Item 6. Purposes of the Transaction and Plans or Proposals; Item 8. Interest in Securities of the Subject Company

Items 6 and 8 are hereby amended by adding thereto the following:

The period for calculating the market price of Nuevo common stock in connection with the Offer ended at the close of trading on the New York Stock Exchange on May 12, 2004. For purposes of the Offer, the market price of Nuevo common stock is hereafter fixed at \$34.35 per share, calculated as the average closing sales prices of Nuevo common stock for the ten consecutive trading days ending on the second trading day before the closing date of Nuevo s merger with Plains Exploration & Production Company (Plains).

At the effective time of Nuevo s merger with Plains, Nuevo intends to promptly pay each holder of Options the difference between \$34.35 and the exercise price of the Option for each Option validly tendered and not withdrawn. All remaining Options not tendered into the Offer will be converted into (i) an option to purchase that number of shares of Plains common stock obtained by multiplying the number of shares of Nuevo common stock issuable upon the exercise of the Option by 1.765, (ii) at an exercise price per share equal to the per share exercise price of the Option divided by 1.765, and (iii) otherwise having the same terms and conditions as the Option.

Item 12. Materials to be Filed as Exhibits.

Item 12 is hereby amended by adding thereto the following:
