(4) The amount to be paid upon exercise of stock acquisition rights

The exercise price of one stock acquisition right (exercise price) shall be the exercise price per share as stipulated below multiplied by 10 (as per 3. (2) above)).

The exercise price shall be the average closing price of common shares on the Tokyo Stock Exchange for the 30 trading days commencing 45 days previous to, and not including, July 18, 2006, which is the day that the Company decided the exercise price (excluding days in which no shares are traded) and rounded upwards to the nearest yen.

However, if this average price is less than the closing price on the date on which the Company decides the exercise price, the closing price of such date, or, if there is no closing price on such date, the closing price of the closest preceding day, shall be used.

In addition, the exercise price of the stock acquisition rights will be adjusted to a reasonable extent if there is a merger, spin-off, exchange of stock, stock transfer, or any other inevitable reasons after the closing of the 43rd Annual General Meeting of Shareholders of the Company.

(5) Exercise period of the stock acquisition rights

From June 21, 2008 to June 20, 2016.

(6) Conditions for exercising the stock acquisition rights

The conditions for exercising the stock acquisition rights shall be stipulated in a contract between ORIX Corporation and the recipients of the stock acquisition rights.

(7) Acquisition of the Stock Acquisition Rights

1. In the event the Company becomes the non-surviving entity of a merger, becomes a divested company through a divestiture, or becomes a wholly-owned subsidiary due to a share-swap or share-transfer, and the stock acquisition rights are not succeeded by the surviving entity, the newly established company, succeeding company or wholly-owning parent company, then the stock acquisition rights may be cancelled at no cost to the Company.

2. If a holder with stock acquisition rights relinquishes a part of or entire stock acquisition rights, then the stock acquisition rights may be cancelled at no cost to the Company.

(8) Condition for transfer of the Stock Acquisition Rights

The transfer of stock acquisition rights is subject to the approval of ORIX's Board of Directors.

(9) Increased capital and capital reserves in case of issuing shares upon exercise of the stock acquisition rights

1. The amount of increased capital in issuing shares upon exercise of the stock acquisition rights is to be equal to one half of the limit amount of increased capital based on the calculation in accordance with Section 1 of Article 40 in Company Calculation Regulations (*kaisha keisan kisoku*). Fractions less than one yen will be rounded up.

2. The amount of the increased capital reserves in issuing shares upon exercise of the stock acquisition rights is to be equal to the amount that will be reduced due to the increased capital amount as mentioned in 1. above from the limit amount of increased capital also mentioned in 1. above.
