FOR IMMEDIATE RELEASE

G. WILLI-FOOD REPORTS Q1 2015 FINANCIAL RESULTS

YAVNE, Israel - May 28, 2015 - G. Willi-Food International Ltd. (NASDAQ: WILC) (the "Company" or "Willi-Food"), a global company that specializes in the development, marketing and international distribution of kosher foods, today announced its unaudited financial results for the first quarter ended March 31, 2015.

First Quarter Fiscal 2015 Highlights:

- Sales decreased 9.3% from first quarter of 2014 to NIS 86.2 million (US\$ 21.7 million)
- Gross profit decreased 20.3% from first quarter of 2014 to NIS 17.1 million (US\$ 4.3 million), or 19.8% of sales
- Operating income decreased 67.8% from first quarter of 2014 to NIS 2.1 million (US\$ 0.5 million), or 2.4% of sales
 - Net income decreased 63.1% from first quarter of 2014 to NIS 2.6 million (US\$ 0.7 million), or 3.0% of sales
 - Earning per share of NIS 0.2 (US\$ 0.05)
- Cash and securities balance (net of short-term bank debt) of NIS 216.0 million (US\$ 54.3 million) as of March 31, 2015

Willi-Food's operating divisions include Willi-Food, a distributor of a broad variety of kosher foods, and its wholly-owned Gold Frost, a designer, developer and distributor of branded and innovative kosher dairy food products.

First Quarter Fiscal 2015 Summary

Sales for the first quarter of 2015 decreased by 9.3% to NIS 86.2 million (US\$ 21.7 million) from NIS 95.0 million (US\$ 23.9 million) recorded in the first quarter of 2014. Sales decreased in the first quarter of 2015 primarily due to overall market decline in food product consumption by the Israeli consumer.

Gross profit for the first quarter of 2015 decreased by 20.3% to NIS 17.1 million (US\$ 4.3 million) compared to NIS 21.4 million (US\$ 5.4 million) recorded in the first quarter of 2014. First quarter gross margin was 19.8% compared to gross margin of 22.5% for the same period in 2014. The decrease in gross margin in the first quarter of 2015 was primarily due to reductions in the prices of certain of our products as a result of continued expectations from our customers for us to reduce prices and to certain expense shifting from selling expenses to gross margin, as a result of government regulations that became effective in January 2015. The decrease in gross margin was also less significantly caused by the strengthening of the U.S. dollar versus the NIS.

Willi-Food's operating income for the first quarter of 2015 decreased by 67.8% to NIS 2.1 million (US\$ 0.5 million) compared to NIS 6.4 million (US\$ 1.6 million) recorded in the first quarter of 2014. Selling expenses increased by 2.9% from the comparable quarter of 2014, primarily due to an increase in promotional expenses that included a one-time NIS 1.6 million (US\$ 0.4 million) expense related to a nationwide media campaign launched in the first quarter of 2015 which was aimed at broadening awareness of Willi-Food brand and products. Selling expenses as a percentage of sales increased in the first quarter of 2015 to 12.0% compared to 10.6% in the first quarter of 2014. General and administrative expenses decreased by 7.4% from the first quarter of 2014.

Willi-Food's income before taxes for the first quarter of 2015 decreased by 60.8% to NIS 3.8 million (US\$ 1.0 million) compared to NIS 9.8 million (US\$ 2.5 million) recorded in the first quarter of 2014.

Willi-Food's net income in the first quarter of 2015 decreased by 63.1% to NIS 2.9 million (US\$ 0.7 million), or NIS 0.20 (US\$ 0.05) per share, from NIS 7.1 million (US\$ 1.8 million), or NIS 0.55 (US\$ 0.16) per share, recorded in the first quarter of 2014.

Willi-Food ended the first quarter of 2015 with NIS 216.0 million (US\$ 54.3 million) in cash and securities net from short-term debt. Willi-Food's shareholders' equity at the end of March 2015 was NIS 392.5 million (US\$ 98.6 million).

Business Outlook

Mr. Zwi Williger, Chairman of Willi-Food, commented, "First quarter sales and profit margins were negatively affected by continued pressure from our customers to reduce prices and continued decline of food consumption by the Israeli consumer. Although these trends did not reduce the number of consumer visits to stores that stock our products, they did sharply decrease the consumer's consumption basket. In light of our expectation that these trends will continue, we face increased uncertainty in the local economy, and a principal challenge will be in managing our expenses in order to offer our products at the lower prices our customers expect. Such expense management will be needed in order to maintain our customer base both in the retail and wholesale markets during these difficult times for the food industry".

NOTE A: Convenience Translation to Dollars

The convenience translation of New Israeli Shekels (NIS) into U.S. dollars was made at the rate of exchange prevailing on March 31, 2015, U.S. \$1.00 equals NIS 3.98. The translation was made solely for the convenience of the reader.

NOTE B: IFRS

The Company's consolidated financial results for the three-month ended March 31, 2015 are presented in accordance with International Financial Reporting Standards ("IFRS").

ABOUT G. WILLI-FOOD INTERNATIONAL LTD.:

G. Willi-Food International Ltd. (<http://www.willi-food.com>) is an Israeli-based company specializing in high-quality, great-tasting kosher food products. Willi-Food is engaged directly and through its subsidiaries in the design, import, marketing and distribution of over 600 food products worldwide. As one of Israel's leading food importers, Willi-Food markets and sells its food products to over 1,500 customers in Israel and around the world including large retail and private supermarket chains, wholesalers and institutional consumers. The company's operating divisions include Willi-Food in Israel and Gold Frost, a wholly owned subsidiary who designs, develops and distributes branded kosher, dairy-food products.

FORWARD LOOKING STATEMENT

This press release contains forward-looking statements within the meaning of safe harbor provisions of the Private Securities Litigation Reform Act of 1995 relating to future events or our future performance, such as statements regarding trends, demand for our products and expected sales, operating results, and earnings. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied in those forward-looking statements. These risks and other factors include but are not limited to: monetary risks including changes in marketable securities or changes in currency exchange rates- especially the NIS/U.S. Dollar exchange rate, payment default by any of our major clients, the loss of one of more of our key personnel, changes in laws and regulations, including those relating to the food distribution industry, and inability to meet and maintain regulatory qualifications and approvals for our products, termination of

arrangements with our suppliers, in particular Arla Foods, loss of one or more of our principal clients, increase or decrease in global purchase prices of food products, increasing levels of competition in Israel and other markets in which we do business, changes in economic conditions in Israel, including in particular economic conditions in the Company's core markets, our inability to accurately predict consumption of our products and changes in consumer preferences, our inability to protect our intellectual property rights, our inability to successfully integrate our recent acquisitions, insurance coverage not sufficient enough to cover losses of product liability claims and risks associated with product liability claims. We cannot guarantee future results, levels of activity, performance or achievements. The matters discussed in this press release also involve risks and uncertainties summarized under the heading "Risk Factors" in the Company's Annual Report on Form 20-F for the year ended December 31, 2013, filed with the Securities and Exchange Commission on April 30, 2015. These factors are updated from time to time through the filing of reports and registration statements with the Securities and Exchange Commission. We do not assume any obligation to update the forward-looking information contained in this press release.
