**Item 2.05 Costs Associated with Exit or Disposal Activities.**

On October 20, 2006, we committed to a restructuring of the operations of our Budget Truck Rental subsidiary to realign the business for greater operational efficiency. The restructuring plan calls for the closing of Budget Truck Rental's current headquarters in Denver, Colorado in early 2007. Budget Truck's senior management and certain back-office functions including accounting, finance, marketing, fleet management and sales will be consolidated within our facilities in Parsippany, New Jersey, Virginia Beach, Virginia and Tulsa, Oklahoma. Out of the approximately 290 total positions in Denver, 50 are expected to be eliminated, and approximately 90 employees have been offered relocation. The position of President of Budget Truck will be eliminated as part of the restructuring. As a result, Gerald Riordan, who has served in this capacity since March 2003, is expected to leave the Company in early 2007.

We have evaluated the costs associated with workforce reduction, relocation, other associated consolidation costs and reorganization charges. As a result of the Truck restructuring and costs associated with exiting certain of our vehicle rental contact center operations, we expect to record a pretax charge of approximately \$10 to \$12 million in the fourth quarter. The severance and other benefit costs are expected to account for the majority of the charge and the remaining charges are expected to be associated with other costs relating to the facility closures, including certain costs to consolidate operations with our other domestic facilities. Almost all of the charges will result in future cash expenditures relating to severance and benefits and other facility exit and consolidation costs.

We are still in the process of calculating, and determining the timing for, the charges referred to above; therefore, the estimated charge provided above is subject to change as we determine the number of employees who are willing to relocate.

Further information about the operational restructuring and associated charges is set forth in the press release attached as Exhibit 99.1, which is incorporated herein by reference.
