ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

On October 24, 2007, Hudson Highland Group, Inc. issued a press release announcing its financial results for the quarter and nine months ended September 30, 2007. A copy of such press release is furnished as Exhibit 99.1 to this Current Report.

The company is examining an accounting issue with its external auditors relating to contingent cash earn out payments the company made in connection with the JMT acquisition between 2004 to 2007. The company accounted for the contingent cash earn out payments as goodwill. The company is determining whether up to \$19 million of those payments must be reclassified from goodwill to compensation expense. Any such reclassification could require a restatement of prior period financial statements, but would not affect the company's cash flows for such periods. The company intends to resolve this accounting issue prior to the timely filing of its Form 10-Q for the third quarter of 2007.
