(Attach extra sheets if needed)

As a result of ProQuest Company's ongoing review related to its earnings restatement, ProQuest Company (the Company) will not file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2006 within the prescribed time period. The Company believes that this delay cannot be eliminated without unreasonable effort or expense. As previously announced on February 9, 2006, the Company intends to restate certain of its previously issued financial statements due to its discovery of material irregularities in its accounting in numerous accounts. Until the review is complete, the Company's previously issued financial statements for fiscal years 2000 through 2004, and quarterly periods in 2005 should no longer be relied upon. In addition, the Company's review is ongoing and there can be no assurance additional material irregularities or errors will not be identified.
