PROXY STATEMENT

PARTNERRE LTD.

Annual General Meeting of Shareholders

May 13, 2004

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the **Board**) of PartnerRe Ltd. (the **Company**) of proxies from holders of the Company's common shares, par value \$1.00 per share (the **Common Shares**). The proxies will be voted at the Annual General Meeting of Shareholders to be held on May 13, 2004 at 2:30 p.m. local time, at 5th Floor, Wellesley House South, 90 Pitts Bay Road, Pembroke, Bermuda, and at any adjournment or adjournments thereof (the **Annual Meeting**).

The mailing address of the Company is Chesney House, 96 Pitts Bay Road, Pembroke HM 08, Bermuda, (telephone 1-441-292-0888). The Notice of Annual General Meeting of Shareholders, the Proxy Statement and the accompanying Proxy were first transmitted to shareholders of the Company on or about March 31, 2004.

The Board has fixed the close of business on March 19, 2004 as the record date (the **Record Date**) for determining the shareholders of the Company entitled to receive notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, an aggregate of 53,781,198 Common Shares were issued and outstanding, each share entitling the holder thereof to one vote on each matter to be voted upon at the Annual Meeting, except that if a person (other than Swiss Reinsurance Company and its affiliates) constructively or beneficially, directly or indirectly, owns more than 9.9% of the voting power of the outstanding Common Shares, the voting rights with respect to such shares will be limited, in the aggregate, to voting power of 9.9%, pursuant to a formula specified in the Company's By-laws. A current proposal (Item 3 on the Proxy Card), if approved, will remove the exemption allowing Swiss Reinsurance Company and its affiliates to exercise more than 9.9% of the voting power of the outstanding Common Shares. The presence, in person or by proxy, of the holders of a majority of the outstanding Common Shares (without regard to the limitation on voting referred to above) is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Proxies will be solicited initially by mail. Further solicitation may be made by directors, officers and employees of the Company personally, by telephone or otherwise, but such persons will not be specifically compensated for such services. Banks, brokers, nominees and other custodians and fiduciaries will be reimbursed for their reasonable out-of-pocket expenses in forwarding soliciting material to their principals, the beneficial owners of Common Shares.

At the Annual Meeting, shareholders of the Company will be asked to (i) elect four directors to serve on the Board until the annual general meeting of shareholders in the year 2007; (ii) approve an increase in the maximum number of directors from ten to eleven, with the minimum number of directors set at three, and for the Board to be authorized to fill any vacancies as and when they deem expedient; (iii) amend the By-laws of the Company to remove the exemption which excludes Swiss Reinsurance Company and its affiliates from the prohibition on obtaining or exercising more than 9.9% of the voting rights attached to the Company's issued and outstanding shares; (iv) increase the number of Common Shares reserved for issuance under the PartnerRe Ltd. Employee Incentive Plan from 3,500,000 Common Shares to 5,000,000

Common Shares; and (v) re-appoint Deloitte & Touche, independent auditors, as the Company's auditors for the ensuing period ending with the 2005 annual general meeting and to refer the determination of the auditors' remuneration to the Board of Directors.

Shareholders may also be asked to consider and take action with respect to such other matters as may properly come before the Annual Meeting.

All matters referenced in this proxy statement upon which shareholders are called to vote will be decided by a simple majority of votes cast. A hand vote will be taken unless a poll is requested pursuant to the Company's Bye-laws.

Table of Contents

If your shares are held by a broker who does not indicate how to vote on a particular matter that comes up for a vote at the meeting or if you abstain from voting on a particular matter that comes up for a vote at the meeting, your shares will be treated as not entitled to vote on that matter for purposes of determining whether the matter has received the required level of shareholder approval.

A copy of the Company's Annual Report for the year ended December 31, 2003 is being mailed to shareholders together with this Proxy Statement. These documents may also be viewed on the Company's website at www.partnerre.com. The consolidated financial statements of the Company for the year ended December 31, 2003 contained in the Annual Report and the Management's Discussion and Analysis of Financial Condition and Results of Operations for the year ended December 31, 2003 are specifically incorporated herein by reference and made a part hereof.

