2008 PROXY STATEMENT

QUESTIONS AND ANSWERS

1. **Q: What is a proxy?**

A: A proxy is a document, also referred to as a proxy card (which is enclosed), by which you authorize someone else to vote for you in the way that you want to vote. Caraco's Board of Directors is soliciting this proxy. You may also abstain from voting.

2. **Q: What is a proxy statement?**

A: A proxy statement is the document the United States Securities and Exchange Commission (the "SEC") requires to explain the matters on which you are asked to vote on the proxy card. Caraco's proxy statement, together with its enclosed proxy card, was first mailed to shareholders on or about July 29, 2008.

3. **Q: Who can vote?**

A: Only holders of Caraco's common stock at the close of business on July 21, 2008, the Record Date, can vote at the Annual Meeting. Each shareholder of record has one vote for each share of common stock on each matter presented for a vote at the Meeting.

4. **Q: How do I vote if my stock is held in "street name?"**

A: If your Caraco common stock is held in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of stock held in "street name." As a beneficial owner, you do not have the right to vote your stock. Only the "record holder" of the stock has such rights. If you wish to vote your stock, you should either (i) obtain a legal proxy from the record holder of the stock appointing you as its legal proxy or (ii) instruct the record holder how you would like the record holder to vote the stock you own.

5. **Q: What will I vote on at the Meeting?**

A: At the Annual Meeting, shareholders will vote to:

1. Elect three directors for three-year terms expiring in 2011 and upon the election and qualification of their successors.
2. Approve the adoption of the 2008 Equity Participation Plan and approve the performance goals thereunder.
3. Transact any other business that is properly submitted before the Annual Meeting or any adjournment(s) of the Meeting.

6. **Q: Who can attend the Annual Meeting?**

A: You are entitled to attend the Annual Meeting only if you were a Caraco shareholder as of the Record Date or you hold a valid proxy for the annual meeting. You should be prepared to present valid government-issued photo identification for admittance. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the Record Date prior to your being admitted to the Annual Meeting. If you are not a shareholder of record but hold shares through a broker or nominee (i.e., in street name), you should provide proof of beneficial ownership on the Record Date, such as your most recent account statement, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide valid government-issued photo identification or comply with the other procedures outlined above upon request, you may not be admitted to the Annual Meeting.

Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

The Meeting will begin promptly at 11:00 a.m., local time. Check-in will begin at 10:30 a.m., and you should allow ample time for the check-in procedures.

7. **Q: How does the Board of Directors recommend I vote on the proposal[s]?**

1

A: The Board of Directors recommends a vote **“FOR”** all of the nominees listed in Proposal 1 and **“FOR”** the approval and adoption of the 2008 Equity Participation Plan and of the performance goals thereunder.

8. **Q: How can I vote?**

A: You can vote in person or by proxy. To vote by proxy, sign, date and return the enclosed proxy card. If you return your signed proxy card to American Stock Transfer before the Annual Meeting, the persons named as proxies on the card will vote your shares as you directed. You may revoke a proxy at any time before the proxy is exercised by:

1. giving written notice of revocation to Tammy Bitterman, Director, Human Resources, of Caraco, at 1150 Elijah McCoy Drive, Detroit, Michigan 48202;
2. submitting another proxy that is properly signed and later dated;
3. voting in person at the Meeting (but only if the shares are registered in Caraco’s records in the name of the shareholder and not in the name of a broker, dealer, bank or other third party).

9. **Q: What is a quorum?**

A: There were 33,106,194 shares of Caraco’s common stock outstanding on the Record Date. A majority of the outstanding shares, or 16,553,098 shares, present or represented by proxy, constitutes a quorum. For purposes of a quorum, abstentions and broker non-votes are included. A broker non-vote is a proxy a broker submits that does not indicate a vote for some or all the proposals because the broker does not have discretionary voting authority and the broker did not receive instructions as to how to vote on those proposals. A broker non-vote may also occur if your broker fails to vote your shares for any reason. A quorum must exist to conduct business at the Annual Meeting.

10. **Q: How does voting work?**

A: If a quorum exists, the 2008 Equity Participation Plan and each director must receive the favorable vote of a majority of the shares voted, present in person or represented by proxy, but excluding broker non-votes and abstentions.

Caraco will vote properly executed Proxies it receives prior to the Meeting in the way you direct. **If you sign the proxy card but do not specify instructions, the shares represented by Proxies will be voted “FOR” the nominees for directors and “FOR” the approval and adoption of the 2008 Equity Participation Plan and of the performance goals thereunder.** No other matters are currently scheduled to be presented at the Meeting. If any matter or matters are properly brought before the Meeting or any adjournment thereof, it is the intention of the persons named in the accompanying proxy card to vote the shares represented by the proxy card as they determine.

11. **Q: Who pays for the costs of the Meeting?**

A: Caraco pays the cost of preparing and printing the proxy statement and soliciting proxies. Caraco will solicit proxies primarily by mail, but may also solicit proxies personally and by telephone. Caraco will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding solicitation material to beneficial owners of Caraco’s common stock.

12. **Q: When are shareholder proposals for the 2009 Annual Meeting due?**

A: All shareholder proposals to be considered for inclusion in next year’s proxy statement must be submitted in writing to the Secretary or Assistant Secretary of Caraco Pharmaceutical Laboratories, Ltd., 1150 Elijah McCoy Drive, Detroit, Michigan 48202, before March 31, 2009.

13. **Q: How may a shareholder communicate with the Board of Directors?**

A: Shareholders may communicate with the Board of Directors or any member of the Board of Directors by sending a letter addressed to the Board of Directors, c/o Tammy Bitterman, Director, Human Resources, at 1150 Elijah McCoy Drive, Detroit,

Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

Michigan 48202. The Board of Directors' policy is to have all shareholder communications compiled by the Director, Human Resources and forwarded directly to the Board or the director as indicated in the letter. All letters will be forwarded to the appropriate party. The Board of Directors reserves the right to revise this policy in the event that this process is abused, becomes unworkable or otherwise does not efficiently serve the purpose of the policy.

PROPOSAL 1 – ELECTION OF DIRECTORS**Election of Board of Directors**

Caraco's Board of Directors is divided into three classes with each class of directors elected to a three-year term of office. At each annual meeting, Caraco shareholders elect one class of directors for a three-year term to succeed the class of directors whose term of office expires at that meeting. This year you are voting on three candidate directors. Based on the recommendation of the Board of Directors, the following individuals, each of whom is a current director, are recommended for re-election: Daniel H. Movens, Sailesh T. Desai and Georges Ugeux. Mr. Movens has been a director since 2005, Mr. Desai has been a director since 2000 and Mr. Ugeux has been a director since 2004. Each of the nominees has consented to his nomination and has agreed to serve as a director of Caraco if elected.

If any director is unable to stand for re-election, Caraco may vote the shares to elect any substitute nominee recommended by the Board of Directors. If the Board of Directors does not recommend any substitute nominees, the number of directors to be elected at the Annual Meeting may be reduced by the number of nominees who are unable to serve.

Caraco's Board of Directors recommends a vote "FOR" these nominees.

BOARD OF DIRECTORS AND ITS COMMITTEES**Board of Directors**

Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

During fiscal 2008, the Board of Directors met four times. All of our current directors attended at least 75% of the meetings of the Board and the committees on which they served, except for Messrs. Shanghvi, Desai and Valia. The Board of Directors encourages Board members to attend each Annual Meeting of Shareholders. At the 2007 Annual Meeting of Shareholders, two of the Caraco directors were in attendance. In addition to meetings, the Board and the committees take corporate action through unanimous written consents.

The Board of Directors is fixed at nine members. The Board has determined that Messrs. Crissman, Manney, Reddy and Ugeux are “independent” directors within the meaning of Section 121A of the American Stock Exchange Company Guide (“Amex Company Guide”). Unless a company is a “controlled company” under the Amex Company Guide, a majority of its Board of Directors must be independent. As a result of Sun Pharma owning a majority of the outstanding voting shares, Caraco is a controlled company under Amex Company Guide and is therefore not required (i) to have a majority of independent directors on its Board; (ii) to have the compensation of the chief executive officer and all other officers determined or recommended to the Board either by the Compensation Committee comprised of independent directors or by a majority of the independent directors, and (iii) to have

nominations to the Board of Directors either selected, or recommended for the Board's selection, by either a nominating committee comprised solely of independent directors or by a majority of the independent directors.

Committees of the Board

The Board maintains three standing committees: audit, compensation and independent. These are described below.

Audit Committee. The Audit Committee is responsible for selecting, evaluating, retaining and, where appropriate, replacing Caraco's independent auditors. Generally, the Audit Committee monitors the integrity of Caraco's financial statements and the independence and qualifications of the independent auditors. The Audit Committee is governed by a written charter. The Audit Committee's responsibilities are described in more detail in such charter. A copy of the charter is included as Appendix A. The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee held five meetings in fiscal 2008. The current members of the Audit Committee are Messrs. Manney, Reddy and Ugeux. Mr. Manney is the committee's Chairman. Each of these members is independent under Section 121(B) of the Amex Company Guide. As further required by such rules, each of the committee members is able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement. The Board of Directors has determined that Mr. Manney is an audit committee financial expert.

Compensation Committee. The Compensation Committee oversees Caraco's policies and programs for the compensation of its officers. The Committee determines the compensation of our chief executive officer and delegates to him the responsibility to determine the base salaries and bonuses of all officers other than the chief executive officer, under the constraints of an overall limitation on the total amount of compensation to be paid to them. The Compensation Committee is also responsible for the review and approval of compensation programs for officers and employees, including fringe benefits and stock options and/or bonuses, as may be from time to time recommended by management. Grants of options or other equity awards are made by the two "non-employee directors" as defined by 16b-3 who are also "outside directors" for purposes of Section 162(m) of the Internal Revenue Code. The Compensation Committee held two meetings during fiscal 2008. The Compensation Committee currently consists of Messrs. Shanghvi, Manney, and Ugeux. Mr. Shanghvi serves as the Chairman.

Independent Committee. The Independent Committee was established to negotiate a products agreement between Caraco and Sun Pharma Global, Inc. ("Sun Global"), a wholly-owned subsidiary of Sun Pharma. In 2005, the Board of Directors ratified and approved the authority of the Independent Committee (with respect to past, present and future actions) to review and approve all related party transactions. The Independent Committee held one meeting during fiscal 2008. The Independent Committee currently consists of Messrs. Crissman, Manney, Reddy and Ugeux. All of the members are independent under Section 121(A) of the Amex listing standards currently in effect. Mr. Ugeux serves as the Chairman.

