Item 1. Security and Issuer.

This Amendment No. 2 (the Amendment) amends and supplements the Schedule 13D as filed on April 26, 2006 and amended on May 9, 2006 (the Schedule 13D), with respect to the shares of Common Stock, par value \$0.05 per share (the Shares), of California Coastal Communities, Inc., a Delaware corporation (the Issuer). Capitalized terms used herein but not defined shall have the meanings ascribed thereto in the Schedule 13D. The Schedule 13D is hereby amended and supplemented as follows:

Item 3. Source and Amount of Funds or Other Consideration.

The total amount of funds required by the Reporting Persons to acquire the Shares was \$20,722,504.38. Each of the Funds and Mr. MacLean used its own assets to purchase such Shares, which may at any given time include funds borrowed in the ordinary course in their margin accounts.

Item 4. Purpose of Transaction.

This Schedule 13D is being filed pursuant to Rule 13d-1(e) under the Securities Exchange Act of 1934. The Reporting Persons have previously filed a Schedule 13G on September 22, 2003, as amended on February 12, 2004, February 7, 2005 and February 14, 2006, to report the acquisition of the Shares. On April 26, 2006, the Reporting Persons sent a letter to the Board of Directors of the Issuer (the April 26th Letter). A copy of the April 26th Letter is attached to the Schedule 13D as Exhibit A and is incorporated herein by reference. On June 26, 2006, the Reporting Persons sent a letter to the Board of Directors of the Issuer (the June 26th Letter). A copy of the June 26th Letter is attached hereto as Exhibit B and is incorporated herein by reference. In addition, on June 26, 2006, the Reporting Persons issued a press release related to the June 26th Letter, a copy of which is attached hereto as Exhibit C and is incorporated herein by reference.

In connection with the foregoing, and as may be appropriate from time to time depending on the course of discussions with the Issuer or other actions taken by the Issuer, the Reporting Persons will consider the feasibility and advisability of various alternative courses of action with respect to their investment in the Issuer, including, without limitation: (a) the acquisition or disposition by the Reporting Persons of additional Shares; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) changes in the present board of directors or management of the Issuer; (e) a material change in the present capitalization or dividend policy of the Issuer; (f) other material changes in the Issuer's business or corporate structure; (g) changes in the Issuer's articles of incorporation or bylaws or other actions that may impede the acquisition of control of the Issuer by any person; (h) causing any class of the Issuer's securities to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; or (j) any action similar to those enumerated above. Except as described in the first paragraph of this Item 4 of Schedule 13D, the Reporting Persons do not currently have any plans or proposals that relate to or would result in any of the actions specified in clause (a) through (j) of this Item 4 of the Schedule 13D.

The Reporting Persons reserve the right, based on all relevant factors and subject to applicable law, at any time and from time to time, to review or reconsider their position, change their purpose, take other actions (including actions that could involve one or more of the types of transactions or have one or more of the results described in paragraphs (a) through (j) of this Item 4 of Schedule 13D) or formulate and implement plans or proposals with respect to any of the foregoing. Except as set forth in this Schedule 13D, no contract, arrangement, relationship or understanding (either oral or written) exists among the Reporting Persons as to the acquisition, disposition, voting or holding of Shares.

The Reporting Persons intend to review their investment in the Issuer from time to time on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Issuer's stock in particular, as well as other developments.

Board of Directors

California Coastal Communities, Inc.

Irvine, CA 92614

Gentlemen:

As one of the largest shareholders of California Coastal Communities, Inc. ("CALC" or the "Company") and a long-time supporter of the Company, we are deeply disturbed by the intransigence of both management and the Board with regard to the Bolsa Chica project. Their unwillingness to seriously pursue a sale of Bolsa Chica, or instead the entire Company, has eliminated all confidence we previously had in management and the Board's commitment to maximizing value for shareholders. Management simply cannot resist the temptation of personally pursuing the overly ambitious project of developing Bolsa Chica, even though this plan is fraught with obvious risk given their lack of experience in handling projects of such magnitude.

As an expression of our gross dissatisfaction with management's corporate strategy, we have voted against the proposed slate of Directors and the Company's stock option plan proposal in the proxy. It is glaringly obvious that the Company needs to immediately remove those Directors who, having become quite comfortable in their positions, are no longer able to provide an objective view independent from management as to the best strategy to maximize value for shareholders. The Company has an unusually small, four-member Board of Directors, with one member being the Chief Executive Officer. The complete lack of financial commitment and alignment with shareholders by two of those non-management Directors - a majority of the independent Directors - is painfully obvious, as is their close personal relationship with the CEO. Messrs. Sabin and Burnaman have both been Directors since September 1997 - yet, Mr. Burnaman owns a grand total of 2,250 shares (1,250 shares acquired as a result of exercising stock options and only 1,000 shares purchased directly) while Mr. Sabin only owns 4,000 shares (not including options granted by the Company). It is clear we are in desperate need of new Board members that will infuse the Company with fresh thinking and a new, wholly independent perspective.

We also reiterate that CALC should immediately hire a first-tier investment bank to pursue a sale of either Bolsa Chica or the entire Company. We remain convinced that a buyer would be willing to pay at least \$300 - \$350 million today for Bolsa Chica, which equates to approximately \$30 - \$35 per share, and a minimum of \$40 - \$45 per share to purchase the entire Company. While there is a possibility that an additional \$10 - \$12 per share of value could be created if management independently develops Bolsa Chica over a four-year period, we believe the significant execution risk outweighs the present value of future development profits. It is imperative that the Board and management disabuse themselves of any ego-driven desire to single-handedly undertake the Bolsa Chica project and recognize that the most value for shareholders on a present value, risk-adjusted basis is created through an immediate sale of such property.

Sincerely,

MERCURY REAL ESTATE ADVISORS LLC