SOLICITATION AND REVOCATION OF PROXIES

PROXIES IN THE FORM ENCLOSED ARE SOLICITED BY, OR ON BEHALF OF, THE BOARD OF DIRECTORS OF THE COMPANY. THE PERSONS NAMED IN THE FORM OF PROXY HAVE BEEN DESIGNATED AS PROXIES BY THE BOARD OF DIRECTORS. Such persons designated as proxies are the Chairman of the Board of Directors and the President and Chief Executive Officer of the Company. A shareholder desiring to appoint some other person to represent him at the Annual Meeting may do so either by inserting such person's name in the blank space provided in the enclosed Form of Proxy, or by completing another form of proxy and, in either case, delivering the completed Proxy to the Assistant Secretary of the Company at the address indicated above, before the time of the Annual Meeting. It is the responsibility of the shareholder appointing some other person to represent him to inform such person of this appointment.

Common Shares (shares) represented at the Annual Meeting by a properly executed and returned Proxy will be voted at the Annual Meeting in accordance with instructions noted thereon, or if no instructions are noted, the Proxy will be voted in favor of the proposals set forth in the Notice of Annual Meeting. If a shareholder appoints a person other than the persons named in the Form of Proxy to represent him, such person will vote the shares in respect of which he is appointed proxy holder in accordance with the directions of the shareholder appointing him. A submitted Proxy is revocable by a shareholder at any time prior to its being voted provided that such shareholder gives oral or written notice to the Assistant Secretary of the Company at or prior to the Annual Meeting that such shareholder intends to vote in person or by submitting a subsequently dated Proxy. Attendance at the Annual Meeting by a shareholder who has given a Proxy shall not in and of itself constitute a revocation of such Proxy.

Proxies will be solicited initially by mail. Further solicitation may be made by directors, officers and employees of the Company personally, by telephone or otherwise, but such persons will not be specifically compensated for such services. Banks, brokers, nominees and other custodians and fiduciaries will be reimbursed for their reasonable out-of-pocket expenses in forwarding soliciting material to their principals, the beneficial owners of shares. The costs of soliciting proxies will be borne by the Company. It is estimated that these costs will be nominal.

DIRECTOR COMPENSATION

Directors' compensation guidelines were reviewed and amended effective May 22, 2003 as approved by the Governance & Nominating Committee of the Board. The Governance & Nominating Committee's objective was to further align interests of Directors and Shareholders by incenting ownership in the form of stock options and restricted stock units while maintaining competitive compensation levels.

Table of Contents

Directors' compensation under the former guidelines was comprised of an annual stock option grant of 8,000 options and director service fees of \$40,000, which could be paid in cash or Common Shares, at the director's election. All equity compensation under the former guidelines was paid out of the 1993 Non-Employee Director's Stock Plan. Directors' compensation under the current guidelines offers a competitive mix of cash and equity compensation for each director and for the chairman. The total compensation package for director service consists of three components:

Cash compensation

Stock Options

Restricted Share Units (RSUs)

Component	Director Annual Amount	Board Chairman
		Annual Amount
Cash	\$ 50,000	\$ 155,000
Options	4,500	5,000
Restricted Share Units (RSU)	\$ 80,000	\$ 90,000
Dividend Equivalents in RSU	Per actual dividend rate declared by the Board	Per actual dividend rate declared by the Board

Equity Components

The stock option awards are immediately vested options to purchase Common Shares of PartnerRe Ltd. which are granted each year on the date of the annual general meeting.

The RSUs are immediately vested and awarded on a quarterly basis. Each RSU award has a delivery date restriction of five years from the date of grant. The delivery date restriction applies regardless of termination of directorship except in the case of death, in which case the shares are immediately deliverable to the named beneficiary or estate. Directors may elect to extend the delivery date restriction to 10 years or 15 years from the date of grant. Dividend equivalents on cumulative RSU awards are paid out quarterly in the form of additional RSU awards under the same conditions.

All equity awards for the members of the Board are made from the 2003 Non-Employee Director's Plan, as approved by Shareholders at the May 2003 annual general meeting. A total of 1,000,000 Common Shares may be issued under the 2003 Director's Plan.

The 2003 Non-Employee Director's Plan may be amended or terminated by the Company at any time, in whole or in part. However, any amendment for which shareholder approval is required by law will not be effective until such approval has been obtained. Unless terminated earlier, the Director's Plan expires on 22 May 2013, the tenth anniversary of its adoption by the Board, and no further Director's Shares or Options may be granted there under after such date.

Elective Equity Incentive

In order to further align director and shareholder interests, the guidelines allow directors to elect each year to defer 50% or 100% of their cash compensation to be paid out in equity. Increased share ownership is further incented by a match of 25% on the value of deferred cash compensation. This value is paid out in RSU awards which are granted under the same terms and conditions as the other RSU grants.