Nomination of Directors

The Board of Directors has not established a formal nominating committee as the entire Board serves in this capacity. The Board of Directors has not maintained a formal nominating committee because the Board of Directors feels that it is not necessary since the size of the Board is relatively small. While the Board has not established a formal committee, in the past the Board has asked one or two of its directors to meet with a number of candidates and to make recommendations to the full Board. The Board may utilize a variety of methods for identifying potential nominees, including considering potential candidates who come to their attention through current officers, directors, Caraco's professionals, professional search firms or other persons. Once a potential nominee has been identified, the Board evaluates whether the nominee has the appropriate skills and characteristics to become a director in light of the then make-up of the Board of Directors. This assessment includes an evaluation of the candidate's judgment and skills, such as experience at a policy setting level, financial sophistication, leadership and objectivity. At a minimum, the Board of Directors believes that all members of the Board should have the highest professional and personal ethics and values. Mr. Singh, who is the Senior Vice President – Business Strategies of the Company, was presented for consideration as a Director by the Chief Executive Officer of the Company and appointed to the Board in July 2008 to fill the vacancy created by the resignation of Jitendra N. Doshi, to serve the remainder of Mr. Doshi's term expiring at the 2009 annual meeting and the election and qualification of his successor. The Board of Directors considers stockholder nominations for candidates for membership on the Board when properly submitted in accordance with Company's bylaws. The Company's bylaws provide that nominations for the election of directors may be made by any stockholder entitled to vote in the election of directors if timely notice of such shareholder's intent has been given in writing to the secretary or an assistant secretary of the Company. To be timely, a shareholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not less than 120 calendar days before the date of the Company's proxy statement is released to shareholders in connection with the previous year's annual meeting. Each such notice shall set forth (a) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (b) a representation that the shareholder is a shareholder of record of stock of the Company entitled to vote for the election of directors on the date of such notice and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (c) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholders; (d) such other

information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC, had the nominee been nominated, or intended to be nominated, by the Board of Directors; and (e) the consent of each nominee to serve as a director of the Company if so elected.

Report of the Audit Committee

The information contained in this report shall not be deemed to be "soliciting material" or "filed" with the SEC or subject to the liabilities of Section 18 of the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act.

Our management is responsible for the preparation, presentation and integrity of our financial statements, the accounting and financial reporting principles, and the internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for an integrated audit of our financial statements and internal control over financial reporting. The integrated audit is designed to express an opinion on our financial statements, an opinion on management's assessment of internal control over financial reporting and an opinion on the effectiveness of internal control over financial reporting. The Committee's responsibility is generally to monitor and oversee these processes.

In the performance of its oversight function, the Committee:

- Met to review and discuss our audited financial statements for the year ended March 31, 2008 with our management and our independent auditors;
- Discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T;
- Received from the independent auditors written affirmation of their independence as required by Independence Standards Board Standard No. 1 (*Independence Standard, Board Standard No. 1, Independence Discussions with Audit Committees*), as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and discussed the independent auditors' independence with them.

While the Committee has the responsibilities and powers set forth in its charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles. This is the responsibility of management. The independent registered public accounting firm is responsible for planning and conducting their audits.

Based upon the review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in its charter, the Committee recommended to the board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended March 31, 2008 for filing with the Securities and Exchange Commission.

PROPOSAL 2 – TO APPROVE THE CARACO PHARMACEUTICAL LABORATORIES, LTD. 2008 EQUITY PARTICIPATION PLAN

On July 23, 2008, the Board of Directors approved the Caraco Pharmaceutical Laboratories, Ltd. 2008 Equity Participation Plan (the “2008 Plan”), subject to stockholder approval. The purpose of the 2008 Plan is (i) to provide an incentive for employees, consultants and non-employee directors to further the growth and financial success of Caraco by personally benefiting through the ownership of shares of common stock; and (ii) to obtain and retain the services of employees, consultants and non-employee directors considered essential to the long-range success of Caraco, by making available stock options and/or shares of restricted stock.

The 2008 Plan, if approved by stockholders, is intended to replace the 1999 Equity Participation Plan (the “1999 Plan”). Such Plan otherwise terminates on April 9, 2009. The 1999 Plan has 2,489,600 shares of common stock available for grant as of March 31, 2008. If the 2008 Plan is approved by stockholders, the Board of Directors intends to terminate the 1999 Plan as to future grants so that the shares currently available for grants under the Plan would no longer be available.

A summary of the material terms of the 2008 Plan is set forth below. This summary is qualified in its entirety by reference to Appendix B to this proxy statement, which contains the proposed 2008 Plan in its entirety.

Administration

The 2008 Plan will be administered by the Committee (defined generally as the Compensation Committee or the board of directors). A subcommittee (the “Subcommittee”), comprised of the independent directors of the Committee, shall approve all transactions relating to Caraco’s officers subject to Section 16 of the Securities Exchange Act of 1934. The Committee may delegate to the chief executive officer the power to make grants of options and/or restricted stock to employees who are not officers and directors subject to Section 16 of the Securities Exchange Act of 1934 or who are subject to Section 162(m) of the Code. The Committee or Subcommittee has the power to interpret the 2008 Plan, the stock option agreements issued thereunder and the agreements pursuant to which restricted stock awards are granted. The Committee or Subcommittee may adopt such rules for the administration, interpretation and application of the 2008 Plan as are consistent with the 2008 Plan, and to interpret, amend or revoke any such rules. Caraco’s Board of Directors, acting by a majority of its members in office, shall administer the 2008 Plan with respect to options granted to non-employee directors.

Eligibility

Officers, consultants and other employees (including employee directors) of Caraco and its subsidiaries and affiliates whom the Committee or Subcommittee believes have the potential to contribute to the future success of Caraco, and those non-employee directors whom the board of directors believes have the potential to contribute to the future success of Caraco, shall be eligible to receive awards under the 2008 Plan.

Award

The aggregate number of shares which may be issued under the 2008 Plan (including shares issued upon exercise of options) shall not exceed one million (1,000,000). The maximum number of shares of common stock which may be subject to a stock option award and a restricted stock award under the 2008 Plan to any individual in any calendar year shall not exceed 200,000 shares of common stock.

Stock Options.

The 2008 Plan permits the granting of non-transferable stock options that are either intended to qualify as incentive stock options or not intended to so qualify and are non-statutory stock options. The Committee, the Subcommittee or the board of directors shall determine whether stock options are to be non- statutory or incentive and whether such stock options are to qualify as performance-based compensation as described in Section 162(m)(4)(C) (see reference below) of the Internal Revenue Code of 1986. The option exercise price for each share covered by the option shall be no less than 100% of the fair market value of a share of common stock at the time such option is granted. The term of an option shall be determined by the Committee or Subcommittee provided, however, that in the case of incentive stock options, the term shall not be more than 10 years from the date the incentive stock option is granted. The period during which the right to exercise an option in whole or in part vests will be set by the Committee or Subcommittee. Each option shall be evidenced by a written stock option agreement which shall be executed by the optionee. Upon exercise of an option, the consideration may consist of cash, the delivery of other shares of Caraco common stock, cashless stock option exercises, and other types of payment or some combination thereof.

Restricted Stock

Restricted stock may be awarded to any participant whom the Committee or Subcommittee determines should receive such an award. The Committee or Subcommittee may determine the purchase price, if any, and other terms and conditions, if any, applicable to the restricted stock. The Committee or Subcommittee may impose such conditions on the issuance of the restricted stock as deemed appropriate. The Committee or Subcommittee shall determine whether such restricted stock is to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code. Restricted stock shall be issued only pursuant to a written restricted stock agreement. The shares of restricted stock may be placed into escrow by the Committee or Subcommittee and held until all the restrictions imposed under the restricted stock agreement have been satisfied or removed.

Section 162(m) of the Code

Section 162(m) of the Code precludes a publicly-held corporation from taking a tax deduction for compensation for services in excess of \$1 Million dollars for its chief executive officer and its four other highest-paid officers. Section 162(m) also provides for certain exemptions to this limitation, including compensation that is performance based within the meaning of Section 162(m)(4)(c). The Committee or Subcommittee, however, reserves the right to award compensation to its executives in the future that may not qualify under Section 162(m) as deductible compensation. The Committee or Subcommittee will, however, continue to consider all elements of the cost to Caraco of providing such compensation, including the potential impact of Section 162(m).

Section 6.10 of the 2008 Plan sets forth the following performance goals which it may be include as conditions to the grant of options and/or restricted stock: (i) net sales, (ii) sales of certain products, (iii) gross profits or gross profit margin, (iv) gross profits or gross profit margin relating to manufactured products, (v) gross profits or gross profit margin relating to distributed products, (vi) research and development costs, (vii) pre-tax income, (viii) operating income, (ix) cash flow, (x) earnings per share, (xi) return on equity, (xii) return on invested capital or assets, (xiii) cost reductions or savings, (xiv) appreciation in the fair market value of Common Stock, (xv) earnings before any one or more of the following items: interest, taxes, depreciation or mortization, and (xvi) any other performance goal determined by the Committee.

Adjustments for Stock Dividends, Mergers, and Changes in Control.

In the event of a stock dividend, stock split, reorganization, merger, or similar corporate transaction (other than a change in control), the Committee or Subcommittee is authorized to make appropriate adjustments to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the 2008 Plan or with respect to an outstanding award. In addition, the Committee or Subcommittee may provide for the acceleration of the vesting period; for the assumption by any successor or survivor corporation of the obligations of Caraco with respect to an award; or for the removal of restrictions imposed under a restricted stock agreement. In the event of a change in control as defined in the 2008 Plan (which includes among other events, any person (other than Sun Pharma and its affiliates) becoming the beneficial owner of more than a majority of the combined voting power of Caraco or generally, over a period of 36 months or less, a majority of the Board members ceases by reason of one or more contested elections for Board membership to be comprised of individuals who either (a) have been board members continuously since the beginning of such periods, or (b) have been elected or nominated for election as Board members during such period by a majority of the Board members described in clause (a) who were still in office at the time such election or nomination was approved by the Board), each option granted shall become exercisable as to all shares covered thereby simultaneously with the consummation of such change in control and any restricted stock awarded shall become fully vested and generally the restrictions included in any restricted stock granted shall be deemed rescinded and terminated.

