CERTAIN RIGHTS RELATING TO OUR SHARES OF COMMON STOCK

Each outstanding share of our common stock has associated with it one-quarter of a preferred stock purchase right (a Right). The terms and conditions governing Rights are set forth in a Rights Agreement dated as of October 26, 1994. Rights become distributable apart from the shares of our common stock on the date they first become exercisable (the Distribution Date).

Edgar Filing: ANHEUSER BUSCH COMPANIES INC - Form S-3

After the Rights become exercisable and until such time as the Rights expire or are redeemed, they will initially entitle the holder to purchase one one-hundredth of a share of Series B Junior Participating Preferred Stock, par value \$1.00 per share, at a purchase price of \$195 per one one-hundredth of a share, subject to adjustment. The Rights will become exercisable on the earlier to occur of (i) the close of business on the tenth business day following a public announcement that a person or group (an Acquiring Person) has acquired 20% or more of our then outstanding common stock or (ii) the close of business on the tenth business day following the commencement of a tender offer or exchange offer by a third party which, upon consummation, would result in such party's control of 30% or more of our then outstanding common stock.

If, at any time after the Rights have become non-redeemable, Anheuser-Busch is the surviving corporation in a merger with an Acquiring Person and its common stock is not changed or exchanged, or any person or group becomes the beneficial owner of more than 30% of our then outstanding shares of common stock, or there is a reclassification or recapitalization or similar event (except as described in the next paragraph) which has the effect of increasing by more than 1% any Acquiring Person's proportionate

Table of Contents

share of the outstanding shares of any class of our stock, each Right will entitle the holder, other than the Acquiring Person, to purchase that number of shares of our common stock which has a market value of twice the exercise price of the Right.

If, at any time after public announcement that an Acquiring Person exists (subject to certain exceptions), we are acquired in a merger or other business combination transaction or more than 50% of its assets or earning power is sold, each Right will entitle the holder, other than the Acquiring Person, to purchase that number of shares of common stock of the acquiring company which has a market value of twice the exercise price of the Right.

The Rights, which do not have voting rights, expire on October 31, 2004, and may be redeemed by Anheuser-Busch at a price of 1 cent per Right at any time prior to expiration or the tenth business day following the notice of the existence of an Acquiring Person.

The foregoing description is a brief summary of the Rights, the Rights Agreement governing them, and the Series B Junior Participating Stock, and is qualified in its entirety by reference to the Rights Agreement and (with respect to such Preferred Stock) a designation of rights and preferences.

PLAN OF DISTRIBUTION

The shares of common stock covered by this Prospectus may be offered and sold from time to time by the selling stockholders. The term "selling stockholders" includes donees, pledgees, transferees or other successors-in-interest selling shares received after the date of this Prospectus from a selling stockholder as a gift, pledge or other non-sale related transfer. We will not receive any proceeds from this offering. The selling stockholders will act independently of us in making decisions with respect to the timing, manner and size of each sale. The selling stockholders may sell shares by one or more of, or a combination of, the following methods:

directly by the selling stockholders to one or more purchasers;

through broker-dealers;

in one or more transactions at fixed prices (which may be changed), at prevailing market prices at the time of sale, at varying prices determined at the time of sale, or at negotiated prices; or

in transactions on The New York Stock Exchange or in the over-the-counter market (which may involve crosses or block transactions).

In addition, any shares offered hereby that qualify for sale pursuant to Rule 144 may, at the option of the holder thereof, be sold under Rule 144 rather than pursuant to this Prospectus.

The selling stockholders may also pledge or grant a security interest in shares, and, upon a default in the performance of the secured obligation, such pledgee or secured party may effect sales of the pledged shares pursuant to this Prospectus.

To comply with the securities laws of certain states, if applicable, the shares must be sold in such jurisdictions only through registered or licensed brokers or dealers.

We will make copies of this Prospectus available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act of 1933, which may include delivery through the facilities of the New York Stock Exchange pursuant to Rule 153 under the Securities Act of 1933.

LEGAL OPINION

The validity of the common stock offered by this Prospectus will be passed upon for us by Thomas Larson, Associate General Counsel.

Table of Contents**CERTAIN FINANCIAL INFORMATION**

The information below is provided to comply with certain requirements of the SEC applicable to this Prospectus. This information supplements and should be read in connection with the Management's Discussion and Analysis of Operations and Financial Condition (MD&A) included in our Form 10-K for the fiscal year ended December 31, 2002.

Effects of Cessation of Goodwill Amortization

As described in MD&A, we ceased amortizing goodwill in the first quarter 2002, in accordance with FAS No. 142 Goodwill and Other Intangible Assets. Accordingly, our operating results for 2002 do not reflect goodwill amortization, but the operating results for 2001 and 2000 do reflect goodwill amortization. In order to provide the clearest understanding of our operations, discussions of operating results for 2002 vs. 2001 in MD&A were based on 2001 results reported on a comparable basis, excluding the impact of goodwill amortization. The table below summarizes 2001 operating results on both a reported basis (including goodwill amortization) and a comparable basis (excluding goodwill amortization) and compares results for 2002 and 2001 on both a reported basis and a comparable basis. Income before income taxes of the entertainment segment also excludes a \$17.8 million gain resulting from the sale of the SeaWorld theme park in Cleveland, Ohio.

Item 15. Indemnification of Directors and Officers.

The Delaware General Corporation Law permits the indemnification by a Delaware corporation of its directors, officers, employees and other agents against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than derivative actions which are by or in the right of the corporation) if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard of care is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with defense or settlement of such an action and requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation.

The Registrant's Restated Certificate of Incorporation provides that each person who was or is made a party to, or is involved in, any action, suit or proceeding by reason of the fact that he or she is or was a director or officer of the Registrant (or was serving at the request of the Registrant as a director, officer, employee or agent for another entity) while serving in such capacity will be indemnified and held harmless by the Registrant to the full extent authorized or permitted by Delaware law. The Restated Certificate also provides that the Registrant may purchase and maintain insurance and may also create a trust fund, grant a security interest and/or use other means (including establishing letters of credit, surety bonds and other similar arrangements) and may enter into contracts providing for indemnification, to ensure full payment of indemnifiable amounts.

The Registrant has entered into indemnification agreements with its directors and executive officers.

Item 17. Undertakings.

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this registration statement (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that the undertakings set forth in subparagraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the Registrant pursuant to the provisions described under Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
