Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 14, 2007, the Board of Directors (the Board) of Amgen Inc. (the Company) approved and adopted the following amendments to the Company s Amended and Restated Bylaws (Bylaws):

Article III, Section 8 of the Bylaws was amended to provide for a majority voting standard for directors in an uncontested election of directors rather than a plurality voting standard. A plurality voting standard is retained for contested elections. In uncontested elections, a nominee who does not receive a greater number of votes for than votes against is required to promptly tender his or her resignation to the Board after certification of the election results of the stockholder vote. The Governance and Nominating Committee of the Board will make a recommendation to the Board as to whether to accept or reject the tendered resignation. The Board will publicly disclose its decision regarding the tendered resignation and the rationale behind the decision within 90 days after certification of the election results of the stockholder vote.

Article IV, Section 16 of the Bylaws was amended to remove the reference to a specific number of directors authorized to be on the Board. As a result, the Board may set the size of the Board by resolution rather than by an amendment to the Bylaws. The amendments to the Bylaws took effect upon adoption by the Board. The amended Bylaw provision pertaining to majority voting supersedes the previously existing Amgen Policy and Procedures for Majority Vote Standard.

The foregoing summary of the adopted amendments to the Bylaws does not purport to be complete and is qualified in its entirety by reference to the full text of the Bylaws, as amended and restated February 14, 2007, which are attached hereto as Exhibit 3.1 and are incorporated herein by reference.

Attached as Exhibit 99.1 is a copy of the press release dated February 15, 2007 announcing the amendment to the Bylaws regarding majority voting.