Amendment or Termination of the 2008 Plan.

The 2008 Plan may be wholly or partially amended or modified, suspended or terminated at any time by the Committee. However, without approval of Caraco's shareholders given within 12 months before or after the action by the Committee or Subcommittee, no action of the Committee or Subcommittee may, except as otherwise provided in the 2008 Plan, increase the limits of the maximum number of shares which may be issued under the 2008 Plan to any individual and no action of the Committee or Subcommittee may be taken that would otherwise require shareholder approval as a matter of law, regulation or rule. No amendment, suspension, or termination of the 2008 Plan shall, without the consent of the participants, alter or impair any rights or obligations under any award theretofore granted, unless the award itself expressly so provides.

Federal Income Tax Information

The following is only a brief summary of the effect of federal income taxation upon the recipient and Caraco under the 2008 Plan based upon the Code. This summary does not purport to be complete and does not discuss the income tax laws of any municipality, state or country outside of

the United States in which a participant may reside.

If any option granted under the 2008 Plan is an incentive stock option, the optionee will recognize no income upon grant of the incentive stock option and will incur no tax liability due to the exercise unless the optionee is subject to the alternative minimum tax. Caraco will not be allowed a deduction for federal income tax purposes as a result of the exercise of an incentive stock option regardless of the applicability of the alternative minimum tax. Upon the sale or exchange of the shares received from the exercise of an incentive stock option, any gain (or loss) will be treated as a capital gain (or loss) as long as the sale or exchange occurs at least two years after the date of grant of the option and at least one year after exercise of the option. In addition, the optionee must be an employee of Caraco (or of a related company) for all times between the grant of the option and the day that is three months before the exercise of the option. If these holding periods are not satisfied, the optionee will recognize ordinary income equal to the difference between the exercise price and the lower of the fair market value of the stock at the date of the option exercise or the sale price of the stock. A different rule may operate to postpone the recognition date of ordinary income upon such premature disposition if the optionee is subject to Section 16 of the

Securities Exchange Act of 1934. Caraco will be entitled to a deduction in the same amount as the ordinary income recognized by the optionee. For each employee that has been granted incentive stock options, Section 422(d) of the Code limits incentive option treatment to options that are exercisable for the first time in a given calendar year and where the fair market value of the stock that could be acquired with respect to these options does not exceed \$100,000. Any options that are exercisable and that exceed this amount in a given year will be treated as non-statutory options.

Options which do not qualify as incentive stock options are taxed as non-statutory options. An optionee will not recognize any taxable income at the time he is granted a non-statutory option. However, upon the exercise of a non-statutory option, the optionee will recognize ordinary income measured by the excess of the then fair market value of the shares over the exercise price. The income recognized by an optionee who is also an employee of Caraco will be subject to tax withholding by Caraco by payment in cash or out of the current earnings paid to the optionee. Caraco will be entitled to a tax deduction in the same amount as the ordinary income recognized by the optionee with respect to shares acquired upon exercise of a non-statutory option. Upon sale of the shares by exercising the option, any difference between sales price and the fair market value on the date of exercise will be treated as capital gain (or loss). In certain circumstances, where the shares acquired by the exercise of the option are subject to a substantial risk of forfeiture when acquired or where the optionee is subject to Section 16 of the Securities Act of 1934, the date of taxation may be deferred unless the optionee files an election with the Internal Revenue Service under Section 83(b) of the Code.

The grant of restricted stock will generally be subject to the tax consequences discussed above for non-statutory options. At such times as the restrictions on the stock lapses or the stock is sold, such shareholders will recognize ordinary income to the extent of the fair market value of such stock less the amount, if any, which is paid for the stock. The income recognized by a shareholder who is an employee will be subject to tax withholding by Caraco by payment in cash or out of the current earnings paid to the employee. Caraco will be entitled to a tax deduction in the same amount as the ordinary income recognized by the shareholder. A shareholder is permitted to make an election under Section 83(b) of the Code to recognize ordinary income immediately upon the grant of the restricted stock equal to the value of the stock on the date of the grant (without regard to any restrictions on the stock) less the amount, if any, the shareholder pays for the stock. If the Section 83(b) election is made, any increase or decrease in the value upon the disposition of the stock is then treated as a capital gain (or loss). If the stock is later forfeited, the shareholder is not entitled to any deduction related to the forfeiture. Caraco's deduction for Section 83(b) stock will be equal to the amount that is treated as ordinary income by the employee.

To Caraco's knowledge, based solely on a review of the copies of such reports furnished to Caraco, all directors, executive officers and persons who own more than ten percent of Caraco's equity securities complied with applicable Section 16(a) filing requirements for fiscal 2008, except as follows: Mr. Crissman filed a late report with respect to one transaction, Mr. Reddy filed a late report with respect to one transaction and Mr. Ugeux filed a late report with respect to four transactions.

TRANSACTIONS OF DIRECTORS, EXECUTIVE OFFICERS AND CERTAIN BENEFICIAL HOLDERS OF CARACO

Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

The following discloses transactions during fiscal 2008, fiscal 2007, fiscal 2006, and proposed transactions between Caraco and several of the incumbent and nominee directors, executive officers and security holders who beneficially hold in excess of five percent of our outstanding shares:

On November 21, 2002, we entered into a products agreement with Sun Global. Under the agreement, which was approved by our independent directors, Sun Global agreed to provide us with 25 new generic drugs over a 5-year period. In exchange for each new generic drug transferred to us by Sun Global which passed bioequivalency studies, we issued Sun Global 544,000 shares of Series B preferred stock. During fiscal 2008, fiscal 2007 and fiscal 2006, Sun Global earned 10,088,000, 1,632,000 and 4,896,000 shares of Series B preferred stock for two product transfers, three product transfers, and nine product transfers, respectively, as provided under the November 2002 products agreement. Sun Global has provided us with all 25 generic drugs all of which have passed their

bioequivalency studies. The products agreement has been completed. No additional shares of Series B preferred stock will be issued to Sun Global under the agreement.

During fiscal 2008, fiscal 2007 and fiscal 2006, we purchased approximately \$498.5 million, \$38.8 million and \$28.1 million, respectively, of our raw materials and finished goods formulations from Sun Pharma. We intend to continue to purchase raw materials and formulations from Sun Pharma in fiscal 2009.

During fiscal 2008, fiscal 2007 and fiscal 2006, Caraco purchased at Sun Pharma and its affiliates' cost, approximately \$0.3 million, \$0.8 million and \$0.2 million, respectively, of machinery and equipment from Sun Pharma and its affiliates. We intend to continue to purchase machinery equipment from Sun Pharma and its affiliates in fiscal 2009.

We entered into two non-cancelable operating leases during 2000 with Sun Pharma to lease production machinery. The leases each require rental payments of \$4,245, and expired during fiscal 2006.

Caraco entered into a manufacturing and supply agreement and a distribution and sale agreement in December 2004 with respect to one product with an affiliate of Sun Pharma, Sun Pharmaceutical Industries, Inc. Caraco entered into another distribution and sales agreement with Sun Pharmaceutical Industries, Inc. in January 2005 with respect to another product.

In fiscal 2007 Caraco entered into a three-year marketing agreement with Sun Pharma, which was reviewed and approved by the Independent Committee. Under the agreement, the Company purchases selected product formulations offered by Sun Pharma, and markets and distributes them as part of its current product offerings in the U.S., its territories and possessions, including Puerto Rico. Sun Pharma is not obligated to offer Caraco Products under this Agreement, however, Caraco has the exclusive right to market in the U.S., its territories and possessions, including Puerto Rico, any products offered by Sun Pharma and accepted by Caraco.

During fiscal 2008, the Corporation entered into a three-year distribution and sale agreement with Sun Pharma, which was reviewed and approved by the Board's Independent Committee. Under this agreement, the Company purchases selected formulations which have been filed under the Paragraph IV certification process with the FDA by Sun Pharma and offered for distribution. Paragraph IV ("Para IV) certified products may face litigation challenges with respect to claims of patent infringement. Under the agreement, the Company shares in the sales opportunity and shares the litigation risks. The Company is indemnified by Sun Pharma of any risks beyond the percentage agreed to as its profit percentage, thereby limiting the Company's exposure. Sun Pharma is not obligated to offer Caraco products under this agreement, however, Caraco has the exclusive right to market in the U.S., its territories and possessions, including Puerto Rico, any products offered by Sun Pharma and accepted by Caraco. The Company markets and distributes the same as part of its current product offerings in the U.S., its territories and possessions, including Puerto Rico. The license granted with respect to a product terminates upon the end of an exclusivity period or 180 days or a non-appealable court decision, or until a third generic manufacturer launches the product, whichever is later, or until a settlement is reached, at which time the product will become part of the standard Caraco-Sun Pharma marketing agreement disclosed above. The Company currently receives a fixed margin of 8%, or such other percentages that shall be mutually agreed upon. Under the agreement, Sun Pharma and Caraco mutually indemnify each other, capped by the fixed margin percentage with respect to damages from infringement.

During fiscal 2008, fiscal 2007 and fiscal 2006, the Company made net sales of \$225.1 million, \$4.6 million and \$1.1 million of the marketed products under the aforesaid agreements, respectively.

The Independent Committee, which reviews related party transactions, reviews them on the basis that they shall not generally be less favorable in the aggregate than with the usual and customary and similar transactions between unrelated parties dealing at arm's length.

COMPENSATION OF EXECUTIVE OFFICERS**Compensation Discussion and Analysis**

This Compensation Discussion & Analysis (“CD&A”) outlines our compensation philosophy, objectives and processes for our executive officers. It explains how we make executive compensation decisions, the data we use and the reasoning behind the decisions that we make.

Following the CD&A are tables and other information that explain the compensation for our executive officers, including discussion of the potential compensation of our executive officers following termination of employment under different situations.

These tables and narratives assist us in communicating our compensation plans to our stockholders.

Compensation Philosophy

Our compensation philosophy extends to all employees, including executive officers, and is designed to align employee and stockholder interests. The philosophy's objective is to pay fairly based upon the employee's position, experience, individual performance and company performance. Employees may be rewarded through additional compensation when the Company meets or exceeds targeted business objectives. Generally, under our compensation philosophy, as an employee's level of responsibility increases, a greater portion of his or her total potential compensation becomes contingent upon annual performance.

