PART III NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On February 21, 2005, we filed a voluntary petition for reorganization under Chapter 11 of the federal bankruptcy laws in the United States Bankruptcy Court (the Court). In June 2005, we announced a plan to exit 326 stores and three distribution centers (Restructure Plan). In July 2005, the Court approved the sale of leasehold interests and fixed assets for some of the stores, with the remainder being liquidated. A majority of the store sales and closures were completed during the first quarter of fiscal 2006. In addition, we experienced a delay in finalizing our annual financial statements and completing our internal control assessment for fiscal year 2005.

Due to the Chapter 11 filing and the additional and critical demands that the filing has placed on the time and attention of our senior management, as well as the significant time and attention devoted to the Restructure Plan, the delay in completion of the internal control assessment for fiscal year 2005, the delay in completion of our annual financial statements for fiscal year 2005, as well as additional effort involved in the large number of store sales and closures, we have been unable to complete all work necessary to timely file the quarterly report on Form 10-Q without unreasonable effort or expense.

Edgar Filing: WINN DIXIE STORES INC - Form NT 10-Q

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

We anticipate significant changes in the results of operations for the first quarter of fiscal 2006 from the corresponding period of fiscal year 2005. We expect the results to be impacted by the following items:

Lease termination and severance charges related to store, warehouse and manufacturing plant closures.

Reclassification of previous year results of operations to Discontinued Operations for stores closed as part of the Restructure Plan.

Gain/loss on disposition of property and equipment, including pharmacy prescription files.

Reversal of LIFO reserves due to significant inventory liquidations.

Because we have been unable to complete all work necessary with respect to the Form 10-Q, we are not able to reasonably estimate these items at this time.
