ABSA GROUP TRADING STATEMENT IN RESPECT OF THE YEAR ENDED 31 DECEMBER 2006

In terms of the Listing Requirements of the JSE Limited (the JSE Listing Requirements), a listed company is required to publish a trading statement as soon as it becomes apparent that headline earnings per share and/or earnings per share for the next period to be reported on are expected, with a reasonable degree of certainty, to differ by at least twenty per cent (20%) from those of the previous corresponding period.

Shareholders are advised that the Group's headline earnings per share for the twelve months ended 31 December 2006 are expected to increase by between twenty per cent (20%) and twenty-four per cent (24%) compared with the pro forma

Edgar Filing: BARCLAYS BANK PLC /ENG/ - Form 6-K

headline earnings per share of 954,8 cents per share for the same period in 2005.

The Group's earnings per share for the twelve months ended 31 December 2006 are expected to increase by between twenty-five per cent (25%) and twenty-nine per cent (29%) compared with the pro forma earnings per share of 950,3 cents per share for the same period in 2005.

The operating environment remained favourable throughout the year. Signs of a slowdown in advances growth only appeared towards the end of the year, and impairments increased moderately. Earnings were also positively impacted by the realisation of synergies from leveraging Barclays expertise, by the sale of non-core operations and by the strong investment markets.

The financial results on which this trading statement is based have not been reviewed or reported on by Absa's auditors.

The Group's results for the twelve months ended 31 December 2006 will be released on Sens on 20 February 2007.