The principles of our compensation philosophy are described below:

- *Market-driven.* Compensation programs are structured to be competitive both in their design and in the total compensation that they offer.
- *Stockholder-aligned.* Certain full-time employees have some portion of their incentive compensation aligned with our financial performance.
- *Performance-based.* Certain full-time employees have some portion of their incentive compensation linked to a combination of Company, departmental, and/or individual performance. The application of performance measures as well as the form of the reward may vary depending on the employee's position and responsibilities. A formal performance evaluation process is used to objectively assess individual performance.

Review of Executive Officer Compensation

The Compensation Committee (the “Committee” with respect to this section of the proxy statement) determines the compensation of our chief executive officer and delegates to him the responsibility to determine the base salaries and bonuses of all officers other than the chief executive officer under the constraints of an overall limitation on the total amount of compensation to be paid to them.

Our current policy is that the various elements of the compensation package are not interrelated in that gains or losses from past equity incentives are not factored into the determination of other compensation. For instance, if options that are granted in a previous year become underwater the next year, the Committee does not take that into consideration in determining the amount of the bonus, options or restricted stock to be granted the next year. Similarly, if the options or restricted shares granted in a previous year become extremely valuable, the Committee does not take that into consideration in determining the bonus, options or restricted stock to be awarded for the next year. In addition, the amount of a cash bonus does not affect the number of options or restricted stock that is granted during a particular year. A subcommittee of the Committee, comprised of independent directors, determines grants of options and stock to our executive officers.

We have no policy with regard to the adjustment or recovery of awards or payments if our relevant performance measures upon which they are based are restated or otherwise adjusted in a manner that would reduce the size of an award or payment.

Components of Compensation—Executive Officers

Our executive officers are compensated through the following four components:

- Base Salary
- Annual Incentive Compensation
- Long-Term Incentives (stock options and/or grants of stock)
- Benefits

These components provide a balanced mix of base compensation and compensation that is contingent upon each executive officer’s individual performance and Company performance. A goal of the compensation program is to provide executive officers with a reasonable level of security through base salary and benefits, while rewarding them through incentive compensation to achieve business objectives and create stockholder value. We want to ensure that our compensation programs are appropriately designed to encourage executive officer retention and motivation to create stockholder value.

Base salaries, benefits and incentive compensation opportunities are generally targeted between the median and 75th percentile of general survey market data derived from indices covering these same components for generic pharmaceutical companies of various sizes. Included in this review were direct competitor companies. The companies represented may have brand segments within its business to complement its generic pharmaceutical segments. Others within the group may solely be generic pharmaceutical companies. The companies include Barr Pharmaceuticals Inc., Dr. Reddy’s Laboratories Limited, Mylan Inc., Par Pharmaceutical Companies, Inc., KV Pharmaceutical, Sandoz, Inc.(a division of Novartis AG), Teva Pharmaceutical Industries Limited and Watson Pharmaceuticals, Inc. We have not used third party consultants to provide us with recommendations or reports. We have utilized the money data to reach our target compensation objectives.

Base Salaries

Base salaries are targeted to be competitive when compared to the salary levels of persons holding similar positions in other pharmaceutical companies and other publicly traded companies of comparable size. Each executive officer’s respective responsibilities, experience, expertise and individual performance are considered.

In fiscal 2008, our Compensation Committee increased the base salary of our chief executive officer by 6.0% to \$429,936 from the \$405,600 required by his employment agreement during his first year of employment. Pursuant to delegated authority, our chief executive officer increased the salary of Gurpartap Singh Sachdeva 21.0% to \$225,096 from \$186,030, of Robert Kurkiewicz 3.0% to \$161,522 from \$156,818 and of Mukul Rathi 4.0% to \$88,400 from \$85,000.

Effective fiscal 2009, the chief executive officer, pursuant to delegated authority from the Compensation Committee, increased the base salaries for Gurpartap Singh Sachdeva, Senior Vice President – Business Strategies, Robert Kurkiewicz, Senior Vice President – Regulatory and Mukul Rathi, interim Chief Financial Officer as follows: Gurpartap Singh Sachdeva from \$225,096 to \$243,104; Robert Kurkiewicz from \$161,522 to \$167,983 and Mukul Rathi from \$88,400 to \$110,000.

Annual Cash Bonus Recognition Program

Our annual cash bonus recognition program is specifically designed to provide at-risk and contingent cash awards based on the achievement of performance goals which are linked directly to individual, business and strategy objectives for each participant. This linkage, particularly when combined with a market-based base salary program, provides our officers with a competitive level of compensation when objectives are achieved.

Annual Cash Bonus Recognition Award for our Chief Executive Officer

On an annual basis, the Compensation Committee determines whether to award a cash bonus to our Chief Executive Officer based on the Company's performance and his individual performance contributions during the fiscal year. Annually, the targets and the percentages allocated to each are determined by the Compensation Committee. However, the Compensation Committee retains the discretion to change the bonus award whether or not the performance criteria are satisfied.

In Fiscal 2008, our Chief Executive Officer was eligible to receive a targeted cash bonus of up to 50% of his base salary, or \$214,968. A cash bonus of \$150,478 (35%) of his base salary was ultimately awarded by the Compensation Committee. The Fiscal 2008 performance parameters included:

- achieving net sales target of \$175 million;
- maintaining gross profit of 46% or above for manufactured products;
- lowering overall SG&A percentage excluding Sun related SG&A expenses;
- increasing product development filings; and
- establishing key indicator reports.

Each of such factors accounted for 20% of the targeted cash bonus. In Fiscal 2008, net sales were \$350.4 million. The target relating to increasing product development filings was not achieved. Although 80% of the targets were achieved, the Compensation Committee, in its discretion, determined to award a bonus based on achievement of 70% of such targets based on overall Company performance.

Annual Cash Bonus Recognition Awards for our Named Executive Officers other than our Chief Executive Officer

Each year, the Compensation Committee adopts a program, based on the recommendation of our Chief Executive Officer, that provides specific achievement targets and weighting of those achievements as part of the overall target bonus. The attainment level of these goals is used to calculate the annual cash bonus recognition portion of the total compensation of our executive officers. The target bonus percentage is a standard percentage for each position and that position's contribution to the overall operation of the Company. However, the Compensation Committee retains the discretion to change the bonus award whether the performance criteria are satisfied or not.

Each named executive officer's (other than our Chief Executive Officer's) annual cash incentive award for 2008, and the weight of each respective achievement, was structured as follows:

Our Interim Chief Financial Officer, received approximately 75% of his targeted bonus of 15% of his base salary, predicated on the level of attainment of the following targets: review and improve tax position and percentage via research grants and other tax incentive (20%), achievement of the Company's overall sales goals (25%), improved reporting of accounts receivable activity on a periodic basis with action steps and resolution time line (20%), create costing structure based on direct cost relationship on products (20%), and the balance (15%) based on individual development goals and at the discretion of our Chief Executive Officer. The last three targets were not fully achieved and would have resulted in achievement of 85% of the Interim Chief Financial Officer's targeted bonus, however, the Compensation Committee, in its discretion, requested the Chief Executive Officer to lower overall bonuses, and the Interim Chief Financial Officer's bonus was reduced to 75% of his targeted bonus.

Our Senior Vice President - Business Strategies received approximately 85% of his targeted bonus of 27% of his base salary predicated on the level of attainment of the following targets: achievement of the Company's overall sales goals (25%), achievement of sales of a certain product (20%), maintaining gross profit of 46% or above for manufactured products (20%), improve closing rate of deals on products and product categories in development (20%) and the balance (15%) based on individual development goals and at the discretion of our Chief Executive Officer. The achievement of sales of a certain product was not fully achieved and would have resulted in achievement of 95% of the Senior Vice President's targeted bonus, however, the Compensation Committee, in its discretion, requested the Chief Executive Officer to lower overall bonuses, and the bonus of the Senior Vice President - Business Strategies was reduced to 85% of his targeted bonus. The bonus allocated to the Senior Vice President - Business Strategies for achievement of sales of a certain product was set at a very high threshold. While there was no assurance of success, we believed that a substantial portion of the bonus for that parameter would be earned based on his motivated performance, but that extraordinary efforts would be necessary to achieve the entire bonus for such parameter.

Our Senior Vice President - Regulatory received approximately 81% of his targeted bonus of 27% of his base salary, predicated on the level of attainment of the following targets: file a minimum of 14 products, not including new sources or secondary sources (20%), implement ECTD (electronic FDA filing software by October 1, 2007 (15%), submission of all filings with no major deficiencies (15%), standardize SOPs for regulatory procedures (15%), develop and utilize deficiency trend analysis, by deficiency root cause, and implement solutions and go-forward strategies to reduce deficiencies (15%), and the balance (20%) based on individual development goals and at the discretion of our Chief Executive Officer. The last two targets were not fully achieved resulting in the Senior Vice President – Regulatory receiving 81% of his targeted bonus

Long-Term Incentives

Long-term incentives are used to balance the short-term focus of the annual bonus program with performance over multi-year periods. Stock grants and option grants help to align the interests of our employees with those of our stockholders.

We believe that grants of equity-based compensation:

- Enhance the link between the creation of stockholder value and long-term executive incentive compensation;
- Provide focus, motivation and retention incentive; and
- Provide competitive levels of total compensation.

We made limited option grants in fiscal 2008 to certain executive officers, as reflected in the tables below. The subcommittee of the Compensation Committee (comprised only of independent directors) receives recommendations from the chief executive officer, based on the chief executive officer's subjective judgment of an executive officer's performance, of the appropriate number of options to be granted to an executive officer other than the chief executive officer, and the subcommittee makes the final determination of the grants to all executive officers, including the chief executive officer. The employment agreement of the chief executive officer requires that he be granted options to purchase no less than 40,000 shares of common stock each year during the term of his agreement based on Company performance in light of pre-established mutually agreed upon Company goals and objectives. During fiscal 2008, the subcommittee awarded the CEO options to purchase 40,000 shares of common stock based on its subjective determination of his performance. Options are granted with exercise prices equal to the closing price of our common stock on the day immediately preceding the date of grant, with pro rata vesting at the end of each of the following three years. In addition, pursuant to the chief executive officer's employment agreement, he was awarded 10,000 shares of our common stock upon renewal of his employment agreement on May 2, 2008. On July 25, 2009, the Senior Vice President - Business Strategies and the Senior Vice President - Regulatory were awarded options to purchase 15,000 and 5,000 shares of Common Stock by the subcommittee.

