On October 6, 2008, Jones Soda Co. (the "Company") implemented a reduction in workforce and as a result the Company's staff was reduced by approximately 38%. After this reduction, the Company's total headcount was 68. Severance and termination benefits to the affected employees are not expected to be material to the Company's financial results for the fourth quarter of 2008. The Company projects that the reduction in workforce will save an estimated \$2.6 million in expenses on an annualized basis.

The workforce reduction was implemented in an effort to reduce ongoing operating expenses and improve the Company's overall efficiency and is consistent with other Jones Soda Co. initiatives to focus on strengthening the core elements of the business.
