**ITEM 8.01. Other Events**

On June 28, 2006, FTI Consulting, Inc. ( FTI ) issued a press release announcing that it had successfully completed its efforts to re-sign the senior managing directors who comprise the leadership of the restructuring practice acquired from PricewaterhouseCoopers in August of 2002. Of the thirty-one senior managing directors tendered contracts, twenty-seven have agreed to further long term commitments with FTI, two are leaving the business, and two have indicated their intent to join a competitor at the end of their contractual obligations to FTI, subject to non-competition obligations. The standard commitment consists of a five year contract plus a one-year non-competition period following completion, although a few senior managing directors have negotiated different terms. With the re-signing, nearly all of FTI 's more than 165 senior managing directors are subject to multiple-year contractual agreements. The re-signings were achieved within the cost parameters previously disclosed in FTI 's prior public filings and with no loss of existing engagements. The full text of the Press Release is set forth in Exhibit 99.1 hereto and is incorporated by reference herein.