Treatment of Dividends

We have not historically paid cash dividends.

Benefits

In addition to cash and equity compensation programs, executive officers participate in the retirement, health and welfare benefit programs generally available to other employees. In a few limited circumstances, we provide other benefits to certain executive officers, such as car allowances, disability and life insurance premiums, as set forth in the tables below.

All executive officers are eligible to participate in the company's 401(k) plan on the same basis as our other employees. With the exception of those employees deemed "highly compensated," eligible employees are permitted to defer between 1% and 90% of their salary on a pre-tax basis through bi-weekly payroll deductions. The company matches \$0.50 of each \$1.00 of each employee's contribution up to the first 4% of his or her salary.

In fiscal 2008, our Compensation Committee increased the base salary of our chief executive officer by 6.0% to \$429,936 from the \$405,600 required by his employment agreement during his first year of employment. Pursuant to delegated authority, our chief executive officer increased the salary of Gurpartap Singh Sacheva 21.0% to \$225,096 from \$186,030, of Robert Kurkiewicz 3.0% to \$161,522 from \$156,818 and of Mukul Rathi 4.0% to \$88,400 from \$85,000.

See "Compensation of Executive Officers – Components of Compensation – Executive Officers" for additional details.

Grants of Plan-Based Awards

We generally award stock options and/or stock under our 1999 Equity Participation Plan which was approved by stockholders. (See Proposal 2 regarding our proposed 2008 Equity Participation Plan) The subcommittee of non-employee directors of the Compensation Committee determines the options to be awarded to the chief executive officer and our other executive officers. Under our chief executive officer's employment agreement, he is entitled to receive during each year of his term of employment, options to purchase no less than 40,000 shares of common stock based on the Company's performance in light of pre-established mutually agreed upon Company objectives. During fiscal 2008, the subcommittee awarded the CEO options based on its subjective determination of his performance. The subcommittee receives recommendations from the chief executive officer, based on the chief executive officer's subjective judgment of an executive officer's performance, of the appropriate number of options to be granted to an executive officer other than the chief executive officer. During fiscal 2008, with respect to executive officers, only the chief executive officer was granted options.

The following table summarizes all grants of plan-based awards during the years ended March 31, 2008 and 2007, respectively, to all named executive officers. Employment Agreements and Potential Payments Upon Termination or Change-in-Control

Daniel H. Movens, the Chief Executive Officer of Caraco, entered into an employment agreement with Caraco dated as of May 2, 2005 (the "effective date"). Under the employment agreement, Mr. Movens agrees to serve as Chief Executive Officer of the Company for period of thirty-six (36) calendar months which will automatically renew at the end of thirty-six (36) months. Each party may terminate the agreement upon ninety (90) days written notice to the other party. The agreement provides Mr. Movens with: a base salary during the first year of the agreement of \$390,000 (which is to be reviewed annually by the Compensation Committee and adjusted accordingly, in its discretion), a bonus of up to fifty (50%) percent of the base compensation (with twenty-five (25%) percent of the base compensation guaranteed only for the first year), and stock options for 40,000 shares upon the effective date at the fair market value of the common stock on the day immediately preceding the effective date and stock options for not less than 40,000 shares of the Company annually thereafter based on Company performance in light of pre-established mutually agreed upon Company goals and objectives (all such options to vest over a period of three years from the date of their respective grants), a stock grant on the effective date of 45,000 shares of the Company's common stock (which will vest over a period of three (3) years), and a stock grant of an additional 10,000 shares if the employment agreement is renewed. In addition, the Company provided for the reimbursement to Mr. Movens of his reasonable relocation expenses up to \$50,000.

If Mr. Movens is terminated without cause and for a reason other than for nonperformance, if Mr. Movens terminates for good reason, or if there is a change in control (as each is defined in the employment agreement) of the Company or Sun Pharma, and Mr. Movens terminates within six months thereof because he reasonably determines that there has been a significant change in the nature and scope of his duties and powers, he is entitled to a lump sum severance payment in an amount equal to 1 ½ times the highest annual base and last earned bonus(es), together with health, vision and dental insurance coverage for a period of at least twelve (12) months, and all stock options and stock grants shall be deemed vested in full. With respect to any such amounts which are considered to be "parachute payments" under Internal Revenue Code §280G, the Company shall pay an additional amount representing a gross-up of any federal, state and local income tax liability arising from such payments. If any of the foregoing triggering events had occurred as of March 31, 2008, Mr. Movens would have received payment (including the value of the benefits and the vested options and stock (assuming the closing stock price on March 31, 2008) of \$2,118,865. After one year of employment with the Company, the amount of this severance could be reviewed to be increased to two (2) times the highest annual base and last earned bonus(es).

If Mr. Movens becomes disabled (as defined in the employment agreement), or dies, the Company shall be obligated to pay accrued unpaid salary and benefits for a one (1) year period following such date of disability or death. If Mr. Movens quits before the first anniversary of the employment agreement, he will receive no severance compensation. If Mr. Movens quits after one (1) year of service, the Company shall pay him his base salary for a maximum period of one (1) year following such termination, or until he finds another position, whichever comes first. If this had occurred as of March 31, 2008, Mr. Movens would have received payment of \$429,936. In addition, if Mr. Movens is terminated for nonachievement of performance objectives, to be agreed upon, during his first year of employment, the Company will pay him his base salary for a maximum period of one (1) year, or until he finds another position, whichever comes first, and one-third (1/3) of the stock options and stock grants awarded to him will vest. If Mr. Movens is terminated for nonachievement of performance objectives, to be agreed upon, following his first year of employment, the Company will pay him 1 ½ times his base salary for a maximum period of one (1) year or until he finds another position, whichever comes first, and all of his stock options and stock grants awarded to him will vest. If this had occurred as of March 31, 2008, Mr. Movens would have received payment (including the value of the vested options and stock (assuming the closing stock price on March 31, 2008) of \$1,807,754. Except as disclosed, Mr. Movens is under no duty to seek other employment or to attempt in any way to reduce any amounts payable to him by means of mitigation or set off.

The Company and Mr. Movens have also entered into a Confidentiality And Non-Competition agreement, pursuant to which Mr. Movens agrees not to solicit any customer of the Company for business in competition with the Company, or solicit for employment any other employee of the Company, for a period of two (2) years following his termination. In addition, for a period of twelve (12) months following the termination of his employment, Mr. Movens agrees not to engage in any activity within North America which is competitive in any material respect with the business of the Company, including generic pharmaceutical manufacturing and marketing, but excluding wholesale distribution. In addition, for a period of twelve (12) months following termination of his employment, Mr. Movens agrees that he will not perform services for any business or organization, whether as an employee, consultant, advisor, independent contractor, or otherwise, which engages in any activity within North America that is competitive in any material respect with the business conducted by the Company, including any business engaged in generic pharmaceutical manufacturing and marketing and any other business in which the Company generates more than ten (10%) percent of its gross revenues.

Robert Kurkiewicz, the Senior Vice President - Regulatory, entered into a five-year employment agreement on November 22, 1993 which was amended on January 1, 1999 to extend the term until January 1, 2003 and which was further amended on August 30, 2002 to extend the term until December 31, 2007. The agreement, as amended, provides Mr. Kurkiewicz with a salary of \$129,800 per year and provides for a car allowance of \$380.00 per month. The agreement provides that at the end of the term, it is renewable for successive one-year terms. In the event that Caraco terminates Mr. Kurkiewicz for 'cause' (as defined in the employment agreement), he is entitled to the base salary and benefits earned by him prior to the date of termination. In the event that Caraco terminates the agreement without cause or Mr. Kurkiewicz terminates the agreement for cause not attributable to him (meaning Caraco failing to make any payment of base salary to him within 30 days after such payment is due), Mr. Kurkiewicz is entitled to receive monthly base salary payments and his premium payments for health insurance benefits for six (6) months from the date of termination. In addition, any stock options that would become available for exercise at the end of the year during which such termination occurred shall immediately vest. In August 2005, the Compensation Committee increased Mr. Kurkiewicz's salary to \$152,250 annually. If Mr. Kurkiewicz was terminated without cause or he terminates for cause, as set forth above, as of March 31, 2008, he would have received payment (including the value of the benefits and the vested options and stock (assuming the closing stock price on March 31, 2008) of \$ 85,737.

The employment agreement provides Mr. Sachdeva with a salary at the rate of \$135,000 annually, which may be reviewed and adjusted, and a car allowance of \$380.00 per month. The employment agreement is for a term of five (5) years, commencing on February 1, 2005. The agreement automatically renews for successive one-year periods unless terminated by Caraco or Mr. Sachdeva upon ninety (90) days notice. In the event of the death or Disability (as such term is defined in the employment agreement) or if Caraco terminates Mr. Sachdeva for just cause (as such term is defined in the employment agreement), Mr. Sachdeva shall be entitled to his base salary and to benefits earned by him prior to the date of death, Disability or termination for just cause, respectively. In the event Caraco terminates Mr. Sachdeva without cause or if Mr. Sachdeva terminates for cause not attributable to him (meaning Caraco failing to make any payment of base salary to him within 30 days after such payment is due), he will receive base salary payments and his premium payments for health insurance benefits for six (6) months from the date of termination. In addition, any stock options that would become available for exercise at the end of the year during which such termination occurred shall immediately vest. If Mr. Sachdeva was terminated without cause or he terminates for cause, as set forth above, as of March 31, 2008, he would have received payment (including the value of the benefits and the vested options and stock (assuming the closing stock price on March 30, 2008) of \$116,239.

 - (ii) Subject to the Award Limit, determine the number of shares to be subject to such Options granted to the selected Employees or Consultants;
 - (iii) Subject to Section 3.3, determine whether such Options are to be Incentive Stock Options or Non-Qualified Stock Options and whether such Options are to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code; and
 - (iv) Determine the terms and conditions of such Options, consistent with this Plan; provided, however, that the terms and conditions of Options intended to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code shall include, but not be limited to, such terms and conditions set forth in Section 6.10 and as may be necessary to meet the applicable provisions of Section 162(m) of the Code.

The Committee, however, in conformance with the applicable law and regulation, may delegate to the chief executive officer of the Company the power to grant options pursuant to the terms of the Plan, except the chief executive officer may not grant options to Non-Employee Directors and those Employees designated by the Board as officers subject to Section 16 of the Exchange Act.