Compensation for the Chairman of the Board

As with each director, John A. Rollwagen's compensation for January 1, 2003 to May 21, 2003 was in accordance with the previous directors compensation guidelines and his compensation from May 22, 2003 to December 31, 2003 was in accordance with the current directors compensation guidelines as described above. For services as Chairman of the Board in 2003, Mr. Rollwagen received a cash payment of \$150,149 and equity awards comprised of 5,000 options and 1,283 RSU's.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company is party to agreements with Swiss Reinsurance Company (SwissRe) (a company which was a former shareholder and in which a former board member has a management role), and Atis Real Cogetom (a company in which a board member serves as a non-executive director in an affiliate company). SwissRe and Atis Real Cogetom receive fees from the Company pursuant to certain agreements with the Company, as described below.

Agreements with SwissRe

The Company utilized, in the conduct of its business, certain underwriting services and licensed technology provided by SwissRe, pursuant to a service agreement (the Agreement). The Agreement was terminated with effect from February 28, 2003, but the Company continued to have access to certain computer technology through to the end of 2003. Fees incurred pursuant to the Agreement include fixed fees for access to technology and database resources. Fees incurred for year ended December 31, 2003 were \$0.2 million.

In connection with the acquisition of PartnerRe SA, SwissRe entered into a Standstill Agreement with the Company dated July 10, 1997, pursuant to which SwissRe's ownership and voting rights in the Company were limited to 30% of the voting power of the voting stock and voting stock equivalents of the Company. In connection with the acquisition of PartnerRe SA the Company granted SwissRe registration rights for that portion of the Common Shares of the Company issued to SwissRe in connection with the acquisition of PartnerRe SA that was not previously subject to registration rights. Since that time SwissRe has sold its entire shareholding in the Company. The Board has recommended a Proposal to the shareholders (Item 3 on the Proxy Card) to remove the exemption which exempts SwissRe from the prohibition in the Bye-laws on obtaining or exercising more than 9.9% of the voting rights attached to the issued and outstanding shares.

In the normal course of its underwriting activities, the Company and certain subsidiaries entered into reinsurance contracts (assumed and ceded) with SwissRe and certain SwissRe subsidiaries during 2003. Included in the Company's 2003 Consolidated Statement of Operations were net premiums written of \$4.0 million, net loss recoveries, including life policy benefits of \$1.4 million and net acquisition costs of \$0.7 million. At December 31, 2003 there were reinsurance balances receivable and recoverable aggregating \$17.8 million, unpaid losses and loss expenses, including life policy benefits, of \$3.8 million assumed unearned premiums of \$2.0 million and net assumed funds held under reinsurance treaties of \$1.1 million.

Utilities and Rent

The Company leases office space in Paris from Atis Real Cogetom. Pursuant to the lease agreement, rent expensed for the year ended December 31, 2003, aggregated \$5.5 million. Dr. Zech is a non-executive director of ATIS-REAL SA, an affiliate of Atis Real Cogetom.

In addition, the Company engages in finance and banking transactions with various banks including Credit Suisse, of which Mr. Kielholz is Chairman, and Barclays Bank plc of which Dr. Zech is a director. All such transactions are on an arm's length basis.

Edgar Filing: PARTNERRE LTD - Form DEF 14A

The Company believes that the terms of such transactions were no less favorable to the Company than could have been obtained from third parties that were not affiliated with the Company.

EXECUTIVE COMPENSATION

Compensation Committee Report On Executive Compensation

The Compensation Committee determines the salaries and other compensation for the Chief Executive Officer (CEO) and the other members of the Executive Committee (EC). The Compensation Committee consists entirely of independent directors who are not officers or employees of the Company. The current members of the Compensation Committee are Lucio Stanca, Jean-Paul Montupet, Remy Sautter, Kevin M. Twomey and Vito H. Baumgartner.

Table of Contents

The compensation of the CEO and members of the EC is reviewed and approved by the Compensation Committee on an annual basis. The compensation package is comprised of three components: Base Salary, Annual Incentive and Annual Equity Awards.

Base Salary

The Base Salary of each individual executive is reviewed in terms of experience, qualifications, performance and reference to base salary levels of similar positions within a peer group which is reviewed and approved annually by the Compensation Committee.

Annual Incentive

The Annual Incentive is a variable component of compensation structured in accordance with the company's Annual Incentive Guidelines. Target annual incentives are set for each executive in line with competitive practice. Targets are expressed as a percentage of base salary. Target performance results in a target annual incentive payout. Annual Incentive payouts range from 0% to 200% of target payouts. Performance measures are comprised primarily of company financial measures of profitability and growth. Non-financial organizational objectives may be assigned by the Compensation Committee. Each performance measure is appropriately weighted on an individual basis for each executive. The target Annual Incentive for the CEO is 125% of Base Salary and the target annual incentives for the EC members range from 80% to 100% of Base Salary.

