**Item 8.01. Other Events.**

On December 17, 2004, New Century TRS Holdings, Inc. ( New Century TRS ), a wholly-owned subsidiary of New Century Financial Corporation ( New Century Financial ), and an affiliate of Bear, Stearns & Co. Inc. ( Bear Stearns ) agreed to terminate an existing call option and warrant on New Century Financial common stock.

New Century TRS received a cash payment of approximately \$29.8 million from the affiliate of Bear Stearns as a result of the termination of the call option and warrant.

In connection with the original issuance of its 3.50% Convertible Senior Notes due 2008 (the Notes ), New Century TRS entered into two agreements with an affiliate of Bear Stearns to simultaneously purchase a call option and sell a warrant on its common stock. The purpose of the option and warrant was to reduce the economic dilution of the conversion premium under the Notes. The call option granted to New Century TRS the right to purchase from the affiliate of Bear Stearns, one of the initial purchasers of the Notes, at any time up to approximately 6.034 million shares of New Century TRS common stock at a strike price of \$34.80 per share, subject to certain adjustments. The warrant granted to the affiliate of Bear Stearns the right to purchase from New Century TRS up to approximately 6.034 million shares of New Century TRS common stock for a limited period of time upon maturity of the Notes at a price of \$47.59 per share, subject to certain adjustments. Like the Notes, the call option and warrant became exercisable for shares of New Century Financial common stock, rather than New Century TRS common stock, in connection with the conversion of New Century Financial into a real estate investment trust.
