ETHNIC FOOD DISTRIBUTOR

SPRINGBOARD FOR US SALES --

## Edgar Filing: G WILLI FOOD INTERNATIONAL LTD - Form 6-K

YAVNE, ISRAEL - DECEMBER 6, 2004 -- G. WILLI-FOOD INTERNATIONAL LTD. (NASDAQ: WILCF) (the "Company"), one of Israel's leading distributors of Kosher food products, today announced that it has signed a Letter of Intent to acquire 51% of a New Jersey-based distributor of ethnic food products.

For the past few years, the distributor to be purchased has had revenues of approximately \$40 million per year through sales to major supermarket chains throughout America's Eastern Seaboard area. However, the distributor's gross margins have been low due to its limited direct access to food suppliers.

As payment for 51% of the distributor's share capital, the Company will assume a \$4.5 million bank loan previously taken out by the distributor, against a 1st-ranking mortgage of the distributor's total assets.

"This distributor is a true diamond in the rough - an ideal vehicle for our strategic needs," said Mr. Zvi Williger, President and COO of the Company. "By leveraging our direct access to food suppliers and our aggressive sales capabilities, we believe we can increase the top-line as well as the bottom-line results of the distributor. At the same time, the distributor's impressive distribution network will be an ideal launching pad that we will use to enter the vast U.S. marketplace - a market which spends \$5B per year on kosher products. Taken as a whole, this attractively-priced deal is an important step that should take us to a new level of revenues and profits with growing activities in promising new markets."

Completion of the deal is contingent upon due diligence, final negotiation and execution of relevant agreements, approval of the Boards of Directors of both companies, approval of regulatory bodies (if necessary) and other customary closing conditions, as well as the satisfactory resolution of any issues that arise during the acquisition process.

As a result there can be no assurance that the acquisition will be completed in the terms described above or at all.

Willi-Food International is one of Israel's largest food importers and a single-source supplier of one of the world's most extensive ranges of quality Kosher food products. It currently imports, markets and distributes more than 400 food products manufactured by some 100 top-tier suppliers throughout the world to more than 1,000 customers. The Company excels in identifying changing tastes in its markets and sourcing high-quality kosher products to address them.

Except for historical information contained herein, the matters set forth in this release are forward-looking statements that are dependent on certain risks and uncertainties, including such factors, among others, as market acceptance, market demand, pricing, competition, changing economic conditions and other risk factors detailed in the Company's SEC filings.
