Pursuant to the Section 16 COC Agreements, if any of Messrs. Fontaine, Taddiken, Kupp, Kirk or Peterson is terminated during the period beginning two months prior to a change of control, as defined by the Section 16 COC Agreements, and

ending six months following the change of control, such officer is entitled to a lump sum payment equal to his base annual compensation plus the maximum bonus and commission available to him under any bonus or commission program offered by the Company during the year in which the change of control occurs, or if the officer is not eligible for a bonus or commission in the year in which the change of control occurs, the maximum bonus or commission available to him under any bonus or commission program offered by the Company in the most recent prior year for which a bonus was available. In addition, all unvested equity awards held by the officer that would have vested over the twelve-month period following the officer's termination will immediately vest. If the officer's employment is terminated more than six months but less than twelve months following a change of control, he is entitled to a lump sum payment equal to 50% of his base annual compensation plus 50% of the maximum bonus and commission available to him under any bonus or commission program offered by the Company during the year in which the change of control occurs, or if the officer is not eligible for a bonus or commission in the year in which the change of control occurs, the maximum bonus or commission available to him under any bonus or commission program offered by the Company in the most recent prior year for which a bonus was available. In addition, all unvested equity awards held by the officer that would have vested over the six-month period following the officer's termination will immediately vest.
