Company updates Full-Year 2008 Guidance

RISHON LEZION, Israel, November 6, 2008 /GLOBE NEWSWIRE/ B.O.S. Better Online Solutions Ltd. (BOS or the Company) (NASDAQ:BOSC; TASE: BOSC) a leading provider of comprehensive Mobile and RFID solutions for the enterprise and of Supply Chain Solutions, announced today that it will report financial results for the third quarter 2008 and nine month period ended September 30, 2008, before the market opens on Thursday, November 20, 2008.

BOS will host a conference call, to be simultaneously Webcast, on Thursday, November 20, 2008 at 10:00 a.m. Eastern Standard Time / 5:00 p.m. Israel Time. A question-and-answer session will follow management's presentation. Interested parties may participate in the conference call by dialing the following numbers approximately five to ten minutes before the call start time:

North America + 1-888-668-9141
Israel + 03-9180685
International + 972-3-9180685

The call is being simultaneously Web cast and can be accessed on the BOS Web site at www.boscorporate.com.

In an update to guidance given earlier this year, the Company believes it will meet the top line guidance of \$55m (Non GAAP) but will not achieve the EBITDA guidance as a result of two major factors:

The on going devaluation of the USD to the NIS.

The reduction in the legacy AS/400 business which is not in the core business of BOS going forward.

For those unable to listen to the live call, a replay of the call will be available from the day after the call in BOS's website, at: <http://www.boscorporate.com>