- (b) Upon the selection of an Employee or Consultant to be granted an Option, the Committee shall instruct the Secretary of the Company to issue the Option and may impose such conditions on the grant of the Option as it deems appropriate.
- (c) Any Incentive Stock Option granted under this Plan may be modified by the Committee to disqualify such Option from treatment as an "incentive stock option" under Section 422 of the Code.
- (d) During the term of the Plan, the Board shall from time to time, in its sole direction, and subject to applicable limitations of this Plan:
 - (i) Select from among the Non-Employee Directors such of them as in its opinion should be granted Options;
 - (ii)

Subject to the Award Limit, determine the number of shares to be subject to such Options granted to the selected Non-Employee Directors; and

- (iii) Determine the terms and conditions of such Options.

ARTICLE IV.

TERMS OF OPTIONS

SECTION 4.1 OPTION AGREEMENT

Each Option shall be evidenced by a written Stock Option Agreement, which shall be executed by the Optionee and an authorized officer of the Company and which shall contain such terms and conditions as the Committee (or the Board, in the case of Options granted to Non-Employee Directors) shall determine, consistent with this Plan. As deemed necessary or advisable, Stock Option Agreements evidencing Options intended to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 162(m) of the Code. Stock Option Agreements evidencing Incentive Stock Options shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 422 of the Code.

SECTION 4.2 OPTION PRICE

The price per share of the shares subject to each Option shall be 100% of the Fair Market Value of a share of Common Stock on the date the Option is granted (or the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code). In the case of Incentive Stock Options granted to an individual then owning (within the meaning of Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of stock of the Company or any Subsidiary or parent corporation thereof (within the meaning of Section 422 of the Code) such price shall not be less than 110% of the Fair Market Value of a share of Common Stock on the date the Option is granted (or the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code).

SECTION 4.3 OPTION TERM

The term of an Option shall be set by the Committee or by the Board in the case of Non-Employee Directors in their respective discretion; provided, however, that, in the case of Incentive Stock Options, the term shall not be more than ten (10) years from the date the Incentive Stock Option is granted, or five (5) years from such date if the Incentive Stock Option is granted to an individual then owning (within the meaning of Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of stock of the Company or any Subsidiary or parent corporation thereof (within the meaning of Section 422 of the Code). Except as limited by requirements of Section 422 of the Code and regulations and rulings thereunder applicable to Incentive Stock Options, the Committee may extend the term of any outstanding Option in connection with any Termination of Employment or Termination of Consultancy of the Optionee, or amend any other term or condition of such Option relating to such a termination.

SECTION 4.4 OPTION VESTING

- (a) The period during which the right to exercise an Option in whole or in part vests in the Optionee shall be set by the Committee or by the Board in the case of Non-Employee Directors, and the Committee or the Board, as applicable, may determine that an Option may not be exercised in whole or in part for a specified period after it is granted. At any time after grant of an Option, the Committee or the Board, as applicable, may, in their respective sole discretion, accelerate the period during which an Option vests.
- (b) No portion of an Option which is unexercisable at Termination of Employment, Termination of Directorship or Termination of Consultancy, as applicable, shall thereafter become exercisable, except as may be otherwise provided by the Committee or the Board, as applicable, in the Stock Option Agreement or by action of the Committee or the Board, as applicable, following the grant of the Option.
- (c) To the extent that the aggregate Fair Market Value of stock with respect to which "incentive stock options" (within the meaning of Section 422 of the Code, but without regard to Section 422(d) of the Code) are exercisable for the first time by an Optionee during any calendar year (under the Plan and all other incentive stock option plans of the Company and any parent or subsidiary corporation (within the meaning of Section 422 of the Code of the Company) exceeds \$100,000, such Options shall be treated as Non-Qualified Options to the extent required by Section 422 of the Code. The rule set forth in the preceding sentence shall be applied by taking Options into account in the order in which they were granted. For purposes of this Section 4.4(c), the Fair Market Value of stock shall be determined as of the time the Option with respect to such stock is granted.

SECTION 4.5 CONSIDERATION

In consideration of the granting of an Option, the Optionee shall agree, in the written Stock Option Agreement, to render faithful and efficient service to the Company or any Subsidiary. Nothing in this Plan or in any Stock Option Agreement hereunder

shall confer upon any Optionee any right to continue in the employ of, or as a Consultant for, the Company or any Subsidiary, or as a director of the Company, or shall interfere with or restrict in any way the rights of the Company and any Subsidiary, which are hereby expressly reserved, to discharge any Optionee at any time for any reason whatsoever, with or without good cause (unless otherwise provided in the Optionee's employment agreement).

ARTICLE V.

EXERCISE OF OPTIONS

SECTION 5.1 PARTIAL EXERCISE

An exercisable Option may be exercised in whole or in part. However, an Option shall not be exercisable with respect to fractional shares and the Committee (or the Board, in the case of Options granted to Non-Employee Directors) may require that, by the terms of the Option, a partial exercise be with respect to a minimum number of shares.

SECTION 5.2 MANNER OF EXERCISE

All or a portion of an exercisable Option shall be deemed exercised upon delivery of all of the following to the Secretary of the Company or his office:

- (a) A written notice complying with the applicable rules established by the Committee (or the Board, in the case of Options granted to Non-Employee Directors) stating that the Option, or a portion thereof, is exercised. The notice shall be signed by the Optionee or other person then entitled to exercise the Option or such portion of the Option;
- (b) Such representations and documents as the Committee (or the Board, in the case of Options granted to Non-Employee Directors), in its sole discretion, deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act of 1933, as amended, and any other federal or state securities laws or regulations. The Committee or Board may, in its sole discretion, also take whatever additional actions it deems appropriate to effect such compliance including, without limitation, placing legends on share certificates and issuing stop-transfer notices to agents and registrars;
- (c) In the event that the Option shall be exercised pursuant to Section 8.1 by any person or persons other than the Optionee, proof of the right of such person or persons to exercise the Option; and
- (d) Payment (i) in cash to the Secretary of the Company for the shares with respect to which the Option, or portion thereof, is exercised (ii) in whole or in part, through the delivery of shares of Common Stock owned by the Optionee, duly endorsed for transfer to the Company with a Fair Market Value on the date of delivery equal to the aggregate exercise price of the Option or exercised portion thereof; (iii) in whole or in part, through the surrender of shares of Common Stock then issuable upon exercise of the Option having a Fair Market Value on the date of Option exercise equal to the aggregate exercise price of the Option or exercised portion thereof; (iv) in whole or in part, through the delivery of a notice that the Optionee has placed a market sell order with a broker with respect to shares of Common Stock then issuable upon exercise of the Option, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the Option exercise price (a "cashless exercise"); or (v) through any combination of the consideration provided in the foregoing subparagraphs (ii), (iii) and (iv).

SECTION 5.3 CONDITIONS TO ISSUANCE OF STOCK CERTIFICATES

The Company shall not be required to issue or deliver any certificate or certificates for shares of stock purchased upon the exercise of any Option or portion thereof prior to fulfillment of all of the following conditions:

- (a) The admission of such shares to listing on all stock exchanges or Nasdaq on which such class of stock is then listed;
- (b) The completion of any registration or other qualification of such shares under any state or federal law, or under the rulings or regulations of the Securities and Exchange Commission or any other governmental regulatory body which the Committee or Board shall, in its sole discretion, deem necessary or advisable;

- (c) The obtaining of any approval or other clearance from any state or federal governmental agency which the Committee (or Board, in the case of Options granted to Non-Employee Directors) shall, in its sole discretion, determine to be necessary or advisable;

- (d) The lapse of such reasonable period of time following the exercise of the Option as the Committee (or Board, in the case of Options granted to Non-Employee Directors) may establish from time to time for reasons of administrative convenience; and
- (e) The receipt by the Company of full payment for such shares, payment of any applicable withholding tax.

SECTION 5.4 RIGHTS AS STOCKHOLDERS

The holders of Options shall not be, nor have any of the rights or privileges of, stockholders of the Company in respect of any shares purchasable upon the exercise of any part of an Option unless and until certificates representing such shares have been issued by the Company to such holders.

SECTION 5.5 OWNERSHIP AND TRANSFER RESTRICTIONS

The Committee (or Board, in the case of Options granted to Non-Employee Directors), in its sole discretion, may impose such restrictions on the ownership and transferability of the shares purchasable upon the exercise of an Option as it deems appropriate. Any such restriction shall be set forth in the respective Stock Option Agreement or Stockholder's Agreement or other written agreement between the Company and the Optionee and may be referred to on the certificates evidencing such shares. The Committee may require the Employee to give the Company prompt notice of any disposition of shares of Common Stock acquired by exercise of an Incentive Stock Option within (i) two years from the date of grant (including the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code) or (ii) one year after the transfer of such shares to such Employee. The Committee may direct that the certificates evidencing shares acquired by exercise of an Option refer to such requirement.

ARTICLE VI.

AWARD OF RESTRICTED STOCK

SECTION 6.1 ELIGIBILITY

Subject to the Award Limit, Restricted Stock may be awarded to any Employee or any Consultant whom the Committee determines should receive such an award. In addition, each Non-Employee Director shall be eligible to receive an award of Restricted Stock if so determined by the Board.

SECTION 6.2 AWARD OF RESTRICTED STOCK

- (a) The Committee or the Board in the case of Non-Employee Directors, may from time to time, in their respective sole discretion:
 - (i) Select from among the Employees and Consultants or Non-Employee Directors such of them as in its opinion should be awarded Restricted Stock; and
 - (ii) Determine the purchase price, if any, and other terms and conditions applicable to such Restricted Stock, consistent with this Plan.
- (b) The Committee shall establish the purchase price, if any, and form of payment for Restricted Stock. In all cases, legal consideration shall be required for each issuance of Restricted Stock.
- (c) Upon the selection of a Participant to be awarded Restricted Stock, the Committee or the Board, as applicable, shall instruct the Secretary of the Company to issue such Restricted Stock and may impose such conditions on the issuance of such Restricted Stock as it deems appropriate.

The Committee, however, in conformance with applicable law and regulation, may delegate to the chief executive officer of the Company the power to grant restricted stock pursuant to the terms of the Plan, except that the chief executive officer may not grant restricted stock to Non-Employee Directors and those Employees designated by the Board as officers subject to Section 16 of the Exchange Act or subject to Section 162(m) of the Code.