Performance measures are reviewed and approved annually by the Compensation Committee prior to the performance year. Each performance measure has a target performance level which correlates to 100% payout on the target Annual Incentive. A performance scale is built around the target level corresponding to Annual Incentive payouts on a range of 0% to 200% of target. Performance measures for the CEO and EC have included financial measures on the Company's Return on Equity (ROE) results and growth in premiums written as well as non-financial measures focusing on the organizational objectives of the performance year.

Annual Equity Award

The Annual Equity Award is a grant of stock options which vest ratably over a 3-year period. The grant price is equal to the fair market value of the shares on the date of grant. The amount of stock options awarded is based upon a Compensation Committee-approved methodology which determines options pools based upon a performance scale of Company ROE results and defined as a percentage of dilution of Common Shares Outstanding.

Other Compensation

The Compensation Committee annually reviews all elements of compensation and benefits for the CEO and EC members including compensation and benefits which are legally and contractually mandated as well as participation in benefit plans generally available to all employees. The Human Resources Committee continues to be responsible for the overall establishment of the human resources philosophy, policy and administration of compensation programs for the Company.

As part of the Company's long-term incentive compensation for executives and employees, the Company maintains the PartnerRe Ltd. Employee Incentive Plan (the "Employee Incentive Plan"). The purpose of the Employee Incentive Plan is to provide a means through which the Company and its subsidiaries may attract and retain key employees upon whom the responsibilities of the successful management of the Company rest, and whose present and potential contributions to the Company are of importance. The Employee Incentive Plan provides a mechanism through which the employees can acquire and maintain stock ownership, thereby strengthening their commitment to the Company and promoting a commonality of interest between the shareholders and key employees.

Edgar Filing: PARTNERRE LTD - Form DEF 14A

The Employee Incentive Plan does not expire until February 1, 2006 and as of December 31, 2003 there are 1,102,339 shares available for future issuance. The Board has therefore recommended that the Shareholders approve a Proposal (Item 4 on the Proxy Card) to approve an increase in the number of common shares reserved for issuance under the Employee Incentive Plan from 3,500,000 Common Shares to 5,000,000 Common Shares.

PROPOSAL TO APPROVE AN INCREASE IN THE MAXIMUM NUMBER OF DIRECTORS

(Item 2 on Proxy Card)

The Board has determined that it is in the best interests of the Company and its shareholders to increase the maximum number of directors from ten to eleven.

BACKGROUND AND REASONS FOR THE INCREASE IN THE MAXIMUM NUMBER OF DIRECTORS

In 2001 the shareholders of the Company voted to establish the maximum number of directors at ten from eight and since that time both positions have been filled. The Board believes that to remain flexible regarding the Board membership should it see fit to add additional skills or to provide enhancement to its effectiveness, it would like the ability to add an additional Board member in due course.

The Board thus recommends that the maximum number of board members be increased from ten to eleven with the minimum number of Board members set at three, with one casual vacancy existing until the Board decides it needs an additional member. The Bye-Laws of the Company allow the Board to fill such vacancies in due course. Should the Board fill such vacancy before the 2005 annual general meeting the newly appointed director will stand for re-election at the 2005 annual general meeting.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE INCREASE IN THE MAXIMUM NUMBER OF DIRECTORS TO ELEVEN.

PROPOSAL TO APPROVE AN AMENDMENT TO THE BYE-LAWS OF THE COMPANY

(Item 3 on Proxy Card)

The Board has determined that it is in the best interests of the Company and its shareholders to remove the exemption which exempts our founding institutional investors, Swiss Reinsurance Company and its affiliates (together "SwissRe"), from the prohibition in the Bye-laws on obtaining or exercising more than 9.9% of the voting rights attached to the issued and outstanding shares. This prohibition applies to all other shareholders. If this proposal is approved by the shareholders, we would accordingly delete the following clause from Bye-Law 32:-

PROVIDED HOWEVER, the foregoing limitation shall not apply to Swiss Reinsurance Company of Zurich, Switzerland or to any of its affiliates.

BACKGROUND AND REASONS FOR THE AMENDMENT TO THE BYE-LAW

The Bye-laws currently restrict all holders of issued and outstanding shares, other than SwissRe, from obtaining or exercising more than 9.9% of the voting rights attached to all issued and outstanding shares. The primary purpose for this voting limit is to reduce the likelihood that the Company or any non-U.S. insurance subsidiaries will be deemed to be a controlled foreign corporation within the meaning of the U.S. Internal Revenue Code for U.S. Federal tax purposes.

