Item 2.05 Costs Associated with Exit or Disposal Activities.

On February 8, 2010, the Board of Directors (the "Board") of Watts Water Technologies, Inc. (the "Company") approved a restructuring program with respect to the Company's operating facilities in France. The restructuring program is expected to include the shutdown of three facilities, including two manufacturing sites and one distribution center. The program is expected to include pre-tax charges totaling approximately \$12.5 million, including costs for severance, relocation, clean-up and certain asset write-downs, and result in the elimination of approximately 95 positions. Total net after-tax charges for this restructuring program are expected to be approximately \$8.3 million (\$1.1 million in non-cash charges), with costs being incurred through 2011. The Company expects to spend approximately \$6.6 million in capital expenditures to consolidate operations. Annual cash savings, net of tax, are estimated to be \$3.9 million, which the Company expects to fully realize by 2012. The Company recorded after-tax charges of approximately \$3.0 million, or (\$0.08) per share, in the fourth quarter of 2009 for severance and other costs related to this program.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 8, 2010, Daniel J. Murphy, III, a director of the Company, informed the Board of his decision not to stand for re-election at the Company's 2010 annual meeting of stockholders, which will be held on May 12, 2010. Mr. Murphy advised the Board that his decision was made for personal reasons and was not the result of any dispute or disagreement with the Company on any matter relating to the Company's operations, policies or practices. Mr. Murphy currently serves as a member of the Compensation Committee and the Nominating and Corporate Governance Committee.

The Company's Corporate Governance Guidelines provide that no member of the Board shall be nominated by the Board to serve as a director of the Company after he has passed his 72nd birthday, unless the Board has voted to waive the mandatory retirement age of such person as a director. Timothy P. Horne, a member of the Board, will pass his 72nd birthday in April, 2010, prior to our 2010 annual meeting of stockholders. On February 8, 2010, Mr. Horne advised the Board that he does not wish to have the Board waive the mandatory retirement age for him under the Company's Corporate Governance Guidelines, and therefore Mr. Horne will also not stand for re-election at the Company's 2010 annual meeting of stockholders.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 9, 2010, the Board amended and restated the By-Laws of the Company to include a new Section 17 in Article II of the By-Laws, which permits the Board to appoint any former director who has retired from the Board as a director emeritus. Directors emeriti may, but are not required to, attend all meetings (regular and special) of the Board and will receive notice of such meetings; however, they shall not have the right to vote and they shall be excluded from the number of directors for quorum and other purposes. Directors emeriti shall be appointed for one-year terms and may be reappointed for an unlimited number of additional one-year terms.