SECTION 6.3 RESTRICTED STOCK AGREEMENT

Restricted Stock shall be issued only pursuant to a written Restricted Stock Agreement, which shall be executed by the selected Employee, Consultant or Non-Employee Director and an authorized officer of the Company and which shall contain such terms and conditions as the Committee or the Board, as applicable, shall determine, consistent with this Plan.

SECTION 6.4 CONSIDERATION

As consideration for the issuance of Restricted Stock, in addition to payment of the purchase price, if any (Restricted Stock may simply be granted for no cash consideration), the Restricted Stockholder shall agree, in the written Restricted Stock Agreement, to render faithful and efficient service to the Company or any Subsidiary. Nothing in this Plan or in any Restricted Stock Agreement hereunder shall confer on any Restricted Stockholder any right to continue in the employ of, as a Consultant for, or as a Non-Employee Director of the Company or any Subsidiary or shall interfere with or restrict in any way the rights of the Company and any Subsidiary, which are hereby expressly reserved, to discharge any Restricted Stockholder at any time for any reason whatsoever, with or without good cause (unless otherwise provided in a Restricted Stockholder's employment agreement).

SECTION 6.5 RIGHTS AS STOCKHOLDERS

Subject to Section 6.6, upon delivery of the shares of Restricted Stock to the escrow holder pursuant to Section 6.8, the Restricted Stockholder shall have, unless otherwise provided by the Committee, all the rights of a stockholder with respect to said shares, subject to the restrictions in his Restricted Stock Agreement, including the right to receive all dividends and other distributions paid or made with respect to the shares; provided, however, that in the discretion of the Committee, any extraordinary distributions with respect to the Common Stock shall be subject to the restrictions set forth in Section 6.6.

SECTION 6.6 RESTRICTION

All shares of Restricted Stock issued under this Plan (including any shares received by holders thereof with respect to shares of Restricted Stock as a result of stock dividends, stock splits or any other form of recapitalization) shall, in the terms of each individual Restricted Stock Agreement, be subject to such restrictions, if any, as the Committee shall provide, which restrictions may include, without limitation, restrictions concerning voting rights and transferability and restrictions based on duration of employment with the Company, Company performance and individual performance; provided, however, that by action taken after the Restricted Stock is issued, the Committee may, on such terms and conditions as it may determine to be appropriate, remove any or all of the restrictions imposed by the terms of the Restricted Stock Agreement. Restricted Stock may not be sold or encumbered until all restrictions are terminated or expire; provided, however, that by action taken after the Restricted Stock is issued, the Committee may, on such terms and conditions as it may determine to be appropriate, remove any or all of the restrictions imposed by the terms of the Restricted Stock Agreement. Restricted Stock may not be sold or encumbered until all restrictions are terminated or expire.

SECTION 6.7 REPURCHASE OF RESTRICTED STOCK

The Committee or the Board, as applicable, may provide in the terms of each individual Restricted Stock Agreement that the Company shall have the right to repurchase from the Restricted Stockholder the Restricted Stock then subject to restrictions under the Restricted Stock Agreement immediately upon Termination of Employment, Termination of Consultancy or Termination of Directorship, where such termination is determined by the Committee to be a discharge for good cause, as applicable between the Restricted Stockholder and the Company, at a cash price per share equal to the price paid by the Restricted Stockholder for such Restricted Stock; provided, however, that no such right of repurchase shall exist in the event of a Change in Control of the Company or because of the Restricted Stockholder's death or disability, or if contrary to the terms of the Restricted Stockholder's employment agreement.

SECTION 6.8 ESCROW

The Secretary of the Company or such other escrow holder as the Committee may appoint shall retain physical custody of each certificate representing Restricted Stock until all of the restrictions that may have been imposed under the Restricted Stock Agreement with respect to the shares evidenced by such certificate expire or shall have been removed.

SECTION 6.9 LEGEND

In order to enforce the restrictions that may be imposed upon shares of Restricted Stock hereunder, the Committee or the Board, as applicable, shall cause a legend or legends to be placed on certificates representing all shares of Restricted Stock that are still subject to any such restrictions under Restricted Stock Agreements, which legend or legends shall make appropriate reference to the conditions imposed thereby.

SECTION 6.10 PROVISIONS APPLICABLE TO SECTION 162(M) PARTICIPANTS.

- (a) Notwithstanding anything in the Plan to the contrary, the Committee may grant Restricted Stock or Options to a Section 162(m) Participant the restrictions with respect to which lapse upon the attainment of performance goals for the Company which are related to one or more of the following business criteria: (i) net sales, (ii) sales of certain products, (iii) gross profits or gross profit margin, (iv) gross profits or gross profit margin relating to manufactured

products, (v) gross profits or gross profit margin relating to distributed products, (vi), research and development costs, (vii) pre-tax income, (viii) operating income, (ix) cash flow, (x) earnings per share, (xi) return on equity, (xii) return on invested capital or assets, (xiii) cost reductions or savings, (xiv) appreciation in the fair market value of Common Stock and (xv) earnings before any one or more of the following items: interest, taxes, depreciation or amortization, and (xvi) any other performance goal determined by the Committee.

- (b) To the extent the Committee determines to follow Section 162(m) of the Code and to the extent deemed necessary or advisable to comply with the performance-based compensation requirements of Section 162(m)(4)(C) of the Code, with respect to Restricted Stock which may be granted to one or more Section 162(m) Participants, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code), the Committee may, in writing, (i) designate one or more Section 162(m) Participants, (ii) select the performance goal or goals applicable to the fiscal year or other designated fiscal period or period of service, (iii) establish the various targets and amounts of Restricted Stock which may be earned for such fiscal year or other designated fiscal period or period of service and (iv) specify the relationship between performance goals and targets and the amounts of Restricted Stock to be earned by each Section 162(m) Participant for such fiscal year or other designated fiscal period or period of service. To the extent the Committee determines to follow Section 162(m) of the Code and to the extent deemed necessary or advisable to comply with the performance-based compensation requirements of Section 162(m)(4)(C) of the Code, following the completion of each fiscal year or other designated fiscal period or period of service, and determining the amount earned by a Section 162(m) Participant, the Committee shall certify in writing whether the applicable performance targets have been achieved for such fiscal year or other designated fiscal period or period of service, and determining the amount earned by a Section 162(m) Participant, the Committee shall have the right to reduce (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the fiscal year or other designated fiscal period or period of service.

ARTICLE VII.

ADMINISTRATION

SECTION 7.1 COMPENSATION COMMITTEE; SUBCOMMITTEE

- (a) The Compensation Committee shall consist of two or more Directors, appointed by and holding office at the pleasure of the Board. Appointment of Committee members shall be effective upon acceptance of appointment. Committee members may resign at any time by delivering written notice to the Board. Vacancies in the Committee may be filled by the Board.
- (b) A Subcommittee consisting of two or more Committee members, appointed by and serving office at the pleasure of the Board, each of whom is both a “non-employee director” as defined by Rule 16b-3 and an “outside director” for purposes of Section 162(m) of the Code (a) may be appointed at any time to act with the full power of the Committee under the Plan and (b) shall be appointed to act with the full power of the Committee with respect to grants of Options and/or Restricted Stock to those Employees designated by the Board as officers subject to Section 16 of the Exchange Act.

SECTION 7.2 DUTIES AND POWERS OF COMMITTEE

It shall be the duty of the Committee to conduct the general administration of this Plan in accordance with its provisions. The Committee and the Subcommittee shall have the power to interpret this Plan, the Stockholders' Agreements and the agreements pursuant to which Awards are granted and to adopt such rules for the administration, interpretation and application of this Plan as are consistent therewith and to interpret, amend or revoke any such rules. Notwithstanding the foregoing, the full Board, acting by a majority of its members in office, may conduct the general administration of the Plan (i) with respect to Options granted to Non-Employee Directors and (ii) at any time when there is no Subcommittee as described in Section 7.1(b) and not all of the Committee members are "non-employee directors" as defined by Rule 16b-3, with respect to any person who is subject to Section 16 of the Exchange Act at the time such person is granted an Option or Restricted Stock. Any such grant or award under this Plan need not be the same with respect to each Participant. Any such interpretations and rules with respect to Incentive Stock Options shall be consistent with the provisions of Section 422 of the Code. In its sole discretion, the Board may at any time and from time to time exercise any and all rights and duties of the Committee under this Plan except with respect to matters which under Rule 16b-3 or Section 162(m) of the Code (as each may be applicable), or any regulations or rules issued thereunder, are required to be determined in the sole discretion of the Committee (or the Subcommittee, as applicable).

SECTION 7.3 MAJORITY RULE

The Committee and the Subcommittee shall each act by a majority of its members in attendance at a meeting where a quorum is present or by a memorandum or other written instrument signed by all members of the Committee or Subcommittee.

SECTION 7.4 COMPENSATION; PROFESSIONAL ASSISTANCE; GOOD FAITH ACTIONS

Members of the Committee shall receive such compensation for their services as members as may be determined by the Board. All expenses and liabilities which members of the Committee incur in connection with the administration of this Plan shall be borne by the Company. The Committee and the Subcommittee may, with the approval of the Board, employ attorneys, consultants, accountants, appraisers, brokers or other persons. The Committee, the Company and the Company's officers and Directors shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee, the Board or the Subcommittee in good faith shall be final and binding upon all Participants, the Company and all other interested persons. No members of the Committee, or Subcommittee or the Board shall be personally liable for any action, determination or interpretation made in good faith with respect to this Plan or any Award, and all members of the Committee, or Subcommittee and the Board shall be fully protected by the Company in respect of any such action, determination or interpretation.

ARTICLE VIII.

MISCELLANEOUS PROVISIONS

SECTION 8.1 NOT TRANSFERABLE

Awards under this Plan may not be sold, pledged, assigned, or transferred in any manner other than by will or the laws of descent and distribution or pursuant to a QDRO, unless and until such rights or awards have been exercised, or the shares underlying such rights or awards have been issued, and all restrictions applicable to such shares have lapsed. No Award or interest therein shall be liable for the debts, contracts or engagements of the Participant or his successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect, except to the extent that such disposition is permitted by the preceding sentence.

During the lifetime of the Participant, only he may exercise an Award (or any portion thereof) granted to him under the Plan, unless it has been disposed of pursuant to a QDRO. After the death of the Participant, any exercisable portion of an Award may, prior to the time when such portion becomes unexercisable under the Plan or the applicable Stock Option Agreement or other agreement, be exercised by his personal representative or by any person empowered to do so under the deceased Participant's will or under the then applicable laws of descent and distribution.

