EXHIBIT INDEX

Exhibit No. 1 Director Shareholding dated 23 September 2003
Exhibit No. 2 Directorate Change dated 26 September 2003

Exhibit No. 1

September 23, 2003

Dear Sirs

**HANSON PLC
DIRECTORS' SHARE INTERESTS - SECTION 329 COMPANIES ACT 1985**

The three year performance period for the conditional awards of shares made on September 22, 2000 under the Hanson Long Term Incentive Plan (the "LTIP"), ended on September 21, 2003.

The conditional awards of shares made on September 22, 2000 vested on a sliding scale depending on Hanson's total shareholder return ("TSR") over a three year performance period, compared to the members of a comparator group of international building materials companies. Hanson's TSR for this performance period ranked below 50% of the members of the comparator group and, therefore, in accordance with the performance criteria none of the shares subject to the awards vested on September 22, 2003.

As a result the interests in conditional awards of 79,821, 57,890 and 59,712 Hanson ordinary shares held respectively by A J Murray, J C Nicholls and G Dransfield, directors of the Company, under this award lapsed on September 22, 2003, not having vested.

Yours faithfully

Paul Tunnacliffe
Company Secretary