The Bye-laws currently exempt the founding institutional shareholders, SwissRe, from this limitation. At the time the shareholders adopted the Bye-Laws and consequently the limitation, SwissRe owned substantially more than 9.9% of the issued outstanding shares. In May 2003 SwissRe sold its entire shareholding in the Company which, at that time, comprised of approximately 16% of the Company's Common Shares in issue. Given the reduced equity ownership of SwissRe, the Board believes it is appropriate to amend the Bye-laws at this time to provide for consistent application of the excess shares protections to all of shareholders.

Approval of the Bye-laws Proposal requires the affirmative vote of a majority of the voting rights attached to the Common Shares present, in person or by proxy, at the Annual Meeting. The Board thus recommends that the carve-out in favor of SwissRe be deleted from the Bye-Laws

PROPOSAL TO APPROVE AN INCREASE IN THE NUMBER OF COMMON SHARES RESERVED FOR ISSUANCE UNDER THE EMPLOYEE INCENTIVE PLAN FROM 3,500,000 COMMON SHARES TO 5,000,000 COMMON SHARES

(Item 4 on Proxy Card)

The Board has determined that it is in the best interests of the Company and its shareholders to approve an increase in the number of common shares reserved for issuance under the Employee Incentive Plan from 3,500,000 Common Shares to 5,000,000 Common Shares.

BACKGROUND AND REASONS FOR AN INCREASE

As part of the Company's long-term incentive compensation for executives and employees, the Company maintains the PartnerRe Ltd. Employee Incentive Plan (the "Employee Incentive Plan"), which was formerly known as the Performance Incentive Plan. The purpose of the Employee Incentive Plan is to provide a means through which the Company and its subsidiaries may attract and retain key employees upon whom the responsibilities of the successful management of the Company rest, and whose present and potential contributions to the Company are of importance. The Employee Incentive Plan provides a mechanism through which the employees can acquire and maintain stock ownership, thereby strengthening their commitment to the Company and promoting a commonality of interest between the shareholders and key employees.

The Employee Incentive Plan is administered by the Human Resources Committee. The Human Resources Committee, subject to Board approval, has full discretion to determine the persons eligible to receive awards under the Employee Incentive Plan, to establish the terms and conditions of awards, and to interpret and construe the Employee Incentive Plan. At no time in the history of equity awards to employees or directors has management requested, or has the Board approved, a repricing of options.

As of year-end, there were 1,102,339 shares available for grant from the Employee Incentive Plan. Following the 2004 annual employee grants, there are currently 232,339 shares available for grant. Prior to the expiration of the Employee Incentive Plan in February 2006, up to 1,100,000 shares may be needed from the Employee Incentive Plan for the 2005 annual employee grants and the 2004 and 2005 new hire stock options grants. Therefore, the Board is requesting an increased share authorization for the Employee Incentive Plan of 1,500,000 shares in order to have adequate shares available for grant through the Employee Incentive Plan expiration. Any remaining balance of shares leftover in the Employee Incentive Plan at its expiration in 2006 will be rolled over into a new employee incentive plan, as approved by shareholders.

The Human Resource Committee closely monitors the dilution of the Company's share price due to grants to employees by approving the grant methodology as well as having its consultant, PriceWaterhouseCoopers ("PWC"), perform dilution analysis. The results of this analysis are then compared to the Company's peer group. The peer group is reviewed and approved annually by the Human Resource Committee.

The current methodology for determining stock option pools for employee grants is structured so the size of the pool of options varies based upon the Company's Return on Equity performance results and the pool is defined as a percentage of common shares outstanding (annual run-rate). PWC has provided run-rate analysis for the Human Resource Committee reflecting that the Company's 3-year average annual run-rate of 1.3% is well-below the median of its peer group. In addition, PWC has also provided overhang analysis for the Committee, reflecting a Company overhang of 11.28% which again is well-below the median of the peer group.

New Plan Benefits

The dollar value and number of shares to be received by participants under the Employee Incentive Plan are not determinable at this time, since the individuals eligible to receive awards and the amount of these awards are determined at the discretion of the Human Resources Committee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO INCREASE IN THE NUMBER OF COMMON SHARES RESERVED FOR ISSUANCE UNDER THE EMPLOYEE INCENTIVE PLAN FROM 3,500,000 COMMON SHARES TO 5,000,000 COMMON SHARES
