Item 4. Description of Securities.

The securities offered hereby are Deferred Compensation Obligations (as defined below) of the Registrant which are being offered to eligible employees of the Registrant and its participating affiliates under the Church & Dwight Co., Inc. Executive Deferred Compensation Plan (the Plan). The Plan permits participants to defer base salary and/or bonus compensation in accordance with the terms of the Plan. The amount of compensation to be deferred by each participant (Participant Deferrals) will be based on elections by each participant under the

terms of the Plan. The Registrant will also credit to participants' deferral accounts certain amounts specified in the Plan related to matching and profit sharing contributions under the Registrant's Profit Sharing Plan ("Company Deferrals"). For purposes of this description, Participant Deferrals and Company Deferrals, together with earnings thereon, are referred to collectively as "Deferred Compensation Obligations."

The Deferred Compensation Obligations are denominated and paid in U.S. dollars and will be payable on the date or dates selected by each participant in accordance with the terms of the Plan or on such other date or dates as specified in the Plan. The Deferred Compensation Obligations are not convertible into another security of the Registrant. Participant Deferrals (and earnings thereon) are always 100% vested, while Company Deferrals (and earnings thereon) vest in accordance with the applicable vesting schedule of the Registrant's Profit Sharing Plan.

Deferred Compensation Obligations will be credited with earnings and investment gains and losses by assuming that they are invested in one or more investment options selected by the participant in accordance with the terms of the Plan. The investment options include various investment funds with different degrees of risk, one of which may be a fund whose return reflects the return on the Registrant's Common Stock. Alternatively, a participant may elect to have earnings credited at a fixed interest rate based on the rate of return on 10-year U.S. Treasury notes. Participants may reallocate amounts among the various investment options on a quarterly basis.

The Registrant reserves the right to amend the Plan prospectively at any time, including the right to completely terminate the Plan. No amendment may reduce a participant's account balance as of the date of such amendment.

A participant's rights or the rights of any other person to receive payment of Deferred Compensation Obligations may not be sold, assigned, transferred, pledged, garnished or encumbered, except by a written designation of a beneficiary under the Plan.

Item 5. Interests of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant is organized under the laws of the State of Delaware. The General Corporation Law of the State of Delaware, as amended (the "GCL"), provides that a Delaware corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation in such capacity in another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the

best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. In the case of an action or suit brought by or in the right of the corporation, indemnification of any director, officer, employee and other agent against expenses actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit is permitted if such person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation; however, no indemnification is permitted in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the Delaware Court of Chancery, or the court in which such action or suit was brought, shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper. Article Seventh of the Registrant's Restated Certificate of Incorporation provides for the indemnification of directors, officers, employees and agents of the Registrant to the maximum extent permitted by the Delaware General Corporation Law.

Under the GCL, a Delaware corporation has the power to purchase and maintain insurance on behalf of any director, officer, employee or other agent of the Registrant or, if serving in such capacity at the request of the Registrant, of another enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation has the power to indemnify such person against such liability under the GCL. The Registrant's Restated Certificate of Incorporation permits it to purchase insurance on behalf of such person against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Registrant would have the power to indemnify him against such liability under the GCL. Article Seventh of the Registrant's Restated Certificate of Incorporation authorizes the purchase of such insurance, and the Registrant has purchased directors and officers liability insurance. A Delaware corporation also may, with certain limitations, set forth in its certificate of incorporation a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of a fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (1) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law (3) under Section 174 of the GCL, or (4) for any transaction from which the director derived an improper personal benefit. Article Seventh of the Registrant's Restated Certificate of Incorporation includes such a provision.

Item 7. Exemption From Registration Claimed.

Not Applicable.

Item 8. Exhibits.

4.1 Registrant's Restated Certificate of Incorporation, as amended, is incorporated by reference to Exhibit 3.5 to the Registrant's Quarterly Report on Form 10-Q for the quarter ended June 27, 2003.

4.2 Registrant's By-laws are incorporated by reference to Exhibit 3.1 to the Registrant's Current Report on Form 8-K dated September 19, 2003.

5.1 Opinion of Lowenstein Sandler PC with respect to the legality of the Deferred Compensation Obligations.

23.1 Consent of Deloitte & Touche LLP.

23.2 Consent of Lowenstein Sandler PC (included in Exhibit 5.1).

24.1 Power of Attorney (included on signature page).

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that Paragraphs 1(i) and 1(ii) do not apply if the registration statement is on Form S-3 or Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement

relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
