MATERIAL FACT

BRASIL TELECOM S.A. (BrT) and BRASIL TELECOM PARTICIPAÇÕES S.A. (BTP), in compliance with CVM Instruction no. 358/02 (BTM), publicly issues the following clarification:

1. Calais Participações S.A., a company in which BrT holds exclusively preferred shares with no voting rights, amended the bidding offer proposed to WorldCom Inc. (MCI), reiterating its firm intention to acquire the ownership control of Embratel Participações S.A. (Embratel), during the ongoing competitive bidding process for the sale of the ownership control of Embratel, headed by the financial institution Lazard Frères.
 2. The amendment to the bidding offer aimed to eliminate the regulatory risks associated with the non-approval of the ownership control transfer of Embratel to Calais, assuring that MCI receives an amount not lower than the competitor's bidding offer, in the case the necessary approval by the competent regulatory body is not granted by July 8, 2005.
 3. The amendment to the bidding offer presented by Calais confirms its understanding of non-violation of applicable legal and regulatory rules, based on legal opinions prepared by the most prominent legal scholars that confirmed the legality of the intended transaction.
- Brasília, April 7, 2004.
