**EXPLANATORY NOTE**

In connection with the consummation of its February 11, 2005 merger with Computer Software Innovations, Inc., a South Carolina corporation (CSI - South Carolina), on March 28, 2005 the Company voluntarily filed on Form 8-K substantially all of the information required to be filed on Form 10-SB. Subsequent to filing the Form 8-K, revisions were made in the accounting treatment for certain items of the merger transaction, which resulted in different classifications in the financial statements from the previously filed pro forma financial statements included in Exhibit 99.1 to the Form 8-K. As a result, the Company is filing on this Form 8-K/A information updating the pro forma financial statements in Exhibit 99.1 to correctly reflect the transaction's effect on the Company's historical financial statements.
