for the exercise of options: in the case of Program A the exercise is conditioned to the accomplishment of the objectives of the Internal Rate of Return - IRR, as defined in the contract and, in the case of Program B, the exercise shall occur through the lapse of the vesting period and the Management Committee may, at its own discretion, define the objectives to be accomplished in Program B; (f) Other aspects: except for the references made in the aforementioned items, the Management Committee shall have full power to decide and define all the aspects related to Programs A and B, such as, exercise price, special conditions in the case of withdrawal of the Beneficiaries, approval, through a proposal to the board, concerning which members are entitled to effectively receive options, manage and interpret the plan and explain eventual doubts about its rules; review the regulation of the programs, suggest, and recommend eventual alterations to it; analyze and deliberate about exceptional cases; and establish recommendations for approval of the Board in relation to contingencies not covered by law."