SECTION 8.2 AMENDMENT, SUSPENSION OR TERMINATION OF THIS PLAN

Except as otherwise provided in this Section 8.2, this Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Board or the Committee. However, without approval of the Company's stockholders given within twelve months before or after the action by the Board, the Committee or Subcommittee no action of the Board, the Committee or Subcommittee may, except as provided in Section 8.3, increase the limits imposed in

Section 2.1 on the maximum number of shares which may be issued under this Plan, and no action of the Board or the Committee may be taken that would otherwise require stockholder approval as a matter of applicable law, regulation or rule. The Award Limit may be increased by the Board or the Committee at any time and from time to time, and Awards may be granted with respect to a number of shares not in excess of such increased Award Limit; provided, however, that no such increase of the Award Limit shall be effective unless and until such increase is approved by the Company's stockholders and if such approval is not obtained all Awards granted with respect to a number of shares in excess of the Award Limit in effect prior to such increase shall be canceled and shall become null and void.

No amendment, suspension or termination of this Plan shall, without the consent of the Participant alter or impair any rights or obligations under any Awards theretofore granted, unless the Award itself otherwise expressly so provides. No Award may be granted during any period of suspension or after termination of this Plan, and in no event may any Incentive Stock Option be granted under this Plan after the expiration of ten years from the date the Plan is adopted by the Board.

SECTION 8.3 CHANGES IN COMMON STOCK OR ASSETS OF THE COMPANY, ACQUISITION OR LIQUIDATION OF THE COMPANY AND OTHER CORPORATE EVENTS

- (a) Subject to Section 8.3(c), in the event that the Committee or the Subcommittee (or the Board, in the case of Options granted to Non-Employee Directors) determines that any of the following events (other than those constituting a Change in Control, which will be governed by Section 8.3(d)): a dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, reclassification, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or exchange of Common Stock or other securities of the Company, issuance of warrants or other rights to purchase Common Stock or other securities of the Company, or other similar corporate transaction or event, in the Committee's or the Subcommittee's sole discretion (or in the case of Options granted to Non-Employee Directors, the Board's sole discretion), affects the Common Stock such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to an Award, then the Committee, or the Subcommittee (or the Board, in the case of Options granted to Non-Employee Directors) shall, in such manner as it may deem equitable, adjust any or all of:
- (i) the number and kind of shares of Common Stock (or other securities or property) with respect to which Awards may be granted (including, but not limited to, adjustments of the limitations in Section 2.1 on the maximum number and kind of shares which may be issued and adjustments of the Award Limit);
 - (ii) the number and kind of shares of Common Stock (or other securities or property) subject to outstanding Awards; and
 - (iii) the grant or exercise price with respect to any Option.
- (b) Subject to Section 8.3(c) and Section 8.3(d), in the event of any transaction or event described in Section 8.3(a) or in the event of a Change in Control or any unusual or nonrecurring transactions or events affecting the Company, any affiliate of the Company, or the financial statements of the Company or any affiliate, or of changes in applicable laws, regulations, or accounting principles, the Committee or Subcommittee (or the Board, in the case of Options granted to Non-Employee Directors) in its discretion is hereby authorized to take any one or more of the following actions whenever the Committee or Subcommittee (or the Board, in the case of Options granted to Non-Employee Directors) determines that such action is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Option, other award under this Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles:
- (i) In its sole discretion, and on such terms and conditions as it deems appropriate, the Committee or Subcommittee (or the Board, in the case of Options granted to Non-Employee Directors) may provide, either by the terms of the agreement or by action taken prior to the occurrence of such transaction or event and either automatically or upon the request of the Participant, for either the purchase of any such Award for an amount of cash equal to the amount that could have been attained upon the exercise of such Award had such Award been currently exercisable or payable or fully vested or the replacement of such Award with other rights or property selected by the Committee or Subcommittee (or the Board, in the case of Options granted to Non-Employee Directors) in its sole discretion;
 - (ii) In its sole discretion, and on such terms and conditions as it deems appropriate, the Committee or Subcommittee (or the Board, in the case of Options granted to Non-Employee Directors) may provide,

either by the terms of such Award or by action taken prior to the occurrence of such transaction or event, that for a specified period of time prior to such transaction or event, such Award shall be exercisable as to all shares covered thereby, anything to the contrary in (A) Section 4.4 or (B) the provisions of such Award;

- (iii) In its sole discretion, and on such terms and conditions as it deems appropriate, the Committee or Subcommittee (or the Board, in the case of Options granted to Non-Employee Directors) may provide, either by the terms of such Award or by action taken prior to the occurrence of such transaction or event, that upon such event, such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar Awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices; and
 - (iv) In its sole discretion, and on such terms and conditions as it deems appropriate, the Committee or Subcommittee (or the Board, in the case of Options granted to Non-Employee Directors) may make adjustments in the number and type of shares of Common Stock (or other securities or property) subject to outstanding Awards and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, Awards which may be granted in the future.
 - (v) In its sole discretion, and on such terms and conditions as it deems appropriate, the Committee or Subcommittee may provide by the terms of a Restricted Stock award or by action taken prior to the occurrence of such event that, for a specified period of time prior to such event, the restrictions imposed under a Restricted Stock Agreement upon some or all shares of Restricted Stock may be terminated.
- (c) To the extent deemed necessary or advisable by the Committee or Subcommittee, with respect to any Award granted to any Section 162(m) Participant that is intended to qualify as performance-based compensation under Section 162(m)(4)(C), no adjustment or action described in this Section 8.3(a) — (b) shall be authorized to the extent that such adjustment or action would cause such Award to fail to so qualify under Section 162(m)(4)(C) or any successor provision thereto. The Committee or Subcommittee reserves the right to make an Award to the executives of the Company that may not qualify under Section 162(m) as deductible compensation. Furthermore, no such adjustment or action shall be authorized to the extent such adjustment or action would result in short-swing profits liability under Section 16 or violate the exemptive conditions of Rule 16b-3 unless the Committee or Subcommittee (or the Board, in the case of Options granted to Non-Employee Directors) determines that the Option or other award is not to comply with such exemptive conditions. The number of shares of Common Stock subject to any Award shall always be rounded to the next whole number.
- (d) Notwithstanding any other provision of this Plan, in addition to whatever actions are taken by the Committee or by the Board, as applicable under Section 8.3(b) which are not inconsistent with the following, in the event of a Change in Control:
- (i) Except as otherwise specifically provided in a Stock Option Agreement, each Option granted or awarded hereunder shall automatically become exercisable as to all shares covered thereby simultaneously with the consummation of such Change in Control, notwithstanding anything to the contrary in Section 4.4, and
 - (ii) Except as otherwise specifically provided in a Restricted Stock Agreement, the Restricted Stock shall become fully vested and the restrictions included in any Restricted Stock granted or awarded hereunder shall be deemed rescinded, terminated and all of such Restricted Stock shall be immediately released without restriction, except as to applicable payment therefor, with the consummation of such Change in Control notwithstanding anything to the contrary in Article VI. However, any Award granted to any individual who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive Rule. To the extent permitted by applicable law, an Award granted hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive Rule.

SECTION 8.4 APPROVAL OF PLAN BY STOCKHOLDERS

This Plan will be submitted for the approval of the Company's stockholders within twelve months after the date of the Board's initial adoption of this Plan. Awards may be granted prior to such stockholder approval, provided that such Awards shall not vest or be exercisable prior to the time when this Plan is approved by the stockholders, and provided further that if such approval has not been obtained at the end of said twelve-month period all Awards previously granted under this Plan shall thereupon be canceled and become null and void.

SECTION 8.5 TAX WITHHOLDING

The Company shall be entitled to require payment in cash or deduction from other compensation payable to each Participant of any sums required by federal, state or local tax law to be withheld with respect to the issuance, vesting, exercise or payment of any Award. The Committee or Subcommittee (or the Board, in the case of Options granted to Non-Employee Directors) may in its discretion and in satisfaction of the foregoing requirement allow such Participant to elect to have the Company withhold shares of Common Stock otherwise issuable under such Award (or allow the return of shares of Common Stock) having a Fair Market Value equal to the sums required to be withheld.

SECTION 8.6 LIMITATIONS APPLICABLE TO SECTION 16 PERSONS AND PERFORMANCE-BASED COMPENSATION

Notwithstanding any other provision of this Plan (other than Section 8.3(e)), to the extent necessary or deemed advisable by the Committee or Subcommittee, this Plan and any Award granted to any individual who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan and Awards granted hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule. Furthermore, notwithstanding any other provision of this Plan (other than Section 8.3(d)), to the extent deemed necessary or advisable by the Committee, any Option or Restricted Stock which is granted to a Section 162(m) Participant and is intended to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code shall be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as performance-based compensation as described in Section 162(m)(4)(C) of the Code, and this Plan shall be deemed amended to the extent necessary to conform to such requirements, if the Committee or Subcommittee in its discretion determines that the award should qualify under Section 162(m) as deductible compensation.

SECTION 8.7 EFFECT OF PLAN UPON OPTIONS AND COMPENSATION PLANS.

The adoption of this Plan shall not affect any other compensation or incentive plans in effect for the Company or any Subsidiary. Nothing in this Plan shall be construed to limit the right of the Company (i) to establish any other forms of incentives or compensation for Employees, Directors or Consultants of the Company or any Subsidiary or (ii) to grant or assume Options or other rights or awards otherwise than under this Plan in connection with any proper corporate purpose including but not by way of limitation, the grant or assumption of Options in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, partnership, limited liability company, firm or association.

SECTION 8.8 COMPLIANCE WITH LAWS

This Plan, the granting and vesting of Awards under this Plan and the issuance and delivery of shares of Common Stock and the payment of money under this Plan or under Awards granted hereunder are subject to compliance with all applicable federal and state laws, rules and regulations (including but not limited to state and federal securities law and federal margin requirements) and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Any securities delivered under this Plan shall be subject to such restrictions, and the person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company as the Company may deem necessary or desirable to assure compliance with all applicable legal requirements. To the extent permitted by applicable law, the Plan, or Awards granted hereunder shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

SECTION 8.9 TITLES

Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Plan.

SECTION 8.10 GOVERNING LAW

This Plan and any agreements hereunder shall be administered, interpreted and enforced under the internal laws of the State of Michigan without regard to conflicts of laws thereof.
