EXPLANATORY NOTE

Upon its effectiveness, the Registrant's Registration Statement on Form S-8 (File No. 333-63282), originally filed with the Securities and Exchange Commission (the Commission) on June 19, 2001, as amended by Post-Effective Amendment No. 1 filed with the Commission on October 8, 2002 (as so amended, the June Registration Statement), covered certain shares of Common Stock and Class B Common Stock of the Registrant related to the Registrant's 1996 Stock Option and Incentive Plan, as Amended and Restated, and stock option agreements with the optionees named in notes (7) and (9) to the Calculation of Registration Fee table set forth on the cover page thereof (the Stock Option Agreements).

On April 25, 2003, all then outstanding stock options exercisable for shares of Common Stock of the Registrant were amended to entitle the holders thereof to acquire shares of Class B Common Stock of the Registrant instead of Common Stock. As a result, a total of 261,000 shares of Common Stock covered by the June Registration Statement are no longer issuable pursuant to the Stock Option Agreements.

Accordingly, by this Post-Effective Amendment No. 2, the Registrant hereby deregisters 261,000 shares of Common Stock covered by the June Registration Statement. These deregistered shares have been registered by the Registrant on a Registration Statement on Form S-8 as shares of Class B Common Stock.

SIGNATURES
